INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Trustees of
Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust
Marshall, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a) (3) (C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a) (3) (C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

2021 FINANCIAL STATEMENT

Plan management is responsible for the accompanying financial statement of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

EARNHEART OIL INC. 401(k) PROFIT
SHARING PLAN AND TRUST

December 31, 2022

NOTE A--DESCRIPTION OF PLAN

The following brief description of Earnheart Oil Inc. 401(k) Profit Sharing Plan & Trust is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General: The Plan was established January 1, 2014. The latest Plan amendment and restatement was effective May 20, 2022. The Plan is a defined contribution plan covering all employees of Earnheart Oil, Inc. (the "Plan Sponsor") 21 years of age or older, and completion of one year of service. Non-resident aliens nor union employees are not eligible to participate in the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Eligible employees may defer up to 90% percent of their eligible compensation, as defined by the plan, as pre-tax or after-tax (Roth) contributions for the plan year. Such maximum contributions are subject to limitations imposed by the Internal Revenue Code (IRC). Participants over the age of 50 may make additional catchup deferrals.

All eligible employees will receive a 3% Safe Harbor Non-elective employer contribution. The employer may also make additional discretionary profit sharing contributions within the limits of the IRC for eligible employees who have completed 1,000 hours in the current plan year and are employed as of the last day of the current plan year.

Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

Participants' Accounts: Each participant's account is credited with the participant's contributions and allocation of (a) the Plan Sponsor's contribution, (b) Plan earnings or (c) administrative expenses that are paid by the Plan. Allocations are based on the participant's qualified compensation, account balances, or specific participant transactions as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are immediately vested in their voluntary contributions and actual earnings thereon. Vesting of employer non-elective contributions and discretionary contributions are based on the participant's years of continuous service. A participant vests 20% in the Plan for each year of continuous service starting in the second year through the sixth year and is fully vested in the sixth year of service. Participants are 100% vested upon death or disability.

Notes Receivable from Participants: Participants may borrow from their vested account balances with interest rates, terms and minimum loan balances in accordance to the plan document. The loans are secured by the balance in the participants' account. Principal and interest are paid ratably through payroll deductions. A participant loan is considered to be in default and/or past due when payments have ceased prior to being repaid-in-full.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to a selection of investments with the trustee of the Plan. Participants may change the allocation of their account in the different funds and other investments at any time.

SHARING PLAN AND TRUST

December 31, 2022

Distributions: Upon retirement, disability, or death, a participant or beneficiary may receive the entire amount credited to the participant's account under various distribution options as defined by the plan. Required minimum distributions must begin within a prescribed period after the participant attains the age designated by the current U.S. Internal Revenue Code. On termination of service, the participant's vested balance will be paid to the participant in any manner permitted by the Plan and agreed-upon by the participant and Plan administrator. If the participant's account balance is less than the designated amount defined in the plan that is subject to IRC limitations, the account may be distributed on behalf of the participant without participant agreement. In service distributions are permitted for a participant who is 59 1/2 years or older for hardship reasons.

Forfeitures: Forfeitures shall be used to reduce contributions required of the employer, pay Plan expenses, or as non-elective employer contributions. The plan administrator will allocate participant forfeitures, including earnings, no later than the last day of the plan year following the plan year in which the forfeiture occurs. The balance of the forfeiture account, included in investment assets, was \$-0- at December 31, 2022 and 2021. During 2022 and 2021, no forfeitures were used to pay employer matching contributions, profit sharing contribution, or Plan expenses.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses is recorded as loans are fully secured by the participants' account. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Principal and interest is paid ratably through semimonthly payroll deductions.

Payment of Benefits: Benefits are recorded when paid.

SHARING PLAN AND TRUST

December 31, 2022

Expenses: Certain expenses of maintaining the Plan are paid either by the Plan or the Plan Sponsor. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Any funds received from the Plan Sponsor in the Plan to pay plan expenses have been netted against the investment and administrative fees on these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included with investment expenses.

NOTE C--INVESTMENTS

During 2022 and 2021, Plan investments of \$1,434,462 and \$1,506,695, respectively, were held in a selection of mutual funds with Mid Atlantic Trust Company as custodian and Plan trustee for Paychex, the Plan third party administrator and recordkeeper. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company, the custodian for the Plan.

NOTE D--FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. Next, Level 2 inputs are used when identical assets cannot be identified, but quoted prices for similar assets in active markets are available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Totals	<u>\$1,506,695</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$1,506,695</u>

NOTE E--PLAN STATUS

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. At the time of Plan termination, participants will become 100% vested in their accounts.

NOTE F--TAX STATUS

The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the Plan's net investment income is exempt from income taxes. The Plan operates under the Prototype Plan of its trustees. An Advisory opinion dated August 31, 2020 has been obtained for the Prototype Plan. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes that the Plan is designed, and currently being operated, in compliance with the applicable requirements of the IRC and, therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan has concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently, no audits for any tax periods are in progress. The Plan is subject to income tax examinations for plan years ended December 31, 2019 through 2021.

NOTE H--TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in mutual funds managed by the Plan's custodian, as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions. Notes

NOTES TO FINANCIAL STATEMENTS-Continued

receivable from Plan participants and the related interest income are also considered party-in-interest transactions.

During 2022 and 2021, no forfeitures were used to pay employer matching contributions, profit sharing contribution, or Plan expenses.

The Plan Sponsor has the option, but not the obligation, to pay any of the Plan's administrative expenses. The payments received from the employer for this purpose and these expenses are not included in these financial statements. In addition, certain administrative functions are performed by officers or employees of the Plan Sponsor for which the officer or employee receives no compensation from the Plan nor is the Plan charged by the Plan Sponsor for these services.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO
FORM 5500 OF THE U.S. DEPARTMENT OF LABOR

The following is a reconciliation of the net assets available for benefits and change in net assets per the financial statement to Form 5500 as of December 31, 2022.

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$1,460,716	\$1,515,994
Contributions Receivable	<u>(7,255)</u>	<u>(1,478)</u>
Net assets available for benefits per Form 5500	<u>\$1,453,461</u>	<u>\$1,514,516</u>
Change in net assets available for benefits per the financial statements	\$ (55,278)	
Contributions Receivable change	<u>(5,777)</u>	
Change in net assets available for benefits per Form 5500	<u>\$ (61,055)</u>	

NOTE I--CORRECTION OF OPERATIONAL ERROR

During 2022, it was determined that some participants' deferrals were not remitted and that some participants' compensation was erroneously excluded from eligible wages. As such, employee contributions and associated employer match adjustments are required. The estimated corrective contribution receivable has been recorded for these amounts in 2022.

NOTE J--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
