| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**Part I Service Provider Information (continued)**

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Mt. San Rafael Hospital Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Mt. San Rafael Hospital Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of the Plan is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# MT. SAN RAFAEL HOSPITAL RETIREMENT PLAN

## NOTES TO FINANCIAL STATEMENTS

---

### 1. DESCRIPTION OF THE PLAN

The following brief description of Mt. San Rafael Hospital Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

**General** — The Plan is a 403(b) defined contribution plan covering eligible employees of Mt. San Rafael Hospital (the Hospital). Employees are eligible to participate in the Plan on their date of hire. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Contributions** — A participant may elect to have up to 100% of their compensation withheld by the Hospital and contributed to the Plan on their behalf as an elective contribution in lieu of receiving such amount as compensation. The amounts contributed may not exceed the limits established in the Internal Revenue Code (IRC). Employee rollover and catch-up contributions are permitted. Participants must invest their contributions among investment options as provided for by the Plan.

The Plan does not provide for employer contributions.

**Participants' Accounts** — Each participant shall have one account and such account will be credited with an allocation of the participant's contributions and an allocation of the Plan's earnings and losses and administrative expenses.

The Plan's earnings or losses are allocated among those participating in each fund based upon the proportion that each participant's account bears to the total participants' account balances related to that fund. Earnings resulting from loans to participants are credited to the respective participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants** — Participants may borrow from their accounts up to a maximum equal to the lesser of (a) \$50,000 or (b) 50% of their vested account balance. The minimum loan amount is \$1,000. Loan terms range up to five years (or more if for the purchase of a principal residence). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates.

**Vesting** — Participants are 100% vested in their contributions and their related allocation of the Plan's earnings or losses.

**Payment of Benefits** — Distribution of the participant's vested account balance will commence as soon as practical after the participant attains the normal retirement age or terminates employment. The participant's account is distributed to the participant or, in the event of death, to the participant's beneficiary. A participant may choose a lump-sum distribution or annual installments. Account balances of \$1,000 or less are automatically distributed in a lump sum.

As of December 31, 2022, there were no benefit payment requests that were not disbursed from the Plan until after year-end. The Plan had benefit payment requests of \$85,346, that were not disbursed from the Plan until after year-end as of December 31, 2021.

**Administrative Expenses** — Administrative costs of the Plan are primarily paid by the Hospital.

**Plan Termination** — Although it has not expressed any intent to do so, the Hospital has the right to terminate the Plan at any time, subject to the provisions of ERISA.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** — The financial statements of the Plan have been prepared on the accrual basis of accounting.

**Valuation of Investments and Income Recognition** — Investments are reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The plan administrator determines the Plan's valuation policies utilizing information provided by investment advisors and the asset custodian. See Note 5 for information on fair value measurements.

Generally accepted accounting principles require that investment contracts held by a defined-contribution plan be reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investments in the American United Life Insurance Company (AUL) Stable Value Account and Fixed Account at December 31, 2022 and 2021, respectively, represent fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Use of Estimates** — The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions which affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Notes Receivable from Participants** — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Benefit Payments** — Benefits are recorded when paid.

**Subsequent Events** — The Plan has evaluated subsequent events for recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available for issuance.

### **3. TAX STATUS**

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has concluded that as of December 31, 2022, the Plan has no material uncertain tax positions.

### **4. GUARANTEED INVESTMENT CONTRACTS**

As described in Note 2, the Plan has investments in the AUL Stable Value Account and Fixed Account, which are fully benefit-responsive guaranteed investment contracts. American United Life Insurance Company maintains the contributions in a general account. The account balance reflected in the financial statements for the AUL Stable Value Account and Fixed Account are contract values as reported to the Plan by American United Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The guaranteed investment contracts issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. American United Life Insurance Company credits interest on contributions made to the AUL Stable Value Account and Fixed Account at a rate based on a formula agreed upon with the issuer, but it may not be less than zero. Such interest rates are reviewed periodically for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### **5. FAIR VALUE MEASUREMENTS**

Generally accepted accounting principles require the Plan to use a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds* – Valued at the price of shares held by the Plan at year-end. The share prices are quoted in active markets.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

## **6. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN**

The following is a summary of information obtained by management and agreed to or derived from information certified as complete and accurate by American United Life Insurance Co., the custodian of the Plan.

- Investments
- Investment income (loss)
  - Interest and dividend income
  - Net appreciation (depreciation) in fair value of investments
- Interest income on notes receivable from participants
- Notes receivable from participants
- Supplemental schedule of assets held at end of year

## **7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## **8. PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

American United Life Insurance Co., a One America company, serves as the third-party administrator for the Plan. The Plan invests in the American United Life Stable Value Account, which is a guaranteed investment contract of American United Life Insurance Co. The Plan invested in the American United Life Fixed Account, which was a guaranteed investment contract of American United Life Insurance Co. These transactions qualify as party-in-interest transactions.
