INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
KE Guttridge, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KE Guttridge, LLC 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KE GUTRIDGE, LLC 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the KE Gutridge, LLC (Employer) 401(k) Plan (Plan), restated effective January 1, 2020 after a spin-off from a multiple-employer plan, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all full-time employees of the Employer who have six months of service, are age 18 or older, and are not a nonresident alien, leased employee or covered by a collective bargaining agreement. Eligible participants could enter the Plan on the first day of each quarter coincident with or next following the date eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator and shareholders are responsible for oversight of the Plan. The Plan Administrator and management determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to the shareholders.
2. *Contributions.* Each year, participants may contribute up to 100% of an amount equal to a dollar amount or percentage of compensation, not to exceed certain limitations, of pretax and post tax (Roth) annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Employer makes a safe harbor matching contribution in an amount equal to 100% of a participant's contributions that are not in excess of 3% of compensation plus 50% of a participant's contributions that exceed 3% of compensation but do not exceed 5% of compensation. Participants direct the investment of their contributions and safe harbor match into various investment options offered by the Plan. The Plan allows an additional discretionary employer match at a rate to be determined by the owners of the Employer. The Employer discretionary profit sharing contributions are made to the Plan based on Employer performance; the amount is determined by the owners of the Employer annually. Eligible participants must work at least 1,000 hours during the Plan year and be employed on the last day of the year to receive profit sharing contributions. Contributions are subject to certain IRS limitations. No profit sharing or additional discretionary employer matching contributions were made by the Employer during the year ended December 31, 2022.
3. *Participant accounts.* Each participant's account is credited with the participant's contributions and safe harbor matching contributions, as well as allocations of the Employer's profit sharing contribution, discretionary employer matching contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Employer's profit sharing contribution, under new comparability – one group per participant formula, shall be allocated to each group in a manner determined by the Employer.
4. *Vesting.* Participants in the Plan are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Employer's matching and profit sharing contributions is based on hours of service of 1,000 hours for a year of vesting service and is 100 percent vested after six years of credited service.
5. *Notes receivables from participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate will be the prime interest rate in effect as of the first day of the month that the loan was requested plus one percent per year. Principal and interest is paid ratably through weekly payroll deductions.
6. *Forfeited accounts.* As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,296 and \$85,186, respectively. These may be used to reduce Employer contributions or pay reasonable Plan expenses.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

7. *Payment of benefits.* On termination of service due to death, disability, or retirement, a participant may request to receive a lump sum distribution equal to the value of the participant's vested interest in his or her account. A participant may also withdraw all of his or her account once they reach age 65 or older, if fully vested. Upon termination, retirement, or severance, involuntary distribution applies if a participant's account balance is \$5,000 or less. The participant may choose to cash out the balance or rollover the funds to an IRA or other qualified Plan. However, if the vested balance is greater than \$5,000 and the participant is not at retirement age then he or she can withdraw his or her account balance including employer plan matching and profit sharing contributions. Participants may request a hardship distribution from all accounts. In-service withdrawals are allowed on attainment of age 59 ½ from all accounts, if fully vested.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Benefits Payable

Amounts payable to participants were calculated utilizing incorrect vesting schedules, resulting in an operational failure. These amounts were reported as a liability with a corresponding increase to benefits paid to participants. The Plan owed \$64,313 and \$47,473 to the applicable participants as of December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: a. Quoted prices for similar assets or liabilities in active markets; b. Quoted prices for identical or similar assets or liabilities in inactive markets; c. Inputs other than quoted prices that are observable for the asset or liability; d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value of shares held by the Plan. Net asset value is based on the quoted market prices of the underlying investments, net of insurance company fees and expenses. The Plan's investments in pooled separate accounts have no restrictions on transfers or withdrawals from these accounts. The investments are valued daily.

Pooled separate accounts, consisting of mutual funds, are considered level 1 investments and are valued at \$4,888,749 and \$6,043,727 at December 31, 2022 and 2021, respectively.

NOTE D – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity contract issued by Transamerica Financial Life Insurance Company, Inc. totaling \$528,801 and \$616,298 at December 31, 2022 and 2021, respectively. The contract seeks to protect against loss of principal while providing returns in excess of money market funds and one year United States Treasury Bills. The assets contributed to this investment option are invested in the general account of Transamerica. The contract has no stated maturity. On a semi-annual basis, the guaranteed credited rate of interest is declared at six month intervals and at least 45 days in advance of the date the new rate becomes effective. Interest is credited daily, based upon the beginning daily balance, at a rate of interest which is the daily equivalent of the applicable effective annual rate of interest established.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by Transamerica Financial Life Insurance Company, Inc., represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

KE GUTRIDGE, LLC 401(K) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE D – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other Employer events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Time restrictions on withdrawal may be imposed if the Plan were to cancel the contract; however, all permitted participant-initiated transactions occur at contract value with no conditions, limits or restrictions. There are no reserves against contract value for credit risk of the issuer or otherwise.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Transamerica Retirement Solutions and Transamerica Financial Life Insurance Company, Inc. (Transamerica). Transamerica is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid direct compensation to Trinity Pension Consultants, the third party administrator of the Plan, and Raymond James Financial Services Advisors, the investment advisor of the Plan; therefore, these transactions qualify as party-in-interest transactions.

The Plan Administrator is an employee of the Employer and participant of the Plan.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G - TAX STATUS

The IRS has determined by a letter dated June 30, 2020, that the Non-standardized Pre-Approved Profit Sharing Plan With CODA, in effect, is acceptable under section 401 of the Internal Revenue Code (IRC) for use by the Employer for the benefit of their employees. The letter states that the IRC opinion on the acceptability of the form of the plan is not a ruling or determination as to whether an employer's plan qualifies under Code Section 401(a). However, an employer that adopts this plan may rely on this letter with respect to the qualification of its plan number Code Section 401(a). The plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**KE GUTRIDGE, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE G - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Transamerica Financial Life Insurance Company, Inc., the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	<u>2022</u>	<u>2021</u>
Investments:		
Pooled separate accounts at fair value	\$ 4,888,749	\$ 6,043,727
Investments at contract value	528,801	616,298
Total investments	<u>\$ 5,417,550</u>	<u>\$ 6,660,025</u>
Participant loans	<u>\$ 43,036</u>	<u>\$ 83,175</u>
Investment income	<u>\$ (1,069,098)</u>	

Transamerica Financial Life Insurance Company, Inc. also certified to the completeness and accuracy of (\$1,069,308) of net appreciation (depreciation) in fair value of investments and \$210 of interest related to the aforementioned assets for the year ended December 31, 2022.

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE J – SUBSEQUENT EVENT

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
