Report of Independent Auditor

To,
The Participants and the Plan Administrator,
California Creative Solutions, Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the accompanying financial statements of California Creative Solutions, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and December 31, 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022, and December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022, and December 31, 2021, and for the years ended December 31, 2022, and December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

PARTNERS BEYOND BOUNDARIES

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters - Supplemental schedules required by ERISA.
The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2022, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2022 (under supplemental information), are presented for purposes of additional analysis and not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

(All amounts are in United States Dollars unless otherwise stated.)

NOTE 1: DESCRIPTION OF PLAN

Effective October 01, 2020, California Creative Solutions, Inc. ("the Company/ Plan Sponsor/ Employer") established the California Creative Solutions, Inc. 401(k) Plan ("the Plan"). The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the purpose of allowing Plan members to make tax-deferred contributions through voluntary payroll withholdings in order to accumulate benefits to be paid upon retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees become eligible to participate in the Plan after they have completed 60 days of service for the Company and have attained the age of 21. An employee who has satisfied the eligibility requirements may enter the Plan on the first day of the month coinciding with or following the date on which he or she satisfies such requirements.

Contributions

The Plan includes a provision under Internal Revenue Code ("IRC") Section 401(k) whereby participants may elect to defer pre-tax contributions or Roth 401(k) deferrals to the Plan by a specific percentage or a dollar amount from their annual compensation. Annual participant contribution amounts are limited to $20,500 and $19,500 of salary deferrals for the year ended December 31, 2022 ($27,000 for participants aged 50 years and over), and December 31, 2021 ($26,000 for participants aged 50 years and over) respectively. Participant contributions received during the years ended December 31, 2022, and December 31, 2021, amounted to $839,493, and $453,209, respectively.

The Company has the option to make employer matching and employer discretionary contributions towards the Plan, and such a contribution, if any, is determined by the Company's board of directors and is subject to limitations under the IRC. Upon determination of participants' contributions, the Company contributions are made to the trustee in cash. There are no employer contributions for the years ended December 31, 2022, and December 31, 2021.

At the Plan administrator's discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant's account and are subject to the rules for investment established by the Plan administrator. The rollover contributions during the years 2022 and 2021 were $NIL and $NIL, respectively.

Administration

California Creative Solutions, Inc. serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. For the years ended December 31, 2022, and December 31, 2021, the Plan engaged Principal Life Insurance Company as a third-party plan administrator to assist in the administration of the Plan.

For the years ended December 31, 2022, and December 31, 2021, Principal Trust Company ("Principal") served

as the trustee of the Plan pursuant to the Plan agreement. Effective December 01, 2021, Administrative Fiduciary Services Inc. ("AFS") serves as a third-party plan administrator appointed by the Company and has been engaged to perform designated Plan Administrator services as a 3(16) fiduciary.

The trust established on behalf of the Plan is the funding medium used for the accumulation of assets from which Plan benefits are distributed. Principal serves as the trustee of the Plan pursuant to the Plan agreement. The trustee receives all contributions made under the Plan, holds plan assets, and pays benefits to participants as directed by the Plan Sponsor.

Plan expenses

Some expenses incurred for administering the Plan are paid by the Company, and these amounts are excluded from the Plan's financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants as applicable.

The administrative expenses comprise:

	Year ended December 31, 2022	Year ended December 31, 2021
Contract administrator fees	6,652	2,100
Total	**6,652**	**2,100**

Participant accounts

Each participant account is credited with pre-tax and rollover contributions made by the participant, employer matching contributions, and plan earnings. Earnings, expenses, gains, and losses on investments are allocated based on participant account balances, as defined in the Plan agreement.

Vesting

Participants are fully vested with respect to their contribution from their salaries. However, participant vesting with respect to employer matching and employer discretionary contributions made by the employer to their 401(k)-account balance is based on years of continuous service during which an employee completes at least 60 days of service with the Company. The vesting percentages are as follows:

Years of service	Percentage
Less than 1	0 %
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants also become 100% vested upon full or partial termination of the Plan, upon reaching the normal retirement age of sixty-five years, or upon disability or death of the participant.

Any portion of a participant's account balance attributable to rollover contributions from another qualified plan is 100% vested at the time of contribution and not subject to forfeiture.

Investment options

Amounts contributed to the Plan are held in trust created under the Plan. Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered

by the Plan. Participants may direct their contributions into one or more mutual funds and a money market fund.

Notes receivable from participants

Participants may borrow from their account balances with interest based on the rates available for similar loans from commercial lending institutions. The minimum note amount is $1,000, and the maximum amount is 50% of the vested portion of a participants' account balance to a maximum of $50,000. The notes are secured by the balance in the participants' account and bear interest at 7.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions, if available. Participants may only take out one loan at a time. As of December 31, 2022, and December 31, 2021, the Plan had notes receivable from participants with principal balances totaling $1,145 and $14,833, respectively, which are included with receivables in the accompanying Statement of Net Assets Available for Benefits.

Distributions

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age 59 and a half, or in-service withdrawals are allowed from rollover contributions at any time for any reason. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account through a lump sum distribution.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement. The employer may use forfeitures to first pay Plan expenses, and any left forfeiture may be used to reduce amounts otherwise required to be contributed to the Plan; if any forfeitures are still left it will be reallocated as defined in the Plan agreement. There were no forfeitures for the years ended December 31, 2022, and December 31, 2021.

Terminations

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value or contract value, wherever applicable.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any

adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Risks and uncertainties

The Plan provides for various investment options in pooled separate accounts, registered investment companies (mutual funds), and common/collective trusts. The Plan's exposure to credit losses in the event of non-performance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the years ended December 31, 2022, and December 31, 2021, net (depreciation) appreciation in the value of investments totaled ($161,845), and $42,606, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statements of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and December 31, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant's loan to be in default, the failure to repay a loan will reduce the benefit the participant would otherwise be entitled to from the Plan on the terms of the Plan document.

Corrective distributions

Corrective distributions are those contributions that were ineligible for the Plan year. During the years ended December 31, 2022, and December 31, 2021, corrective distributions amounted to $NIL and $75,462 (of which $73,452 reflect accruals for the year 2021 to be paid out in the year 2022), respectively.

Investment valuation and income recognition

Investments in mutual funds, common/ collective trusts, and pooled separate accounts are valued at quoted market prices or contract value, wherever applicable, as provided by the trustee. Net (depreciation) appreciation in the value of mutual funds, common/ collective trusts, and pooled separate accounts represents the change in fair value or contract value, wherever applicable, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurements date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices for similar or identical assets or liabilities in active or inactive markets, other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2022, and December 31, 2021. There were no changes in the methods used at December 31, 2022, and December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that have re-registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund and pooled separate accounts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methods or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: INFORMATION CERTIFIED BY PRINCIPAL TRUST COMPANY ("TRUSTEE") *(UNAUDITED)*

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Trust Company, the trustee, except for comparing such information certified by Principal Trust Company to information included in the Plan's financial statements for the years ended December 31, 2022, and December 31, 2021, and supplemental schedules for the years ended December 31, 2022:

	As at	
	December 31, 2022	**December 31, 2021**
Investments:		
Mutual funds, at fair value	971,884	538,300
Common/collective trusts	319	-
Pooled separate accounts	4,407	3,004
Investments as certified by the trustee *(unaudited)*	**976,610**	**541,304**

Transactions during the year

Net (depreciation) appreciation in fair value of investments	(161,845)	42,606
Interest and dividend income	15,762	5,720

NOTE 4: INVESTMENTS

A schedule of the fair value, wherever applicable, of individual investments that comprised 5% or more of the Plan's net assets available for benefits on December 31, 2022, and December 31, 2021, is as follows:

	2022		2021	
Fund name	Amount in $	%	Amount in $	%
Fidelity Freedom Index 2060 Fund	245,683	25	42,788	9
Fidelity Freedom Index 2055 Fund	172,709	18	84,549	18
Fidelity Freedom Index 2050 Fund	97,242	10	53,089	11

Fidelity Freedom Index 2045 Fund	47,909	5	69,338	14
MFS Growth R6 Fund	47,754	5	41,172	9

During the years ended December 31, 2022, and December 31, 2021, the Plan's investments (including losses and gains of investments bought, sold, and held during the year) (depreciated) appreciated in value as follows:

	Year ended December 31, 2022	Year ended December 31, 2021
Net (depreciation) appreciation in fair value of investments	(161,845)	42,606
Interest and dividend income	15,762	5,720

NOTE 5: FAIR VALUE MEASUREMENTS

The following tables present by level, within the fair value hierarchy, the plan investment assets at fair value as of December 31, 2022, and December 31, 2021. As required by accounting standard codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, investments assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

	2022				
Description	Amount ($)	Quoted in active markets for identical assets. (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Others

Changes in excess contributions payable	73,452	(30,473)
Net increase as per financial statements	**495,200**	**390,258**

NOTE 7: INCOME TAX STATUS

For the year ended December 31, 2022, the Plan Sponsor entered into a non-standardized arrangement of the Principal Life Insurance Company *Non-Standardized Pre-Approved Profit-Sharing Plan with CODA*. Principal Life Insurance Company received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the form of the non-standardized pre-approved profit-sharing plan and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). It is the opinion of the Plan trustee and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

For the year ended December 31, 2021, the Plan entered into an adoption agreement of the Principal Life Insurance Company's *Prototype Non-Standardized Profit-Sharing Plan with CODA* ("the prototype plan"). The prototype plan received a favorable opinion letter from the IRS on March 31, 2014, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. The Plan has been amended since the latest opinion letter.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, and December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by

taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Principal Trust Company served as the trustee of the Plan. Principal Life Insurance Company performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. Principal Life Insurance Company provides services to the plan as a third-party plan administrator for which administration fees are charged to the Plan. Effective December 01, 2021, Administrative Fiduciary Services Inc. ("AFS") serves as a third-party plan administrator appointed by the Company and has been engaged to perform designated Plan Administrator services as a 3(16) fiduciary. Apart from this, the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS
