Halma Holdings Inc. Profit Sharing/Savings Retirement Plan

**Financial Statements and Supplemental Schedules
Years Ended December 31, 2022 and 2021
With Independent Auditors' Report**

Independent Auditors' Report

To the 401(k) Plan Committee of the Halma
Holdings Inc. Profit Sharing/Savings Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed audits of the accompanying financial statements of The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompany financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report
(Continued)**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

BARNES DENNIG

**Independent Auditors' Report
(Continued)**

Other Matters (Continued)

Supplemental Schedules Required by ERISA (Continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE HALMA HOLDINGS INC. PROFIT SHARING/SAVINGS RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of The Halma Holdings Inc. Profit Sharing/Savings Retirement Plan (the "Plan") have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Related-Party Transactions

Certain Plan investments are investments in mutual funds managed by Empower Trust Company LLC ("Empower"). Empower is the asset custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Several employees of Halma Holdings, Inc. and its subsidiaries (collectively, the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain professional and accounting fees incurred in connection with the operation of the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

The Plan has an unallocated expenses account that it uses to cover certain expenses of the Plan. The balance was \$10,454 and \$17,544 at December 31, 2022 and 2021, respectively. During 2022, \$91,328 from this account was used to cover Plan expenses.

Subsequent Events

The Company has evaluated subsequent events to the balance sheet date of December 31, 2022, through October 16, 2023, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of The Halma Inc. Profit Sharing Savings Retirement Plan provides only general information. Participants should refer to their agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established January 1, 1988 covering all eligible employees of Halma Holdings Inc. and its participating subsidiaries. As of April 1, 2022, to be eligible to participate in the Plan, an individual must be an employee of the Company who has completed thirty days of service and is age twenty-one or older. Previously, to be eligible, an employee had to complete three months of service and be age twenty-one or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, and the Internal Revenue Service Code of 1986 ("Code"), as amended.

Contributions

Subject to certain limits, participants may contribute to the Plan, on a pre-tax or after-tax basis, 401(k) contributions and catch-up contributions up to limits set by the Plan and the Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 in 2022). For 2022, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$6,500.

The Plan allows for automatic enrollment of eligible employees at a 5% deferral rate. For participants auto enrolled who have not subsequently changed their deferral elections, the Plan includes an escalation provision resulting in automatic deferral percentage increases of 1% each July 1 until the participant's elective deferrals equal 10% of eligible compensation.

The Company matched 100% of participant contributions up to 3% of a participant's annual compensation through March 2022. In April 2022, it increased to 100% of participant contributions up to 5% of a participant's annual compensation. Additional profit sharing amounts may be contributed at the discretion of the Company's board of directors. The Company made discretionary profit sharing contributions of 2% of compensation from January 2022 through March 2022 in 2022. Effective April 1, 2022, profit-sharing contribution decreased to 0%.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified employee benefit plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the contributions to the Plan behalf of the participant and adjusted for earnings and losses thereon. Any employer discretionary profit sharing contributions are allocated based upon the ratio of a participant's compensation, to total compensation, as defined. The benefit to which a participant is entitled is the vested amount that is in such participant's account at any given time.

Vesting

Participants are immediately 100% vested in their 401 (k) contributions, catch-up contributions, and rollover contributions, as an adjusted for earnings and losses thereon. Participants are vested in employer matching and discretionary contributions based on years of continuous service. As of April 1, 2022 a participant becomes 50% vested after 2 years of service and then can become 100% vested after 3 years of credited service. Previously, a participant became 100% vested after three years of service. Forfeited balances of terminated participants' non-vested accounts can be applied to offset employer contributions or administrative expenses of the Plan. The balance of unallocated forfeitures was \$41,881 and \$178,792 as of December 31, 2022 and 2021, respectively. During 2022, \$666,106 of unallocated forfeitures were applied to offset employer contributions.

Unclaimed Property

When checks used to pay benefits to participants are not cashed, the checks are stopped and the funds are moved to the unclaimed property account. This account is an unallocated account that is used to hold the funds until the participants can be located. The balance in this account was \$36,592 and \$7,935 at December 31, 2022 and 2021, respectively.

Payment of Benefits

Upon a participant's retirement (including early retirement), death, disability, or termination of employment with the Company, the participant may elect to receive their benefit in a lump sum distribution equal to the value of the vested interest in their account.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of his 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Notes Receivable from Participants

Notes receivable are available on amounts in the participant's account upon incurring a financial hardship. The minimum note amount is \$1,000 and the maximum is the lesser of one-half of the participant's vested account balance or \$50,000. Loans are secured by the balance in the participant's account and bear interest at rates determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Loans are payable within five years except for those used to acquire a principal residence. A participant may only have one outstanding loan at a time.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels base on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued using quoted market prices of the shares of each applicable mutual fund.

Halma PLC stock fund: Values based on the NAV of units in a unitized fund, as published by the administrators the fund, and is based on the underlying assets owned by the fund. The fund invests in Halma PLC common stock (traded on the London Exchange) and an amount of short-term investments to facilitate liquidity for investors. Halma PLC is the parent company of Halma Holdings, Inc.

Common collective trust: Valued based on the NAV of units of a collective trust as published by the trustee.

The Plan invests in the Goldman Sachs Stable Value Collective Trust. The existence of certain conditions can limit the ability of the Plan to transact with participants at fair value. These circumstances may include Company initiated events as follows: the partial or complete termination of the Plan; the exclusions from coverage of a group of employees by the Company; the implementation of an early retirement program by the Company; a termination of employment. It is not probable an event would occur that would limit the Plan's ability to transact at contract value.

THE HALMA HOLDINGS INC. PROFIT SHARING/SAVINGS RETIREMENT PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

NOTE 4 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan has been amended since adoption of the prototype plan. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Empower for the years ended December 31, 2022 and 2021 was certified to be accurate and complete:

- (a) The assets held by Empower as of December 31, 2022 and 2021, as well as the transactions involving these assets for the year ended December 31, 2022.
- (b) The amount of investment income for the year ended December 31, 2022.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) December 31, 2022.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 DELINQUENT PARTICIPANT CONTRIBUTIONS

Deposits of participant deferrals totaling \$95,434 and \$71,389 were not made on a timely basis in 2022 and 2021, respectively. The Company corrected these errors by contributing lost earnings on the late participant contributions.
