**Part III Welfare Benefit Contract Information**

If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organizations(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where contracts cover individual employees, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
Collegiate Academies 403(b) Plan  
New Orleans, Louisiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Collegiate Academies 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Collegiate Academies 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Collegiate Academies 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Collegiate Academies 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Collegiate Academies 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Collegiate Academies 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule of Assets (Held at End of Year), as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLLEGIATE ACADEMIES  
403(b) PLAN  
NEW ORLEANS, LOUISIANA  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

**1. Description of Plan**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**a. General**

The Plan is a 403(b) plan covering employees of Collegiate Academies (the Academy). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a defined contribution plan, also known as a tax-sheltered annuity plan, covering employees as defined by the Academy. Generally, new employees are eligible to join the Plan immediately.

**b. Contributions**

Each year participants may contribute pretax dollars subject to certain annual limitations. Participants are limited to a maximum of \$20,000 and \$19,500 in salary reductions for the years ended December 31, 2022 and 2021, respectively, with an additional \$6,500 in catch up contributions for employees age 50 and older. The Academy may make a discretionary matching contribution. Participant and Academy contributions are subject to certain limitations as defined by the Plan.

**c. Participant Accounts**

Each participant's account is credited with (1) the participant's contribution, (2) any Academy contributions, and, (3) Plan earnings and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's individual vested account.

**d. Vesting**

Participants are immediately vested in their participant contributions plus actual earnings thereon. Any employee hired prior to December 31, 2019 is also immediately vested in Academy matching contributions. For employees hired subsequent to January 1, 2020, vesting in the Academy contributions is based on elapsed time of service. A participant is 100% vested after six months of service.

**e. Payment of Benefits**

On termination of service due to death, disability or retirement, a participant, or his beneficiaries, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his account, or annual installments based on a predetermined length of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his account as a lump-sum distribution.

**f. Notes Receivable from Participants**

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

403(b) PLAN  
NEW ORLEANS, LOUISIANA  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

**1. Description of Plan - continued**

**g. Forfeited Accounts**

At December 31, 2022 and 2021, the balance in forfeited nonvested accounts totaled \$9,528 and \$6,711, respectively. These forfeitures will be used to pay Academy contributions.

**2. Summary of Accounting Principles**

**a. Subsequent Review**

Subsequent events were evaluated through September 30, 2023, the date on which the financial statements were available to be issued.

**b. Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**c. Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

**d. Payment of Benefits**

Benefits are recorded when paid.

**e. Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value. The Statements of Net Assets Available for Benefits present the fair value of the investments.

**f. Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Academy. Expenses that are paid by the Academy are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

COLLEGIATE ACADEMIES  
403(b) PLAN  
NEW ORLEANS, LOUISIANA  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

## 2. Summary of Accounting Principles - continued

### g. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement. During the years ended December 31, 2022 and 2021, no delinquent loans were reclassified as distributions.

## 3. Plan Termination

Although it has not expressed any intent to do so, the Academy has the right under the Plan to discontinue its contributions at any time and to terminate its Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100 percent vested in their accounts.

## 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Level 2 | <p>Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none"> <li>a. Quoted prices for similar assets or liabilities in active markets.</li> <li>b. Quoted prices for identical or similar assets or liabilities in inactive markets.</li> <li>c. Inputs other than quoted prices that are observable for the asset or liability.</li> <li>d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul> |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- |         |                                                                 |
|---------|-----------------------------------------------------------------|
| Level 3 | Inputs that are unobservable inputs for the asset or liability. |
|---------|-----------------------------------------------------------------|

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the U.S. Securities and Exchange Commission. These mutual funds held by the Plan are deemed to be actively traded.

Investment contract with insurance companies - Fixed accounts guaranteed at a specified minimum rate of return, adjusted periodically, with limited transfers to and from the fixed account.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

4. Fair Value Measurements - continued

Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

|                   | Instrument Type              | Fair Value | Valuation Technique     | Unobservable Inputs       | Range of Rates |
|-------------------|------------------------------|------------|-------------------------|---------------------------|----------------|
| December 31, 2022 | Guaranteed interest contract | \$ 14,174  | Market Value Adjustment | Composite Guaranteed Rate | 1.00% - 1.15%  |
|                   | Instrument Type              | Fair Value | Valuation Technique     | Unobservable Inputs       | Range of Rates |
| December 31, 2021 | Guaranteed interest contract | \$ 8,776   | Market Value Adjustment | Composite Guaranteed Rate | 1.15% - 1.63%  |

5. Reconciliation of Financial Statements to Schedule H of Form 5500

The net assets available for benefits per the financial statements as of December 31, 2022 and 2021 equal the net assets available for benefits per the 2022 and 2021 Forms 5500.

6. Tax Status

The Plan Administrator believes that the Plan has been designed to comply with the requirements of Section 403(b) of the Internal Revenue Code and, therefore, believes the Plan is qualified and the related custodial accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for the years prior to December 31, 2019.

## 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## 9. Related Party-In-Interest Transactions

Certain Plan investments are issued or managed by Voya Retirement Insurance and Annuity Company and Nationwide Financial Services, the Custodians and, therefore, these transactions qualify as party-in-interest transactions.

## 10. Change in Custodian

In 2017, the Plan changed custodians from Voya to Nationwide. As a result of this change, participants no longer contribute to investments offered by Voya. The Plan Administrator is currently in the process of transferring the remaining balances to Nationwide. As of December 31, 2022, \$254,574 remains at Voya.
