## **INDEPENDENT AUDITOR'S REPORT**

To the Investment Committee and participants of the  
Fundamental Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Fundamental Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter –Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# Fundamental Retirement Savings Plan

## Notes to Financial Statements

December 31, 2022 and 2021

---

### 1. Description of Plan

The following description of the Fundamental Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan established by Hunt Valley Holdings LLC, (the Company) effective January 1, 1993, covering substantially all employees of the Company. Employees become eligible to participate in the Plan upon attaining the age of 21 and the completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective June 10, 2021.

#### Contributions

All eligible employees are automatically enrolled into the Plan and pre-tax contributions are withheld at 4% of eligible compensation unless the employee elects differently. Under an automatic deferral increase program, once an employee is enrolled, the deferral percentage will automatically increase by 1% on an annual basis until the deferral percentage reaches 6%. Each participant may make pre-tax and/or Roth contributions of up to 75% of eligible compensation as defined by the Plan, not to exceed a maximum of \$20,500 in 2022. Eligible employees who have attained age 50 before the close of the Plan year are allowed to make "catch-up" contributions of up to \$6,500 in 2022. Highly compensated employees are limited to contributing 10% of their eligible compensation to the Plan. Participants may also contribute pre-tax amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company may make discretionary matching contributions to the Plan. An employee must be employed as of the last day of the Plan year in order to be eligible for any discretionary matching contributions. Determination of discretionary matching contributions is at the discretion of the Board of Directors. No discretionary matching contributions were made during the year ended December 31, 2022.

#### Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contribution, and earnings or losses on the investments in their account, and is charged with an administrative expense fee and certain transaction fees. A participant may direct any contributions to any of the investment options offered by the Plan. The Plan currently offers a self-directed brokerage account as an additional investment option for participants. Self-directed brokerage accounts cannot invest in mutual funds already offered by the Plan, tax-exempt securities, employer securities, unit investment trusts, Fidelity mutual funds available through the Fidelity network, annuities, physical certificates, U.S. savings bonds, precious metal,

limited partnerships, master limited partnerships, exchange traded funds, futures contracts commodities, interest rate options, currencies, currency warrants, and currency options. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are vested immediately in their contributions and Company discretionary matching contributions plus actual earnings thereon.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one note outstanding at any time. The notes are secured by the balance in the participants' accounts and must bear a reasonable rate of interest as defined in the Plan. During 2022, notes had fixed rates ranging from 4.25% to 9.25% for the term of the note, not to exceed 5 years or 10 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions.

### **Payment of Benefits**

At the time of death, disability, termination of service or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution, in installments or partial payments. In-service withdrawals from all vested account balances are also permitted for participants who have attained age 59 1/2. The participant's contributions may also be withdrawn for certain hardship situations. If the account balance was \$1,000 or less, the Plan could, upon termination of service, pay the benefits owed in a lump sum. Participants' account balances between \$1,000 and \$5,000 could be automatically rolled over to an individual retirement account unless the participant directed otherwise.

### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$362,000 and \$347,600, respectively. These accounts can be used to reduce future Company discretionary matching contributions to the Plan or to reduce administrative expenses. In 2022, approximately \$53,000 of forfeitures were used to pay administrative expenses.

### **Administrative Expenses**

The Plan is charged \$180,000 per year for administrative expenses related to recordkeeping services. This fee is deducted from participant accounts monthly on a pro rata basis based on average participant account balance. Participants also pay an annual fee of \$20 as well as certain notes receivable transaction fees and distribution fees. All other administrative expenses are paid by the Company or from the forfeiture account. The Company does not expect reimbursement

from the Plan for any expenses of the Plan. Administrative expenses are paid to Fidelity Management Trust Company (Fidelity) and therefore, qualify as party-in-interest transactions. Investment related expenses are included in net change in fair value of investments.

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### **Contributions**

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary matching contributions are considered payable to the Plan when approved by the Company. Any unfunded participant or employer discretionary matching contributions are included in the employee or employer contributions receivable on the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.

#### **Valuation of Investments**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes realized and unrealized gains and losses on investments and interest and dividends.

#### **Notes Receivable from Participants**

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

### Payment of Benefits

Benefits are recorded when paid.

### Subsequent Events

The Plan's management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.

### 3. Information Certified by the Qualified Institution

Information in the accompanying financial statements and supplemental schedule, regarding investments held and notes receivable from participants at December 31, 2022 and 2021, net change in fair value of investments and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity, the Plan's qualified institution.

### 4. Investments

Certain Plan investments are shares of mutual funds, money market fund, units of the stable value fund, and certain investments in the self-directed brokerage accounts and are managed by Fidelity, the custodian and recordkeeper for the Plan. Accordingly, transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

The Plan's investments are susceptible to various market risks. Market risks include U.S and global events that could impact the value of Plan investments. Such events may include public health emergencies such as a pandemic, as well as international conflicts, cybersecurity attacks, supply chain disruptions, global monetary policy decisions, inflation, significant economic influences, and other adverse credit and market events and conditions. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

# Fundamental Retirement Savings Plan

## Notes to Financial Statements

December 31, 2022 and 2021

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted market prices for identical assets or liabilities in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds and the money market fund are stated at quoted market prices for the identical security in an active market (Level 1). Securities held in self-directed brokerage accounts, primarily interest bearing cash, common stock, and interest in registered investment companies, are publicly traded and are priced using the qualified institution's pricing service and are considered to be Level 1.

The Plan invests in a stable value fund which trades daily at the net asset value (NAV) per share of the fund (Level 1). The stable value fund invests primarily in U.S. government and government agency obligations, bonds, mortgage securities and asset backed securities.

The stable value fund has redemption restrictions that limit the timing of withdrawals. Participant directed withdrawals may be made on any business day, provided that the exchange is not directed into a competing fund. Transferred amounts must be held a non-competing investment option for 90 days before funds may be transferred to a competing fund.

The following table summarizes the Plan's investments based on the inputs used to determine their values as of December 31, 2022 and 2021:

|                                  | Level 1              |                       |

### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

### 6. Tax Status

In June 2021, the Plan that was based on a Volume Submitter Profit Sharing Plan with CODA (volume submitter plan) sponsored by Fidelity Management & Research Co. (FMRC) moved to a Non-Standardized PreApproved Profit Sharing Plan with CODA (pre-approved plan) sponsored by FMR LLC (doing business as Fidelity Institutional Asset Management). The Internal Revenue Service has opined and informed FMR LLC by letter dated June 30, 2020, that the pre-approved plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt and has no income subject to unrelated business income tax. The Plan's returns for the past three years are subject to examination by taxing authorities and may change upon examination.
