Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Columbus Association for the Performing Arts 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Because certain prior-year records were not available, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2022 and 2021, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the years then ended. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description

The following description of Columbus Association for the Performing Arts 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Columbus Association for the Performing Arts (CAPA). Employees are eligible to participate on their date of employment with CAPA provided that they work 20 hours or more per week. Unless specifically permitted by the collective bargaining agreements (CBA) with CAPA, any employee covered under a CBA is disallowed from receiving employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 100% of their total compensation, subject to certain limits as detailed in the plan agreement, to the Plan on a pre-tax or after-tax basis through payroll deduction. Additionally, for participants who have completed six months of service, CAPA makes a matching contribution equal to 100% of employees' deferrals up to 5% of their compensation. A participant who is also an active employee may contribute to the Plan, as a rollover contribution, a distribution from another qualified retirement plan. CAPA may, in its sole discretion, make a discretionary employer contribution on the participant's behalf in an amount determined by CAPA.

Participants who are at least age 50 or who will reach age 50 during any calendar year will have the option to make additional pre-tax contributions. Such participants are permitted to make additional pretax contributions of up to \$6,500 in 2022.

Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options on a daily basis.

Participant Accounts

Each participant's account is credited with the participant's contribution, CAPA's contribution and an allocation of plan earnings (net of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

All amounts credited to a participant's accumulation account shall be fully vested and non-forfeitable at all times.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) PLAN

Notes to Financial Statements December 31, 2022 and 2021

Plan Description (continued)

Notes Receivable from Participants

Participants may not borrow directly from their account balance in the Plan. However, participants may borrow from Teacher's Insurance and Annuity Association (TIAA) using a portion of their TIAA account as security for the loan. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 45 percent of their account balance. The loans bear interest at rates which are commensurate with local prevailing rates as determined periodically by TIAA. Principal and interest is paid ratably through monthly or quarterly ACH transfers by the participant to TIAA. The Plan Administrator has concluded that these loans are not plan assets and that such arrangements are exempt transactions. Participant loan balances totaled \$-0- as of December 31, 2022 and 2021, respectively. Under the borrowing terms \$0 of plan assets serve as collateral to these loans as of December 31, 2022 and 2021, respectively. Interest paid by participants on such loans during the year ended December 31, 2022, was \$0. In the event of default, such loans are reportable to plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the participant or the participant becomes eligible to receive a distribution under the terms of the Plan. During the years ended December 31, 2022 and 2021, \$0 of loans went into default. As of December 31, 2022 and 2021, loans in default amounted to \$0. Such amounts include the principal and accumulated interest.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment. Additionally, employees of CAPA may take an in-service distribution after attainment of age 59.5. A participant may receive the value of his or her account in either a lump sum payment or as an annuity.

Plan Expenses

The plan sponsor, CAPA, pays for audit fees associated with the Plan.

Forfeitures

Because participants are immediately vested in their accounts, the Plan has no forfeitures.

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Information Prepared and Certified by the Custodian/Trustees

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company and Empower Trust Company, LLC, the trustees of the Plan and Teachers Insurance and Annuity Association and College Retirement Equity Fund (TIAA-CREF), the custodian of the Plan.

Information Prepared and Certified by the Custodian/Trustees (continued)

The custodian/trustees also certified the completeness and accuracy of the following related to the aforementioned investments for the years ended December 31:

	2022	2021

Interest and dividend income	145,867	266,859

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Level 3 are significant unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

<i>Mutual Funds:</i>	Valued at the net asset value (NAV) of shares held by the Plan at year-end.
<i>Fixed Annuities</i>	Valued at contract value, which approximates fair value, using a guaranteed minimum interest rate between 1% and 3%, plus additional interest if declared.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Fair Value Measurements (continued)

Variable Annuities

The accounts invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments including matrix pricing. CREF Money Market holdings are generally valued at amortized cost. Each account determines its unit value each day.

Pooled Separate Account

Valued at NAV of such accounts which are provided by the custodian. The NAV is based on the underlying assets owned by the account less liabilities and then divided by the number of shares outstanding. The accounts, with the exception of the TIAA Real Estate Account, allow for daily redemptions and contributions. The TIAA Real Estate Account there are no unfunded commitments and participants can transact daily; however participant transfers out of this account are limited to one per calendar quarter per participant.

Collective Trust Funds

Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily. The Plan's investment in common collective trusts consists of the Emerging Markets Collective Investment Trust Fund whose investment objective is the stability of principal and high current income.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) PLAN

Notes to Financial Statements December 31, 2022 and 2021

Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Changes in Fair Value of Level 3 Assets

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to the total net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the CAPA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by U.S. federal or state and local tax authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) PLAN

Notes to Financial Statements December 31, 2022 and 2021

Party-in-Interest Transactions

The Plan invests in mutual funds, variable annuity contracts, fixed annuity contracts, and collective trust funds sponsored by the plan's custodian and trustees, as defined by the Plan, and therefore, these investments and all of the transactions with them qualify as party-in-interest transactions.

Administrative expenses paid by the Plan, which are netted against investment income, amounted to \$19,976 and \$79,816 for the years ended December 31, 2022 and 2021, respectively. Additional administrative expenses paid by the Plan were \$37,465 and \$0 for the years ended December 31, 2022 and 2021, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2022 statement of net assets available for benefits.
