INDEPENDENT AUDITORS' REPORT

Board of Trustees
North Central States Regional Council
of Carpenters' Supplemental Retirement Plan
Eau Claire, Wisconsin

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of North Central States Regional Council of Carpenters' Supplemental Retirement Plan (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of North Central States Regional Council of Carpenters' Supplemental Retirement Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Central States Regional Council of Carpenters' Supplemental Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Central States Regional Council of Carpenters' Supplemental Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Central States Regional Council of Carpenters' Supplemental Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Central States Regional Council of Carpenters' Supplemental Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following brief description of the North Central States Regional Council of Carpenters’ Supplemental Retirement Plan (the Fund) provides only general information. Participants should refer to the Fund document for a more complete description of the Fund’s provisions.

General

The Fund was established September 1, 2009, and is a noncontributory defined contribution retirement plan. The Board of Trustees is responsible for the oversight of the Fund. The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees become participants on the first day of the month during which the Fund has received contributions on an employee’s behalf pursuant to a collective bargaining agreement with a union affiliated with the North Central States Regional Council of Carpenters.

Participant Accounts

Employer contributions during the year are added to each account. Net earnings (losses) are allocated to each individual’s account on a daily basis. Net earnings (losses) include investment income (loss) less investment and administrative expenses. Distributions, if any, are subtracted from the related participants’ accounts. All participants are 100% vested in employer contributions and any earnings (losses) thereon. A cash balance of \$2,946,202 and \$18,504 was unallocated at December 31, 2022 and 2021, respectively.

Contributions

Participating employers contribute to the Fund a stipulated amount for each hour worked by the member pursuant to the current collective bargaining agreement between employers and the Union. The Fund does not allow for employee contributions.

Participants may also contribute amounts representing distributions from a qualified plan of a previous employer, individual retirement account, individual retirement annuity, Internal Revenue Code (IRC) Section 457 plans, or annuity contracts excluding after-tax employee contributions.

Payment of Benefits

Benefits are payable upon retirement or death. Participants also have the option to take a hardship distribution. Participants may receive benefits in the form of a lump-sum or periodic installments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Fund’s financial statements have been prepared on the accrual basis.

Fair Value Measurements

The Fund categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

Investment Valuation and Income Recognition

The Fund’s investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Cash is valued at cost which approximates fair value. The mutual funds held by the Fund are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish its daily net asset value (NAV) and to transact at that price. The mutual funds held by the Fund are deemed to be actively traded. The collective trust funds are valued at fair value using NAV per unit without further adjustment. NAV is based upon the fair value of the underlying investments. NAV is a readily determinable fair value and is the basis for current transactions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Fund's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions and Related Receivables

Contributions receivable at December 31, 2022 and 2021 are primarily amounts received in the first quarter of the following year from employers for work months through December. Employer contributions are due on the 15th day of each month following the month for which contributions are required.

Employer contributions are subject to audit, and any delinquent accounts are subject to liquidated damages of 20% of the amounts due. At any point in time, certain accounts are receivable by the Fund due to audit results and may be the subject of various disputes or legal actions. Delinquent contributions are individually analyzed for collectability.

Benefit Payments

Benefit payments are recorded upon distribution.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Subsequent Events

Effective January 1, 2023, the Fund has retained the services of a third-party administrator to administer the Fund.

In preparing these financial statements, the Fund has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available to be issued.

NOTE 4 RECIPROCITY AGREEMENTS

The Fund has entered into money follows the member reciprocity agreements with other pension funds so that money will be transferred to a member's home fund.

For the years ended December 31, 2022 and 2021, the Fund received \$1,591,060 and \$1,138,232 of reciprocal cash payments in accordance with these agreements. Reciprocal payments received from other plans are included in the employer contributions in the statement of changes in net assets available for benefits. Reciprocity receivable of \$258,400 and \$219,900 are included in employer contributions receivable as of December 31, 2022 and 2021, respectively. No allowance for credit losses as of December 31, 2022 or 2021, was necessary for reciprocal payments due to the Fund.

For the years ended December 31, 2022 and 2021, the Fund remitted \$1,212,108 and \$905,048 of reciprocal cash payments in accordance with these agreements. Payments made to other plans for reciprocal contributions collected on behalf of those plans are recorded as a reduction in the employer contributions in the statement of changes in the net assets available for benefits. Reciprocity payable is \$104,300 as of December 31, 2022. There were no material amounts of reciprocity contributions receivable or payable as of December 31, 2021.

NOTE 5 RELATED-PARTY TRANSACTIONS

Through December 31, 2022 the Fund operated in a facility owned by the North Central States Regional Council of Carpenters’ Pension Fund (Pension Fund). The North Central States Regional Council of Carpenters’ Training Fund, North Central States Regional Council of Carpenters’ Health Fund and Labor Management Cooperation Trust of the North Central States Regional Council of Carpenters and Associated General Contractors of Wisconsin, Inc. also occupy the facility.

The Fund is charged for certain administrative expenses by the Pension Fund. The charges are based on a formula which allocates indirect expenses based on estimates of administrative staff time. Administrative expenses charged to the Fund by the Pension Fund were \$62,269 and \$59,326 for the years ended December 31, 2022 and 2021, respectively. The amount of the administrative expenses payable to the Pension Fund was \$21,824 and \$11,213 as of December 31, 2022 and 2021, respectively.

As noted elsewhere, the plan paid certain expenses related to Fund operations and investment activity to various service providers. These transactions qualify as party-in-interest transactions under ERISA for which a statutory exemption exists.

NOTE 6 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Fund by a letter dated September 8, 2016, that the Fund is qualified, and the trust established under the Fund is tax-exempt under Section 401(a) of the IRC. The Fund has been amended since receiving the determination letter. However, the Fund administrator believes the Fund is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Fund management to evaluate tax positions taken by the Fund and recognize a tax liability if the Fund has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the board of trustees has the right to terminate the Fund, subject to the provisions of ERISA. Fund assets may be used only for the exclusive benefit of participants and their beneficiaries.

DECEMBER 31, 2022 AND 2021**

NOTE 8 FIDELITY BONDING AND FIDUCIARY LIABILITY INSURANCE

The Fund was covered by a fidelity bond covering the trustees and Fund employees at December 31, 2022 and 2021, in the amount of \$3,150,000. This fidelity bond also covers the North Central States Regional Council of Carpenters’ Pension Fund, North Central States Regional Council of Carpenters’ Health Fund, North Central States Regional Council of Carpenter’s Training Fund, and Labor Management Cooperation Trust of the North Central States Regional Council of Carpenters and Associated General Contractors of Wisconsin, Inc. The Fund also had fiduciary liability insurance of \$20,000,000 as of December 31, 2022 and 2021.

NOTE 9 RISKS AND UNCERTAINTIES

The Fund invests in a variety of investments. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near-term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 CONCENTRATIONS

In 2022 and 2021, there was one employer who individually represented more than 10% of total employer contributions.
