INDEPENDENT AUDITORS' REPORT

October 12, 2023

Trustee of the
Times-Shamrock Communications 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Times-Shamrock Communications 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Times-Shamrock Communications 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified insurance carrier as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Notes 3, 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Times-Shamrock Communications 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Times-Shamrock Communications 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of and for the year ended December 31 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified insurance carrier agrees to or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

Effective January 1, 1974, The Scranton Times, L.P., ("Sponsor" and "Company") a Pennsylvania Limited Partnership, adopted a retirement plan known as The Scranton Times Flexible Compensation Plan. The plan is a defined contribution plan which covers substantially all employees, and which provides for retirement, disability and death benefits. The Plan is subject to the provisions of ERISA. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance with the Plan's insurance company. Effective November 1, 2007 the Plan was amended and restated and hereby known as the Times-Shamrock Communications 401(k) Plan ("Plan"). The following employers adopted the Plan: Absolute Distribution Inc., Shamrock Communications, Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC.

Effective January 1, 2022, the Plan was amended and restated to incorporate amendments made since the Plan's January 1, 2015 restatement, as well as to comply with other legislative and regulatory changes.

The Plan provides that an eligible participant may elect to defer a specific percentage of their annual compensation not to exceed \$20,500, \$27,000 for participants ages 50 or older. Effective February 1, 2018 the Plan was amended as follows. An eligible participant will automatically be enrolled by the employer to defer an amount equal to 3%, unless such participant affirmatively elects to defer a specific percentage or not to have the automatic deferral made on his behalf. In addition, effective February 1, 2018, an eligible participant who is contributing less than the 3% will be increased to 3% effective that date unless such participant has affirmatively elected to defer a specific percentage or not at all. Each January 1, the percentage of compensation deferred will be increased (automatic escalation) annually by one percentage point provided that such percentage does not exceed 25%. The automatic escalation provisions do not apply to the highly compensated employees and eligible participants who have affirmatively elected to defer a specific percentage or not at all.

The participant's direct the investment of their contributions into various investment options offered by the Plan. Each employer may, in its discretion, make a discretionary Nonelective Contribution to the Plan in an amount determined by the Plan Sponsor.

The abovementioned employer's contribution, along with participant's contributions, plan earnings (losses), and applicable expenses will be credited/debited to each participant's account.

Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the account.

Participants who have not terminated employment, may borrow from their fund accounts up to a maximum of \$50,000, and not to exceed 50% of the participant's vested interests in their account balance. The loans are secured by the balance in the participant's account and bear a rate of interest as set forth in the Plan document. Principal and interest is paid ratably through payroll deductions. Loans may be prepaid in whole or in part at any time.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan (Continued)

Forfeitures were \$2,509 and \$1,256 during the years December 31, 2022 and 2021, respectively. The forfeiture balance at December 2022 and 2021 respectively is \$2,104 and \$1,270 and shall reduce future employer contributions or be applied against Plan expenses. Plan expenses were reduced by \$1,701 and \$0 from forfeited non-vested accounts in 2022 and 2021, respectively.

A more detailed explanation of the Plan, including but not limited to affirmative elections, automatic annual increases, allocation requirements, loans, vesting, and benefit provisions, is provided in Times-Shamrock Communications 401(k) Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management Review: Pursuant to FASB ASC 855, the Plan Administrator has evaluated subsequent events through October 12, 2023, the date which the financial statements were available to be issued.

Basis of Accounting: The financial statements of the plan are prepared using the accrual method of accounting.

Investment Contract with Insurance Companies: Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the Investment Contract.

Employer Contributions: Discretionary Nonelective Contributions by The Scranton Times, L.P. and adopting employers are made on a voluntary basis and are accrued based upon amounts actually computed. In addition, the sponsor as well as the adopting employer may elect to pay all administrative expenses associated with the plan but is not required to do so.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan's Management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. The pooled separate account are valued at their unit value as determined by Prudential Bank & Trust, FSB Company and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company. See Note 6 for discussion of Fair Value Measurements.

Interest Income: Interest Income is recorded on the guaranteed account and loan amounts on the accrual basis.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Net (Depreciation)/Appreciation in Fair Value of Investments: Dividends, realized and unrealized gains for the underlying funds are factored into the value of the pooled separate accounts reported by Prudential.

Notes Receivable from Participants: Notes Receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Operating Expenses: The Plan permits the payment of Plan Expenses to be made from the Plan's assets. Although under no obligation to do so, certain expenses to maintain the Plan were paid by the Company. Fees related to the initiation of notes receivable from participants are charged directly to the Participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments

Certain information related to the investments at fair value and at contract value as well as notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and December 31, 2021 and net appreciation/depreciation in fair value of investments and interest and dividends, and interest income – participant loans for the years ended December 31, 2022 and December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as completed and accurate by Prudential Bank & Trust, FSB Company (Prudential) and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company (Empower).

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments (Continued)

On April 1, 2022, Empower Annuity Insurance Company of America (EAICA), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (Empower) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.; Prudential Retirement Insurance and Annuity Company; Prudential Bank & Trust, FSB; Global Portfolio Strategies, Inc.; TBG Insurance Services Corporation; MC Insurance Agency Services, LLC; and Mullin TBG Insurance Agency Services, LLC. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company.

Note 4 Non-Participant Directed Investments

The following presents the change in net assets for Non-Participant Directed Investments at December 31, 2022:

Participant Loans Advanced	\$ 261,003
Participant Loans Repaid	(212,123)
Participant Loans Offset	
Terminated Participants	(41,418)
Interest Income From Participants Loans	24,437
Transfers to Participant Directed Investments	(24,437)
	<u>\$ 7,462</u>

Note 5 Investment Contract with Insurance Companies

The Plan entered into a benefit-responsive investment contract with Empower, (the Insurance Company), effective November 1, 2007. The Insurance Company maintains the contributions in a general fixed account.

The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specific interest that is guaranteed to the Plan.

As described in Note 2, because the investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by the Insurance Company, represents deposits made to the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed for resetting. The contract value of the investment contract at December 31, 2022 and 2021 was \$7,775,072 and \$7,971,261, respectively.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 Investment Contract with Insurance Companies (Continued)

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days. In addition, there are no events and circumstances that would permit the issuer to terminate the contract and settle at amounts that differ from contract value paid either within 90 days or over time.

Note 6 Fair Value Measurements

The Fair Value Measurements Accounting Literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. As of December 31, 2022, and 2021, the Plan did not have any Level 1, 2, or 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Are valued based on a "Unit of Account" with a value per unit based on the accumulation values of the underlying investments. Fair value is based on the Net Asset Value (NAV) of the units held in the underlying investments.

The following tables set forth, by level within the Fair Value hierarchy, the Plan's investing at Fair Value as of December 31, 2022 and 2021:

	<u>Fair Value Measurements at:</u>
	<u>Fair Value</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Note 7 Related Party Transactions

The Plan's investments are maintained with Prudential as described in Note 5 and Note 6. Prudential is considered a party-in-interest, therefore, transactions qualify as party-in-interest transactions.

The Plan has an ERISA expense account. The Plan sponsor has entered into an agreement with Prudential in which the Plan is eligible to receive reimbursements from Prudential which can be used by the Plan to pay third party expenses. The Plan received \$12,000 per year from Prudential for the years ending December 31, 2022 and 2021 and is included in "Other" Contributions. Plan expenses paid were \$14,149 and \$22,243 for years ending December 31, 2022 and 2021, respectively. The balance in the ERISA expense account is \$3,696 and \$5,694 as of December 31, 2022 and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 Risks and Uncertainties

The Plan invests in various investments through Prudential. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 Reconciliation of Financial Statements to Schedule H of Form 5500

Times-Shamrock Communications 401(k) Plan financial statements are prepared using the accrual basis of accounting, while the tax return is prepared using the cash basis of accounting, therefore timing differences exist. The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

Note 10 Income Tax Status

The Plan's latest determination letter, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Prudential uses a Volume Submitter Plan. Accordingly, the Thompson Hine LLP DBA Plan Document System has received a favorable opinion letter dated September 16, 2022 in which the Internal Revenue Service states that their Volume Submitter plan, as adopted by the plan sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 10 Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 11 Plan Benefits and Termination

The Employers although not under obligation to make contributions to the fund, has not expressed any intent to discontinue contributions thereto or terminate the Plan subject to the provision of ERISA. In the event of termination of the Plan, all amounts credited to employee accounts will be fully vested and paid after expenses of termination have been paid. Depending on the facts and circumstances, a partial termination may occur where a significant number of employees are terminated by the employer or excluded from plan participation. In case of a partial termination only those affected employees will become 100% vested.

Note 12 Subsequent Events

On August 30, 2023, the Plan Sponsor, The Scranton Times, L.P. sold its newspaper publishing business. Also, on August 30, 2023, the following participating employers were sold: Absolute Distribution Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC. As a result of the sale, the employees of the companies sold are no longer participating in the Plan. The remaining operations, including radio and outdoor business units of the Plan Sponsor, as well as the sole remaining participating employer, Shamrock Communications, Inc., remain participants of the Times-Shamrock Communications 401(k) Plan.

As a result of the sale, the Plan Sponsor changed its name to Times Shamrock Media, L.P.

INDEPENDENT AUDITORS' REPORT

October 12, 2023

Trustee of the
Times-Shamrock Communications 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Times-Shamrock Communications 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Times-Shamrock Communications 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified insurance carrier as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Notes 3, 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Times-Shamrock Communications 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Times-Shamrock Communications 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of and for the year ended December 31 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified insurance carrier agrees to or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

Effective January 1, 1974, The Scranton Times, L.P., ("Sponsor" and "Company") a Pennsylvania Limited Partnership, adopted a retirement plan known as The Scranton Times Flexible Compensation Plan. The plan is a defined contribution plan which covers substantially all employees, and which provides for retirement, disability and death benefits. The Plan is subject to the provisions of ERISA. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance with the Plan's insurance company. Effective November 1, 2007 the Plan was amended and restated and hereby known as the Times-Shamrock Communications 401(k) Plan ("Plan"). The following employers adopted the Plan: Absolute Distribution Inc., Shamrock Communications, Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC.

Effective January 1, 2022, the Plan was amended and restated to incorporate amendments made since the Plan's January 1, 2015 restatement, as well as to comply with other legislative and regulatory changes.

The Plan provides that an eligible participant may elect to defer a specific percentage of their annual compensation not to exceed \$20,500, \$27,000 for participants ages 50 or older. Effective February 1, 2018 the Plan was amended as follows. An eligible participant will automatically be enrolled by the employer to defer an amount equal to 3%, unless such participant affirmatively elects to defer a specific percentage or not to have the automatic deferral made on his behalf. In addition, effective February 1, 2018, an eligible participant who is contributing less than the 3% will be increased to 3% effective that date unless such participant has affirmatively elected to defer a specific percentage or not at all. Each January 1, the percentage of compensation deferred will be increased (automatic escalation) annually by one percentage point provided that such percentage does not exceed 25%. The automatic escalation provisions do not apply to the highly compensated employees and eligible participants who have affirmatively elected to defer a specific percentage or not at all.

The participant's direct the investment of their contributions into various investment options offered by the Plan. Each employer may, in its discretion, make a discretionary Nonelective Contribution to the Plan in an amount determined by the Plan Sponsor.

The abovementioned employer's contribution, along with participant's contributions, plan earnings (losses), and applicable expenses will be credited/debited to each participant's account.

Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the account.

Participants who have not terminated employment, may borrow from their fund accounts up to a maximum of \$50,000, and not to exceed 50% of the participant's vested interests in their account balance. The loans are secured by the balance in the participant's account and bear a rate of interest as set forth in the Plan document. Principal and interest is paid ratably through payroll deductions. Loans may be prepaid in whole or in part at any time.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan (Continued)

Forfeitures were \$2,509 and \$1,256 during the years December 31, 2022 and 2021, respectively. The forfeiture balance at December 2022 and 2021 respectively is \$2,104 and \$1,270 and shall reduce future employer contributions or be applied against Plan expenses. Plan expenses were reduced by \$1,701 and \$0 from forfeited non-vested accounts in 2022 and 2021, respectively.

A more detailed explanation of the Plan, including but not limited to affirmative elections, automatic annual increases, allocation requirements, loans, vesting, and benefit provisions, is provided in Times-Shamrock Communications 401(k) Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management Review: Pursuant to FASB ASC 855, the Plan Administrator has evaluated subsequent events through October 12, 2023, the date which the financial statements were available to be issued.

Basis of Accounting: The financial statements of the plan are prepared using the accrual method of accounting.

Investment Contract with Insurance Companies: Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the Investment Contract.

Employer Contributions: Discretionary Nonelective Contributions by The Scranton Times, L.P. and adopting employers are made on a voluntary basis and are accrued based upon amounts actually computed. In addition, the sponsor as well as the adopting employer may elect to pay all administrative expenses associated with the plan but is not required to do so.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan's Management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. The pooled separate account are valued at their unit value as determined by Prudential Bank & Trust, FSB Company and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company. See Note 6 for discussion of Fair Value Measurements.

Interest Income: Interest Income is recorded on the guaranteed account and loan amounts on the accrual basis.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Net (Depreciation)/Appreciation in Fair Value of Investments: Dividends, realized and unrealized gains for the underlying funds are factored into the value of the pooled separate accounts reported by Prudential.

Notes Receivable from Participants: Notes Receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Operating Expenses: The Plan permits the payment of Plan Expenses to be made from the Plan's assets. Although under no obligation to do so, certain expenses to maintain the Plan were paid by the Company. Fees related to the initiation of notes receivable from participants are charged directly to the Participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments

Certain information related to the investments at fair value and at contract value as well as notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and December 31, 2021 and net appreciation/depreciation in fair value of investments and interest and dividends, and interest income – participant loans for the years ended December 31, 2022 and December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as completed and accurate by Prudential Bank & Trust, FSB Company (Prudential) and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company (Empower).

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments (Continued)

On April 1, 2022, Empower Annuity Insurance Company of America (EAICA), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (Empower) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.; Prudential Retirement Insurance and Annuity Company; Prudential Bank & Trust, FSB; Global Portfolio Strategies, Inc.; TBG Insurance Services Corporation; MC Insurance Agency Services, LLC; and Mullin TBG Insurance Agency Services, LLC. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company.

Note 4 Non-Participant Directed Investments

The following presents the change in net assets for Non-Participant Directed Investments at December 31, 2022:

Participant Loans Advanced	\$ 261,003
Participant Loans Repaid	(212,123)
Participant Loans Offset	
Terminated Participants	(41,418)
Interest Income From Participants Loans	24,437
Transfers to Participant Directed Investments	(24,437)
	<u>\$ 7,462</u>

Note 5 Investment Contract with Insurance Companies

The Plan entered into a benefit-responsive investment contract with Empower, (the Insurance Company), effective November 1, 2007. The Insurance Company maintains the contributions in a general fixed account.

The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specific interest that is guaranteed to the Plan.

As described in Note 2, because the investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by the Insurance Company, represents deposits made to the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed for resetting. The contract value of the investment contract at December 31, 2022 and 2021 was \$7,775,072 and \$7,971,261, respectively.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 Investment Contract with Insurance Companies (Continued)

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days. In addition, there are no events and circumstances that would permit the issuer to terminate the contract and settle at amounts that differ from contract value paid either within 90 days or over time.

Note 6 Fair Value Measurements

The Fair Value Measurements Accounting Literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. As of December 31, 2022, and 2021, the Plan did not have any Level 1, 2, or 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Are valued based on a "Unit of Account" with a value per unit based on the accumulation values of the underlying investments. Fair value is based on the Net Asset Value (NAV) of the units held in the underlying investments.

The following tables set forth, by level within the Fair Value hierarchy, the Plan's investing at Fair Value as of December 31, 2022 and 2021:

	<u>Fair Value Measurements at:</u>
	<u>Fair Value</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use NAV:

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2022 and 2021, respectively.

Note 7 Related Party Transactions

The Plan's investments are maintained with Prudential as described in Note 5 and Note 6. Prudential is considered a party-in-interest, therefore, transactions qualify as party-in-interest transactions.

The Plan has an ERISA expense account. The Plan sponsor has entered into an agreement with Prudential in which the Plan is eligible to receive reimbursements from Prudential which can be used by the Plan to pay third party expenses. The Plan received \$12,000 per year from Prudential for the years ending December 31, 2022 and 2021 and is included in "Other" Contributions. Plan expenses paid were \$14,149 and \$22,243 for years ending December 31, 2022 and 2021, respectively. The balance in the ERISA expense account is \$3,696 and \$5,694 as of December 31, 2022 and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 Risks and Uncertainties

The Plan invests in various investments through Prudential. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 Income Tax Status

The Plan's latest determination letter, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Prudential uses a Volume Submitter Plan. Accordingly, the Thompson Hine LLP DBA Plan Document System has received a favorable opinion letter dated September 16, 2022 in which the Internal Revenue Service states that their Volume Submitter plan, as adopted by the plan sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 10 Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 11 Plan Benefits and Termination

The Employers although not under obligation to make contributions to the fund, has not expressed any intent to discontinue contributions thereto or terminate the Plan subject to the provision of ERISA. In the event of termination of the Plan, all amounts credited to employee accounts will be fully vested and paid after expenses of termination have been paid. Depending on the facts and circumstances, a partial termination may occur where a significant number of employees are terminated by the employer or excluded from plan participation. In case of a partial termination only those affected employees will become 100% vested.

Note 12 Subsequent Events

On August 30, 2023, the Plan Sponsor, The Scranton Times, L.P. sold its newspaper publishing business. Also, on August 30, 2023, the following participating employers were sold: Absolute Distribution Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC. As a result of the sale, the employees of the companies sold are no longer participating in the Plan. The remaining operations, including radio and outdoor business units of the Plan Sponsor, as well as the sole remaining participating employer, Shamrock Communications, Inc., remain participants of the Times-Shamrock Communications 401(k) Plan.

As a result of the sale, the Plan Sponsor changed its name to Times Shamrock Media, L.P.

INDEPENDENT AUDITORS' REPORT

October 12, 2023

Trustee of the
Times-Shamrock Communications 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Times-Shamrock Communications 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Times-Shamrock Communications 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified insurance carrier as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Notes 3, 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Times-Shamrock Communications 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Times-Shamrock Communications 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Times-Shamrock Communications 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of and for the year ended December 31 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified insurance carrier agrees to or is derived from, in all material respects, the information prepared and certified by an insurance carrier that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

Effective January 1, 1974, The Scranton Times, L.P., ("Sponsor" and "Company") a Pennsylvania Limited Partnership, adopted a retirement plan known as The Scranton Times Flexible Compensation Plan. The plan is a defined contribution plan which covers substantially all employees, and which provides for retirement, disability and death benefits. The Plan is subject to the provisions of ERISA. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance with the Plan's insurance company. Effective November 1, 2007 the Plan was amended and restated and hereby known as the Times-Shamrock Communications 401(k) Plan ("Plan"). The following employers adopted the Plan: Absolute Distribution Inc., Shamrock Communications, Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC.

Effective January 1, 2022, the Plan was amended and restated to incorporate amendments made since the Plan's January 1, 2015 restatement, as well as to comply with other legislative and regulatory changes.

The Plan provides that an eligible participant may elect to defer a specific percentage of their annual compensation not to exceed \$20,500, \$27,000 for participants ages 50 or older. Effective February 1, 2018 the Plan was amended as follows. An eligible participant will automatically be enrolled by the employer to defer an amount equal to 3%, unless such participant affirmatively elects to defer a specific percentage or not to have the automatic deferral made on his behalf. In addition, effective February 1, 2018, an eligible participant who is contributing less than the 3% will be increased to 3% effective that date unless such participant has affirmatively elected to defer a specific percentage or not at all. Each January 1, the percentage of compensation deferred will be increased (automatic escalation) annually by one percentage point provided that such percentage does not exceed 25%. The automatic escalation provisions do not apply to the highly compensated employees and eligible participants who have affirmatively elected to defer a specific percentage or not at all.

The participant's direct the investment of their contributions into various investment options offered by the Plan. Each employer may, in its discretion, make a discretionary Nonelective Contribution to the Plan in an amount determined by the Plan Sponsor.

The abovementioned employer's contribution, along with participant's contributions, plan earnings (losses), and applicable expenses will be credited/debited to each participant's account.

Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the account.

Participants who have not terminated employment, may borrow from their fund accounts up to a maximum of \$50,000, and not to exceed 50% of the participant's vested interests in their account balance. The loans are secured by the balance in the participant's account and bear a rate of interest as set forth in the Plan document. Principal and interest is paid ratably through payroll deductions. Loans may be prepaid in whole or in part at any time.

Note 1 Description of the Plan (Continued)

Forfeitures were \$2,509 and \$1,256 during the years December 31, 2022 and 2021, respectively. The forfeiture balance at December 2022 and 2021 respectively is \$2,104 and \$1,270 and shall reduce future employer contributions or be applied against Plan expenses. Plan expenses were reduced by \$1,701 and \$0 from forfeited non-vested accounts in 2022 and 2021, respectively.

A more detailed explanation of the Plan, including but not limited to affirmative elections, automatic annual increases, allocation requirements, loans, vesting, and benefit provisions, is provided in Times-Shamrock Communications 401(k) Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management Review: Pursuant to FASB ASC 855, the Plan Administrator has evaluated subsequent events through October 12, 2023, the date which the financial statements were available to be issued.

Basis of Accounting: The financial statements of the plan are prepared using the accrual method of accounting.

Investment Contract with Insurance Companies: Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the Investment Contract.

Employer Contributions: Discretionary Nonelective Contributions by The Scranton Times, L.P. and adopting employers are made on a voluntary basis and are accrued based upon amounts actually computed. In addition, the sponsor as well as the adopting employer may elect to pay all administrative expenses associated with the plan but is not required to do so.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan's Management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. The pooled separate account are valued at their unit value as determined by Prudential Bank & Trust, FSB Company and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company. See Note 6 for discussion of Fair Value Measurements.

Interest Income: Interest Income is recorded on the guaranteed account and loan amounts on the accrual basis.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Net (Depreciation)/Appreciation in Fair Value of Investments: Dividends, realized and unrealized gains for the underlying funds are factored into the value of the pooled separate accounts reported by Prudential.

Notes Receivable from Participants: Notes Receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Operating Expenses: The Plan permits the payment of Plan Expenses to be made from the Plan's assets. Although under no obligation to do so, certain expenses to maintain the Plan were paid by the Company. Fees related to the initiation of notes receivable from participants are charged directly to the Participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments

Certain information related to the investments at fair value and at contract value as well as notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and December 31, 2021 and net appreciation/depreciation in fair value of investments and interest and dividends, and interest income – participant loans for the years ended December 31, 2022 and December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as completed and accurate by Prudential Bank & Trust, FSB Company (Prudential) and by Empower Annuity Insurance Company, formerly Prudential Retirement Insurance and Annuity Company (Empower).

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3 ERISA Section 103(a)(3)(C) - Certifications of Investments (Continued)

On April 1, 2022, Empower Annuity Insurance Company of America (EAICA), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (Empower) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.; Prudential Retirement Insurance and Annuity Company; Prudential Bank & Trust, FSB; Global Portfolio Strategies, Inc.; TBG Insurance Services Corporation; MC Insurance Agency Services, LLC; and Mullin TBG Insurance Agency Services, LLC. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company.

Note 4 Non-Participant Directed Investments

The following presents the change in net assets for Non-Participant Directed Investments at December 31, 2022:

Participant Loans Advanced	\$ 261,003
Participant Loans Repaid	(212,123)
Participant Loans Offset	
Terminated Participants	(41,418)
Interest Income From Participants Loans	24,437
Transfers to Participant Directed Investments	(24,437)
	<u>\$ 7,462</u>

Note 5 Investment Contract with Insurance Companies

The Plan entered into a benefit-responsive investment contract with Empower, (the Insurance Company), effective November 1, 2007. The Insurance Company maintains the contributions in a general fixed account.

The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specific interest that is guaranteed to the Plan.

As described in Note 2, because the investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by the Insurance Company, represents deposits made to the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed for resetting. The contract value of the investment contract at December 31, 2022 and 2021 was \$7,775,072 and \$7,971,261, respectively.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 Investment Contract with Insurance Companies (Continued)

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days. In addition, there are no events and circumstances that would permit the issuer to terminate the contract and settle at amounts that differ from contract value paid either within 90 days or over time.

Note 6 Fair Value Measurements

The Fair Value Measurements Accounting Literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. As of December 31, 2022, and 2021, the Plan did not have any Level 1, 2, or 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Are valued based on a "Unit of Account" with a value per unit based on the accumulation values of the underlying investments. Fair value is based on the Net Asset Value (NAV) of the units held in the underlying investments.

The following tables set forth, by level within the Fair Value hierarchy, the Plan's investing at Fair Value as of December 31, 2022 and 2021:

	<u>Fair Value Measurements at:</u>
	<u>Fair Value</u>

Note 6 Fair Value Measurements (Continued)

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use NAV:

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2022 and 2021, respectively.

Note 7 Related Party Transactions

The Plan's investments are maintained with Prudential as described in Note 5 and Note 6. Prudential is considered a party-in-interest, therefore, transactions qualify as party-in-interest transactions.

The Plan has an ERISA expense account. The Plan sponsor has entered into an agreement with Prudential in which the Plan is eligible to receive reimbursements from Prudential which can be used by the Plan to pay third party expenses. The Plan received \$12,000 per year from Prudential for the years ending December 31, 2022 and 2021 and is included in "Other" Contributions. Plan expenses paid were \$14,149 and \$22,243 for years ending December 31, 2022 and 2021, respectively. The balance in the ERISA expense account is \$3,696 and \$5,694 as of December 31, 2022 and 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 Risks and Uncertainties

The Plan invests in various investments through Prudential. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Total Income per Schedule H, Part II, Line 2.d. of Form 5500	<u>\$ (6,151,525)</u>	<u>\$ 5,321,752</u>

Note 10 Income Tax Status

The Plan's latest determination letter, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Prudential uses a Volume Submitter Plan. Accordingly, the Thompson Hine LLP DBA Plan Document System has received a favorable opinion letter dated September 16, 2022 in which the Internal Revenue Service states that their Volume Submitter plan, as adopted by the plan sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

TIMES-SHAMROCK COMMUNICATIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 10 Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 11 Plan Benefits and Termination

The Employers although not under obligation to make contributions to the fund, has not expressed any intent to discontinue contributions thereto or terminate the Plan subject to the provision of ERISA. In the event of termination of the Plan, all amounts credited to employee accounts will be fully vested and paid after expenses of termination have been paid. Depending on the facts and circumstances, a partial termination may occur where a significant number of employees are terminated by the employer or excluded from plan participation. In case of a partial termination only those affected employees will become 100% vested.

Note 12 Subsequent Events

On August 30, 2023, the Plan Sponsor, The Scranton Times, L.P. sold its newspaper publishing business. Also, on August 30, 2023, the following participating employers were sold: Absolute Distribution Inc., Pottsville Republican, Inc., Standard Speaker Publishing Company, LP, and Times Shamrock Creative Services, LLC. As a result of the sale, the employees of the companies sold are no longer participating in the Plan. The remaining operations, including radio and outdoor business units of the Plan Sponsor, as well as the sole remaining participating employer, Shamrock Communications, Inc., remain participants of the Times-Shamrock Communications 401(k) Plan.

As a result of the sale, the Plan Sponsor changed its name to Times Shamrock Media, L.P.
