INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the CareLink Community Support Services
Employer Contribution Tax Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 31, 2022 and December 31, 2021 Financial Statements

We have performed audits of the financial statements of CareLink Community Support Services Employer Contribution Tax Sheltered Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and for the period from July 1, 2021 to December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's December 31, 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, and for the period from July 1, 2021 to December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the December 31, 2022 and December 31, 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the December 31, 2022 and December 31, 2021 Financial Statements section:

- the amounts and disclosures in the accompanying December 31, 2022 and December 31, 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying December 31, 2022 and December 31, 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the December 31, 2022 and December 31, 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the December 31, 2022 and December 31, 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Year

As further disclosed in Note A[1] to the financial statements, effective October 1, 2021, the Plan was amended to change the Plan year from June 30 to December 31.

Responsibilities of Management for the December 31, 2022 and December 31, 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the December 31, 2022 and December 31, 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the December 31, 2022 and December 31, 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the December 31, 2022 and December 31, 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

December 31, 2022 and December 31, 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the June 30, 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the June 30, 2021 financial statements, and (b) the form and content of the information included in the June 30, 2021 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CARELINK COMMUNITY SUPPORT SERVICES EMPLOYER CONTRIBUTION TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements December 31, 2022 and 2021, and June 30, 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the CareLink Community Support Services Employer Contribution Tax Sheltered Annuity Plan (the "Plan") provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

[1] General:

CareLink Community Support Services (the "Organization" or "Employer") established the Plan for the benefit of eligible employees to provide retirement income benefits to participants. The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The Plan is a defined-contribution plan, also known as a tax sheltered annuity plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's custodian of the investments in registered investment companies and a guaranteed interest contract is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal Trust Company") and Principal Life Insurance Company ("Principal Life") is the Plan's recordkeeper. The Plan has also invested in a variable separate account held by Nationwide Life Insurance Company ("Nationwide").

An eligible employee becomes a participant in the Elective Deferral portion of the Plan on his or her first day of employment with the Organization.

Effective October 1, 2021, the Plan was amended to change the Plan year upon which the Plan is operated. The new Plan year is the calendar year. The Plan has a short Plan year running from July 1, 2021 to December 31, 2021 and full Plan year from January 1, 2022 to December 31, 2022.

[2] Contributions:

Participants may contribute eligible pre-tax compensation to the Plan, subject to Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the Plan year or with 15 years of service are eligible to make catch-up contributions. Special code section 403(b) catch-up contributions are permitted if a participant has 15 years of service with the same employer ("15 years of service catch-up"). The 15 years of service catch-up enables the limit on elective deferrals to a participant's account to be increased by up to \$3,000 in any year up to a maximum of \$15,000. In no event may participant pre-tax and after-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans.

For participants who are employed by the Employer on the last day of the Plan year, have attained age 18 or above and have completed at least 1,000 hours of service with the Employer during the Plan year, the Organization may contribute a discretionary percentage of the amount of the elective deferrals. The Employer will decide the amount and the matching rate of all discretionary contributions; therefore, for the Plan year ended December 31, 2022 and for the period from July 1, 2021 to December 31, 2021, the Employer elected to match 100% of the employee's deferral up to 2% and 6%, respectively, of the employee's eligible wages. The Employer matching contribution was limited to approximately 3% of the employee's deferral for certain highly compensated individuals so as to meet nondiscrimination testing for the Plan period from July 1, 2021 to December 31, 2021.

Participants direct the investment of participant and Employer contributions into various investment options offered by the Plan through Principal Trust Company. Participants are no longer able to elect to contribute to the variable separate account held by Nationwide.

Effective January 1, 2022, the Plan was amended. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. The Plan includes a Qualified Automatic Contribution Arrangement Safe Harbor match whereby the Employer will match 100% of the employee's deferral up to 4%.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[3] Vesting:

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Effective July 1, 2021, vesting in the Employer's contribution portion of their accounts, plus actual earnings thereon, is as follows for participants who are employees as of July 1, 2021:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	33%
2	66%
3 or more	100%

Effective October 1, 2021, participants become fully vested the Employer's contribution portion of their accounts after 3 years of service for participants who are employees as of October 1, 2021.

[4] Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contributions and (b) Plan earnings, (losses) and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[5] Forfeitures:

Forfeited non-vested accounts are used first to pay Plan expenses and then to reduce Employer contributions. During the year ended December 31, 2022 and for the period from July 1, 2021 to December 31, 2021, forfeitures of approximately \$5,600 and \$3,700 were used to pay Plan expenses, respectively. Forfeited non-vested accounts available at December 31, 2022, December 31 2021, and June 30, 2021 were approximately \$0, \$0, and \$2,100, respectively.

[6] Payment of benefits:

Upon termination of service due to disability, retirement or other reasons, a participant's vested account balance will be distributed as soon as administratively possible. For balances of \$5,000 or less, the distribution is in the form of a lump-sum payment. Balances over \$5,000 can be distributed as a lump sum or periodic installments, or in the form of an annuity.

Hardship withdrawals are permitted under certain circumstances and require the approval of the Organization.

Notes to Financial Statements December 31, 2022 and 2021, and June 30, 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized (depreciation) appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Payment of benefits:

Benefits are recorded when paid.

[5] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in the net (depreciation) appreciation of fair value of investments.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Principal Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all non-Nationwide investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2022, December 31, 2021, and June 30, 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022 and for the period from July 1, 2021 to December 31, 2021, and the accompanying supplemental schedules of assets (held at end of year) as of December 31, 2022 and December 31, 2021.

CARELINK COMMUNITY SUPPORT SERVICES EMPLOYER CONTRIBUTION TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements December 31, 2022 and 2021, and June 30, 2021

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022, December 31, 2021 or June 30, 2021.

Registered investment companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Variable separate account, Nationwide - Valued at NAV, as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market. The variable separate account is comprised of the Fidelity VIP Overseas Portfolio - Initial Class, which seeks long-term growth of capital by investing primarily in common stocks of foreign large-growth funds outside of the United States.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022, December 31 2021 and June 30, 2021:

Investment Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 5,368,359</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,368,359</u>
Total investment assets in the fair value hierarchy	<u>\$ 5,368,359</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,368,359</u>
Variable separate account, measured at NAV (A)				<u>23,907</u>
Total investment assets at fair value				<u>\$ 5,392,266</u>

Investment Assets at Fair Value as of June 30, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 5,556,300</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,556,300</u>
Total investment assets in the fair value hierarchy	<u>\$ 5,556,300</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,556,300</u>
Variable separate account, measured at NAV (A)				<u>22,158</u>
Total investment assets at fair value				<u>\$ 5,578,458</u>

(A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

CARELINK COMMUNITY SUPPORT SERVICES EMPLOYER CONTRIBUTION TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements December 31, 2022 and 2021, and June 30, 2021

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - GUARANTEED INTEREST CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed interest contract ("GIC") with Principal Life offered as a Principal Fixed Income Guaranteed Option under the Plan. Principal Life maintains the contributions in a general account. The contract is reported at contract value. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of December 31, 2022, December 31, 2021, and June 30, 2021, the balance of the GIC held by the Plan was as follows:

	<u>December 31, 2022</u>	<u>December 31, 2021</u>	<u>June 30, 2021</u>
Principal Fixed Income Guaranteed Option (GIC)	<u>\$ 2,868</u>	<u>\$ 810</u>	<u>\$ 132</u>

Because the Plan's GIC is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus interest at the appropriate crediting rate, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Principal Life, but may not be less than the guaranteed minimum interest rate of 1% or greater than 3%. The crediting rate is generally reset semiannually and was 1.75% and 1.55%, net of the service fee of 0%, as of December 31, 2022 and 2021, respectively.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive interest contracts is dependent on Principal Life's ability to meet its financial obligations. Principal Life's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Principal Life reserves the right to delay a payment or transfer out of the GIC for 30 business days if an earlier withdrawal would not allow for the orderly sale of financial instruments. Such limitation is not generally applicable to participant-level withdrawals.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer, such as premature termination of the contract and Plan termination or merger and availability of competing investment options. Transfer of the Plan's interest in the GIC that is initiated by the Plan may be subject to a 12-month irrevocable notice and a 5% surrender charge, as further defined in the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

CARELINK COMMUNITY SUPPORT SERVICES EMPLOYER CONTRIBUTION TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements December 31, 2022 and 2021, and June 30, 2021

NOTE F - TAX STATUS

The Plan adopted a Volume Submitter 403(b) Basic Plan sponsored by Atlantic Pension Services, the Plan's third-party administrator. On March 31, 2017, the IRS stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the Code and, therefore, the related accounts are exempt from taxation. The Plan has been amended since receiving the letter. However the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan is qualified and the related accounts are tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a variable separate account managed by Nationwide. The Plan also pays fees to Principal Trust Company. Nationwide is the insurance company and Principal Trust Company is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan were approximately \$38,500 and \$23,200 for the year ended December 31, 2022 and for the period from July 1, 2021 to December 31, 2021, respectively.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2022 and 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE I - REGISTERED INVESTMENT COMPANY FEES

Investments in registered investment companies are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

CARELINK COMMUNITY SUPPORT SERVICES EMPLOYER CONTRIBUTION TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements

December 31, 2022 and 2021, and June 30, 2021

NOTE J - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE K - PLAN OPERATIONS

During the years ended December 31, 2022 and 2021, it was discovered that certain of the Plan's provisions were not properly applied in the daily operation of the Plan. The definition of compensation for participant and employer contributions as per the Plan document was not properly applied when calculating contribution amounts. The Plan administrator is in the process of determining affected participants and intends to make the Plan whole for any amounts due, including earnings. The amount of any amounts due to the Plan has not yet been determined.

NOTE L - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 to Form 5500:

Net assets available for benefits per the financial statements	\$ 5,480,046
Nationwide investment gains	<u>(1,749)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 5,478,297</u></u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ending December 31, 2022 and for the period from July 1, 2021 to December 31, 2021 to Form 5500:

	<u>December 31, 2022</u>	<u>July 1 - December 31, 2021</u>
Net decrease in net assets available for benefits	\$ (799,878)	\$ (263,492)

Net loss per the Form 5500	<u><u>\$ (798,129)</u></u>	<u><u>\$ (265,241)</u></u>

NOTE M - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.
