Board of Directors
Spinrite Services Inc 401(k) Profit Sharing Plan and Trust
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Spinrite Services Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPINRITE SERVICES INC. 401(K) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Spinrite Services Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Spinrite Services Inc.; Spinrite Corp.; and Coats & Clark Inc. (collectively, the “Company” or “Plan Sponsor”). Full-time employees of the Company, except employees covered by a collective bargaining agreement or nonresident aliens with no income from a United States source, are eligible to participate in the Plan after they have completed three months of service and are 21 years of age or older. Mid Atlantic Trust Company (the “Custodian”) serves as the Plan’s custodian, and Paychex Inc. (the “Recordkeeper”) serves as the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

During 2022 and 2021, the Plan Sponsor experienced a reduction in force. The Plan Sponsor determined that a partial plan termination had occurred, and, consequently, all affected participants became fully vested in their account balances as a result of the partial Plan termination.

Contributions

Each year, participants may contribute up to 92% of eligible compensation as defined in the Plan on pretax and after-tax bases, up to the maximum annual contribution allowed by the Internal Revenue Code (“IRC”). The Plan permits participants who have attained at least age 50 or those who will attain age 50 before the end of the year to make additional contributions, known as catch-up contributions, to the maximum amount allowed by Internal Revenue Service (“IRS”) regulations, as defined by the Plan. Participants may also contribute amounts representing distributions from other defined benefit or contribution plans.

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN (continued)

The Company may make a matching contribution to each participant based on the participant's elective deferrals at a percentage set by the Company on or before the due date of the Company's tax return for the year of allocation. During 2022, the Company's matching contribution was 100% up to 3% of eligible compensation. The Company may also contribute an additional amount (qualified nonelective contribution) determined in its sole judgment. This additional contribution, if any, will be allocated to participants at a ratio of each eligible employee's compensation to all eligible employees' compensation. A participant must be employed by the Company on the last day of the plan year and have completed one year of service to qualify for this qualified nonelective contribution. During 2022, the Company did not authorize any qualified nonelective contributions.

The Company may also contribute an additional amount (nonelective profit sharing contribution) determined in its sole judgment. Such additional contributions, if any, shall be allocated to each participant in proportion to the participant's compensation to total compensation for the plan year. Total contributions are subject to Plan and IRS limitations. During 2022, the Company did not authorize any nonelective profit sharing contributions.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, if any, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company's qualified matching contributions and qualified nonelective and profit sharing contributions plus actual earnings thereon based on years of continuous service as follows:

Years of Service for Vesting Purposes for Qualified Matching Contributions	Percentage Vested
Less than 3	0%
3 or more	100%

Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts

Forfeitures represent nonvested qualified matching and all qualified nonelective contributions of participants who have terminated their employment with the Company. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,389 and \$1,283. During 2022, \$22,743 of forfeitures were used to reduce expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balances, but not to exceed \$50,000. Loan terms range from one to five years for general-purpose loans, unless for the purchase of a primary residence, whose term would be determined for a reasonable period. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the Prime interest rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant will receive a distribution in an amount equal to the value of the participant's vested interest in his or her account.

A terminated employee with a balance of \$5,000 or less may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or due to financial hardship, as defined by the plan document.

Participants entitled to distributions may receive their distributions as a lump-sum payment or in systematic installments.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Accounts Payable, Return of Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants in March 2022.

SPINRITE SERVICES INC. 401(K) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held as of December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

SPINRITE SERVICES INC. 401(K) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds - Investment funds formed by the pooling of investments by institutional investors, such as a group of not-necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Collective trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. The NAV is measured by the custodian or investment manager as of the close of regular daily trading. These investments are classified within level 2 of the fair value hierarchy. When measuring the fair value of such funds, the NAV, as provided by the fund sponsor, is corroborated with observable inputs provided by pricing services for the securities. In certain instances, NAVs may require adjustments to more appropriately reflect the fair value. No adjustments to NAVs were required.

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,779,265	\$ -	\$ -	\$ 5,779,265

Total investments measured at fair value	\$ 10,497,219	\$ 957,039	\$ -	\$ 11,454,258

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain funds managed by the Custodian; therefore, transactions related to these funds qualify as party in interest transactions, which are allowable under ERISA. For the year ended December 31, 2022, the Plan made direct payments to the Custodian totaling \$50,103. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$11,787,846
Accounts payable, return of excess contributions	<u>(12,665)</u>
Net assets available for benefits per the Form 5500	<u>\$ 11,775,181</u>

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022, to the Form 5500:

	<u>2022</u>
Net decrease in net assets per financial statements	\$ (4,946,026)
Accounts payable, return of excess contributions	<u>12,665</u>
Net decrease in net assets per Form 5500	<u>\$ (4,933,361)</u>

The differences between the net assets available for benefits and the net decrease in net assets available for benefits per the Plan's financial statements, and net assets available for benefits and the net decrease in net assets available for benefits per the Form 5500 are because there was a certain accrual that was not recorded in the Form 5500.

NOTE 7: INCOME TAX STATUS

The Plan obtained its latest opinion letter on August 31, 2020, in which the IRS stated that the Paychex Inc. Non-Standardized Pre-Approved Profit Sharing Plan with cash or deferred arrangement, as then designed, was compliant with the applicable requirements of the IRC. Although the Plan has been amended and restated since obtaining the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

SPINRITE SERVICES INC. 401(K) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 8: DELINQUENT PARTICIPANT CONTRIBUTIONS

Title I of ERISA requires that all employee contributions be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month following the month of being withheld from compensation. During 2022, participants' contributions and loan repayments totaling \$37,977 were not remitted timely. Lost earnings on these contributions have not been remitted to the Plan as of the financial statement issuance date. During 2021, 2020 and 2019, participants' contributions and loan repayments totaling and \$9,052, \$284,810 and \$118,606 were not remitted timely. Lost earnings on these contributions were remitted to the Plan in 2022.

NOTE 9: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.

Board of Directors
Spinrite Services Inc 401(k) Profit Sharing Plan and Trust
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Spinrite Services Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Spinrite Services Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Spinrite Services Inc.; Spinrite Corp.; and Coats & Clark Inc. (collectively, the “Company” or “Plan Sponsor”). Full-time employees of the Company, except employees covered by a collective bargaining agreement or nonresident aliens with no income from a United States source, are eligible to participate in the Plan after they have completed three months of service and are 21 years of age or older. Mid Atlantic Trust Company (the “Custodian”) serves as the Plan’s custodian, and Paychex Inc. (the “Recordkeeper”) serves as the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

During 2022 and 2021, the Plan Sponsor experienced a reduction in force. The Plan Sponsor determined that a partial plan termination had occurred, and, consequently, all affected participants became fully vested in their account balances as a result of the partial Plan termination.

Contributions

Each year, participants may contribute up to 92% of eligible compensation as defined in the Plan on pretax and after-tax bases, up to the maximum annual contribution allowed by the Internal Revenue Code (“IRC”). The Plan permits participants who have attained at least age 50 or those who will attain age 50 before the end of the year to make additional contributions, known as catch-up contributions, to the maximum amount allowed by Internal Revenue Service (“IRS”) regulations, as defined by the Plan. Participants may also contribute amounts representing distributions from other defined benefit or contribution plans.

NOTE 1: DESCRIPTION OF PLAN (continued)

The Company may make a matching contribution to each participant based on the participant's elective deferrals at a percentage set by the Company on or before the due date of the Company's tax return for the year of allocation. During 2022, the Company's matching contribution was 100% up to 3% of eligible compensation. The Company may also contribute an additional amount (qualified nonelective contribution) determined in its sole judgment. This additional contribution, if any, will be allocated to participants at a ratio of each eligible employee's compensation to all eligible employees' compensation. A participant must be employed by the Company on the last day of the plan year and have completed one year of service to qualify for this qualified nonelective contribution. During 2022, the Company did not authorize any qualified nonelective contributions.

The Company may also contribute an additional amount (nonelective profit sharing contribution) determined in its sole judgment. Such additional contributions, if any, shall be allocated to each participant in proportion to the participant's compensation to total compensation for the plan year. Total contributions are subject to Plan and IRS limitations. During 2022, the Company did not authorize any nonelective profit sharing contributions.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, if any, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company's qualified matching contributions and qualified nonelective and profit sharing contributions plus actual earnings thereon based on years of continuous service as follows:

Years of Service for Vesting Purposes for Qualified Matching Contributions	Percentage Vested
Less than 3	0%
3 or more	100%

Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts

Forfeitures represent nonvested qualified matching and all qualified nonelective contributions of participants who have terminated their employment with the Company. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,389 and \$1,283. During 2022, \$22,743 of forfeitures were used to reduce expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balances, but not to exceed \$50,000. Loan terms range from one to five years for general-purpose loans, unless for the purchase of a primary residence, whose term would be determined for a reasonable period. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the Prime interest rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant will receive a distribution in an amount equal to the value of the participant's vested interest in his or her account.

A terminated employee with a balance of \$5,000 or less may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or due to financial hardship, as defined by the plan document.

Participants entitled to distributions may receive their distributions as a lump-sum payment or in systematic installments.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Accounts Payable, Return of Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants in March 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held as of December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

SPINRITE SERVICES INC. 401(K) PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds - Investment funds formed by the pooling of investments by institutional investors, such as a group of not-necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Collective trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. The NAV is measured by the custodian or investment manager as of the close of regular daily trading. These investments are classified within level 2 of the fair value hierarchy. When measuring the fair value of such funds, the NAV, as provided by the fund sponsor, is corroborated with observable inputs provided by pricing services for the securities. In certain instances, NAVs may require adjustments to more appropriately reflect the fair value. No adjustments to NAVs were required.

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,779,265	\$ -	\$ -	\$ 5,779,265
Collective trust funds	-	857,429	-	857,429
Total investments measured at fair value	\$ 5,779,265	\$ 857,429	\$ -	\$ 6,636,694

	2021			
	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,497,219	\$ -	\$ -	\$ 10,497,219
Collective trust funds	-	957,039	-	957,039
Total investments measured at fair value	\$ 10,497,219	\$ 957,039	\$ -	\$ 11,454,258

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain funds managed by the Custodian; therefore, transactions related to these funds qualify as party in interest transactions, which are allowable under ERISA. For the year ended December 31, 2022, the Plan made direct payments to the Custodian totaling \$50,103. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$11,787,846
Accounts payable, return of excess contributions	<u>(12,665)</u>
Net assets available for benefits per the Form 5500	<u>\$ 11,775,181</u>

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022, to the Form 5500:

	<u>2022</u>
Net decrease in net assets per financial statements	\$ (4,946,026)
Accounts payable, return of excess contributions	<u>12,665</u>
Net decrease in net assets per Form 5500	<u>\$ (4,933,361)</u>

The differences between the net assets available for benefits and the net decrease in net assets available for benefits per the Plan's financial statements, and net assets available for benefits and the net decrease in net assets available for benefits per the Form 5500 are because there was a certain accrual that was not recorded in the Form 5500.

NOTE 7: INCOME TAX STATUS

The Plan obtained its latest opinion letter on August 31, 2020, in which the IRS stated that the Paychex Inc. Non-Standardized Pre-Approved Profit Sharing Plan with cash or deferred arrangement, as then designed, was compliant with the applicable requirements of the IRC. Although the Plan has been amended and restated since obtaining the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 8: DELINQUENT PARTICIPANT CONTRIBUTIONS

Title I of ERISA requires that all employee contributions be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month following the month of being withheld from compensation. During 2022, participants' contributions and loan repayments totaling \$37,977 were not remitted timely. Lost earnings on these contributions have not been remitted to the Plan as of the financial statement issuance date. During 2021, 2020 and 2019, participants' contributions and loan repayments totaling and \$9,052, \$284,810 and \$118,606 were not remitted timely. Lost earnings on these contributions were remitted to the Plan in 2022.

NOTE 9: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
