INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Project Renewal, Inc., as Sponsor
of Section 403(b) Retirement Plan for Project Renewal, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Section 403(b) Retirement Plan for Project Renewal, Inc. ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, and schedule of delinquent participant contributions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held (see Note 4) by a certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SECTION 403(b) RETIREMENT PLAN FOR PROJECT RENEWAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of Section 403(b) Retirement Plan for Project Renewal, Inc. (the “Plan”) provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan was adopted on August 1, 1982.

A. General

The Plan is a defined contribution plan covering all full-time employees of Project Renewal, Inc. (the “Sponsor” or “Employer”) except for those employees who are deferring into another plan established by the Employer under Section 403(b) or Section 457(b) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. Manhattan Bowery Management Corporation has also adopted this Plan as an Adopting Employer for the benefit of any of its employees who are eligible to participate.

B. Administration

The Plan is administered by the Sponsor, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities.

C. Contributions

Each year, participants may contribute up to any percent of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan-year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Employees will become participants after they complete and return a salary deferral agreement to the Plan administrator. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Employer contributions are discretionary, which the Sponsor may elect to make to the Plan for any Plan year. Employer discretionary contributions are generally made as a percentage of salary and was last amended on by the Plan on November 30, 2022. During the years ended December 31, 2022 and 2021, the Sponsor made employer contributions of \$473,348 and \$397,615, respectively, to the Plan.

D. Participant Accounts

Each participant’s account is credited with the participant’s and employer’s contributions, if any, and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

E. Vesting

Total value of employees’ contributions balance is fully and immediately vested. The Employer match will be 100% vested after completion of three years of service.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant’s account and bear interest at rates that range from 4.25 percent to 8.00 percent, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). The loans are repaid through payroll deductions for active employees and/or quarterly by the employee directly to the custodian. A loan that is considered in default is reported as a deemed distribution, which may be a taxable event for the participant.

SECTION 403(b) RETIREMENT PLAN FOR PROJECT RENEWAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (Continued)

G. Payment of Benefits

Upon termination of service due to death, hardship, disability, retirement or separation, a participant may elect to receive either lump sum, installment or partial cash payment.

H. Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$11,674 and \$12,500, respectively. These accounts will be used to reduce future employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan prepares its financial statements adhering to accounting principles generally accepted in the United States of America (“U.S. GAAP”) and uses the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments (except for fully benefit-responsive investment contracts, which are reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determined the Plan’s valuation policies utilizing information provided by investment advisors, custodians and insurance company. See Note 5 for a discussion of fair value measurements.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan’s gains and losses on investments bought and sold, as well as held, during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021 since the Sponsor deemed it not necessary after evaluating criteria such as prior loss history, creditworthiness of the individual, etc. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

E. Payment of Benefits

Benefits are recorded when paid.

F. Expenses

Administrative expenses are paid by the Plan to the extent not paid by the Employer. Investment related expenses are included in net (depreciation) appreciation in fair value of investments. Expenses paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s accounts and are included in administrative expenses.

SECTION 403(b) RETIREMENT PLAN FOR PROJECT RENEWAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As participants are fully vested in their accounts, there would be no forfeitures in the event the Plan is terminated.

NOTE 4 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by State Street Bank and Trust Company ("State Street"), the custodian of the Plan, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

State Street has certified to the completeness and accuracy of the investments included in the financial statements as of and for the years ended December 31, 2022 and 2021.

As of December 31, the Plan's assets included investments as follows:

	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 14,017,994	\$ 16,808,670
Unallocated cash	39,362	29,318
Guaranteed interest account	<u>2,654,258</u>	<u>2,552,695</u>
Total investments	<u>\$ 16,711,614</u>	<u>\$ 19,390,683</u>

Investments of the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

Interest and dividend income amounted to \$270,282 and \$422,727 for the years ended December 31, 2022 and 2021, respectively. For the years ended December 31, 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$3,645,090 and appreciated in value by \$2,384,392, respectively.

Notes receivable from participants amounted to \$163,542 and \$180,232 as of December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$7,910 and \$6,553 for the years ended December 31, 2022 and 2021, respectively, have also been certified by the custodian.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities

(Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

SECTION 403(b) RETIREMENT PLAN FOR PROJECT RENEWAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual funds and unallocated cash carried at December 31, 2022 and 2021 were classified as Level 1 and amounted to \$14,057,356 and \$16,837,988, respectively.

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The New York Life Guaranteed Interest Account ("GIA Fund") is a fully benefit-responsive stable value product that guarantees principal and accumulated interest. Contract value, as reported by New York Life Insurance Company ("New York Life"), is the beginning balance plus any deposit and credited interest, less any withdrawals, charges or expenses. Guarantees are provided to participating retirement plans through a group annuity contract issued by New York Life. The investment contract is included in the financial statements at contract value. Contributions are directed to a broadly diversified fixed income portfolio within New York Life's general account. Participants may deposit and withdraw on a daily basis at contract value. Participants may also transfer to other investment options in the Plan.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. New York Life may not terminate the contract at any amount less than the contract value.

New York Life determines the minimum interest rate based on an interest rate formula. The minimum interest rate credited by New York Life to the GIA Fund is subject to change every six months, but will always be subject to a range between 1.00% and 3.00%. The annualized gross credit rate under the group annuity contract was 2.45% and 2.00% as of December 31, 2022 and 2021, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

SECTION 403(b) RETIREMENT PLAN FOR PROJECT RENEWAL, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Investments at contract value amounted to \$2,654,258 and \$2,552,695 as of December 31, 2022 and 2021, respectively.

NOTE 7 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments as of December 31, 2022 and 2021 are managed by State Street. State Street is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Transamerica Retirement Solutions ("Transamerica") is the recordkeeper of the Plan. Gelman Pension Consulting, Inc. ("Gelman") is the consultant of the Plan. Fees paid to the recordkeeper and consultant amounted to \$157,528 and \$179,577 for the years ended December 31, 2022 and 2021, respectively. Certain administrative fees are paid by the Plan Sponsor. Certain funds provide revenue sharing of fees to the Plan participants.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amount, reported in the statements of net assets available for benefits.

NOTE 9 – TAX STATUS

The Plan executed an adoption agreement in March 2020, effective retroactive to January 1, 2010 under the Document Agility, Inc. Volume Submitter 403(b) Plan. On August 2, 2017, the IRS stated that the Document Agility, Inc. Volume Submitter 403(b) Plan adopted by the Plan, as then designed, qualifies under the IRC. The Plan has not received a determination letter specified to the Plan itself; however, the Plan Sponsor (and the Plan's tax counsel) believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

In accordance with the Department of Labor's Regulation 2510.3102, an employer is required to segregate participants' contributions and loan repayments from its general assets as soon as practical, but in no event more than the 15th business day following the end of the month within the time frame required by the Department of Labor ("DOL") under the Plan asset rules.

Contributions for certain payroll periods in 2022 amounting to \$459,211 and participant loan repayments of \$13,391 were not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. The Sponsor agreed to absorb all costs incurred by the Plan because of the untimely remittance of the loan repayments and will correct such delinquency through the Voluntary Fiduciary Correction Program of the Department of Labor.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 16, 2023, the date the financial statements were available to be issued.
