INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Administration of the
Carpenters Savings Plan of
Philadelphia and Vicinity

Opinion

We have audited the financial statements of the Carpenters Savings Plan of Philadelphia and Vicinity (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and April 30, 2022, and the related statements of changes in net assets available for benefits for the eight months ended December 31, 2022 and year ended April 30, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and April 30, 2022, and the changes in its net assets available for benefits for the periods then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Carpenters Savings Plan of Philadelphia and Vicinity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Carpenters Savings Plan of Philadelphia and Vicinity's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses, referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole.

**CARPENTERS SAVINGS PLAN
OF PHILADELPHIA AND VICINITY**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND APRIL 30, 2022

NOTE 1. DESCRIPTION OF PLAN

The Carpenters Savings Plan of Philadelphia and Vicinity (the Plan) is a multiemployer defined contribution profit sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides retirement benefits for eligible members of the Northeast Regional Council of Carpenters which represents carpenters employed primarily in the northeastern United States. The following brief description of the Plan is provided for general information purposes only.

Active participants are considered as any participant who on April 30, 1998 was either a participant in the Carpenters Local Union No. 600 Annuity Plan or an active participant under the Carpenters Pension & Annuity Fund of Philadelphia and Vicinity. New participants are eligible to participate in the Plan upon completion of one hour of service in covered employment.

Contributions to the Plan are invested as directed by the participants in various mutual funds or common collective trust funds. Participants must evaluate their own investment goals and objectives and choose funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Participants become vested in the Plan when they have either two or more years of Credited Service, reach normal retirement age or had a vested interest as of April 30, 1998 in the Carpenters Local Union No. 600 Annuity Plan or the Carpenters Pension & Annuity Fund of Philadelphia and Vicinity. Each vested participant has a non-forfeitable right to their individual account. If a participant is non-vested and becomes inactive and remains inactive for five consecutive Plan years, all Credited Service will be permanently cancelled, and the participant's account will be permanently forfeited. Forfeited account balances will be returned to the Plan to cover administrative expenses of the Plan. During the eight month period ended December 31, 2022, forfeitures returned to the Plan totaled \$493,157. During the year ended April 30, 2022, forfeitures returned to the Plan totaled \$50,334, and these amounts were used to pay administrative expenses of the Plan. The Board of Administration pays the administrative expenses of the Plan out of contributions to and assets of the Plan.

Each participant's account is credited with the employer contributions, plan earnings and an allocation of Plan expenses. Allocations are based on participants' account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1. DESCRIPTION OF PLAN (continued)

Under the current provisions of the Plan, a vested participant who retires from covered employment with a normal retirement pension or an early retirement for the Carpenters Pension and Annuity Plan of Philadelphia and Vicinity shall be entitled to receive a retirement benefit equal to 100% of the value of such participant's account. A vested participant whose employment is terminated for any reason other than retirement, disability or death shall be entitled to receive 100% of such participant's account.

A participant may, in the event of a hardship, be permitted to make a withdrawal from such participant's basic account before retirement or termination of service from covered employment. Hardship withdrawals can be used to pay medical expenses, for the purchase of a principal residence of the participant, for payment of tuition and related educational fees, to prevent the eviction of the participant from such participant's principal residence or foreclosure of the participant's principal residence. The amount of the withdrawal shall in no event exceed the lesser of \$50,000 or one-half of the balance in the participant's basic account. The Plan allows participants to apply for a hardship withdrawal every 36 months.

As of April 10, 2020, the Plan added a Coronavirus Hardship in effect until June 30, 2020. The Coronavirus Hardship permits participants to make a one-time, single lump withdrawal from such Participant's Basic Account before retirement or termination of service with the Employers in the event of a Coronavirus Hardship. A "Coronavirus Hardship" means either a positive diagnosis for either the participant, their spouse, or dependent with the virus SARS-CoV-2 or with Coronavirus Disease 2019 by a test approved by the Center of Disease Control and Prevention, or adverse financial consequences due to the virus SARS-CoV-2 or Coronavirus Disease 2019. The amount of the withdrawal is limited to the excess of the value of the account over \$1,000, but it is not to exceed \$20,000. The participant must be vested or must have been credited with one year of credited service in the May 1, 2019 to April 30, 2020 Plan Year to qualify. Hardship payments related to the Coronavirus Hardship totaled \$17,545,148 for the year ended April 30, 2021.

Participants should refer to the summary plan description for more information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments - Investments in mutual funds are carried at fair value as of the last business day of the year as provided by the custodian based on quoted market prices or the net asset value of the funds. The common collective trust funds and commingled investment fund are stated at net asset value as determined by the trusts.

Contributions Receivable - Employer contributions due and not paid prior to the year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Payment of Benefits - Benefit payments are recorded upon distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. PRIORITIES UPON TERMINATION

To safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on April 20, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however; there are currently no audits for any tax period in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FUNDING POLICY

The Plan is financed through employer contributions. Hourly contribution rates are specified in the individual collective bargaining agreements.

NOTE 6. RELATED PARTY TRANSACTIONS

Carpenters' Savings Plan of Philadelphia and Vicinity (the Plan) shares office facilities, office personnel, equipment and certain other expenses with the Carpenters' Health and Welfare Fund of Philadelphia and Vicinity (the Health and Welfare Fund) and the Carpenters' Pension and Annuity Fund of Philadelphia and Vicinity (the Pension and Annuity Fund). Shared expenses are allocated to the Funds based upon the discretion of the Trustees.

NOTE 6. RELATED PARTY TRANSACTIONS (continued)

The operating expenses of the common facilities and staff are initially paid by the Pension and Annuity Fund. The Plan's portions of the shared administrative services were 6% for the eight month period ended December 31, 2022 and the fiscal year ended April 30, 2022, respectively. During the eight month period ended December 31, 2022 and the fiscal year ended April 30, 2022, the Plan reimbursed the Pension and Annuity Fund \$341,114 and \$422,271, respectively, for shared administrative services. As of December 31, 2022, the Plan was owed \$161,632 from the Pension and Annuity Fund. As of April 30, 2022, the Plan was owed \$180,394 from the Pension and Annuity Fund.

The Plan leases office space from the Eastern Atlantic States Regional Council of Carpenters (EASRCC) under the terms of an operating lease which expired in June 2018. The lease was renewed in July 2018 and expires in June 2023. The Plan can terminate this lease at each anniversary provided that written notification is given 90 days prior to cancellation. Monthly rental payments are \$23,240. The Pension and Annuity Fund, Health and Welfare Fund, and the Plan each pay a portion of this lease, rent for the use of parking spaces and real estate taxes applicable to the portion of the building occupied by the Funds. Rent and real estate taxes allocated to the Plan for the eight month period ended December 31, 2022 and the fiscal year ended April 30, 2022 totaled \$13,363 and \$21,410, respectively.

In January 2018, the Carpenters Benefit Funds of Philadelphia & Vicinity entered into a shared services agreement with the Northeast Regional Council of Carpenters Funds (the Northeast Carpenters Funds) for shared personnel. The Northeast Carpenters Funds shall reimburse the Carpenters Benefit Funds of Philadelphia & Vicinity the wages, benefits, and allowable employee expenses for time expended by the shared personnel. In April 2016, the Carpenters Benefit Funds of Philadelphia & Vicinity entered into a cost-sharing arrangement for collection and payroll audit services with the Northeast Carpenters Funds. For the eight month period ended December 31, 2022 and fiscal year ended April 30, 2022, the Plan's allocated portion of the reimbursement related to these cost sharing arrangements totaled \$34,177 and \$38,528, respectively.

The transactions identified above qualify as transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

	Fair Value Measurements at April 30, 2022			
	Total	Level 1	Level 2	Level 3
Mutual fund	\$ 2,462,137	\$ 2,462,137	\$ -	\$ -
Total assets in the fair value hierarchy	2,462,137	\$ 2,462,137	\$ -	\$ -
Investments measured at NAV	217,524,350			
Total investments	\$ 219,986,487			

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

For the eight month period ended December 31, 2022 and the fiscal year ended April 30, 2022, there were no transfers in or out of levels 1, 2, or 3

NOTE 7. FAIR VALUE MEASUREMENTS (continued)

NOTE 10. BENEFIT FUND MERGER

Effective December 31, 2022, the Carpenters Savings Plan of Philadelphia and Vicinity (the Plan) was merged into the Northeast Carpenters Annuity Fund (Annuity Fund). Both the Annuity Fund and the Plan are benefit funds providing retirement benefits to workers in the Pennsylvania, New Jersey and New York regions. As a result of the merger a new Fund was established, this new fund is to be called the Eastern Atlantic States Carpenters Annuity Fund.
