This presentation was prepared as part of our audit, has consequential limitations, is restricted to those charged with governance and, if appropriate, management, and is not intended and should not be used by anyone other than those specified parties.

Matters to be Communicated to Those Charged with Governance

Generally accepted auditing standards (GAAS) require the auditor to ensure that those charged with governance receive information regarding the results of the audit that may assist those charged with governance in overseeing management's financial reporting and disclosure process. Below we summarize these required communications.

The Auditor's Responsibility Under Generally Accepted Auditing Standards

We were engaged to conduct an audit of the financial statements as of and for the year ended December 31, 2022 for YSK Corporation Retirement and Savings Plan. The financial statements are the responsibility of management. Our audit was designed in accordance with GAAS, which provides for reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. We have the responsibility to opine on whether the financial statements are fairly stated in accordance with accounting principles generally accepted in the United States of America.

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

In accordance with professional standards, we have obtained a substantially complete Form 5500 and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information.

As part of our audit, we obtained a sufficient understanding of the internal controls to plan our audit, to determine the nature, timing and extent of testing performed and not to provide assurance on internal controls.

We have issued our Independent Auditor's Report reflecting an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) for the year ended December 31, 2022.

Management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Company personnel throughout the course of our work.

Matters to be Communicated to Those Charged with Governance (continued)

Significant Accounting Policies

The significant accounting policies used by YSK Corporation Retirement and Savings Plan are described in the notes to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. The accounting policies used are appropriate and are in compliance with generally accepted accounting principles.

Management Judgments and Accounting Estimates

The preparation of financial statements requires the use of accounting estimates. Certain estimates are particularly sensitive due to their significance to the statements and the possibility that future events may differ significantly from management's expectations. The accounting estimates made by management for the preparation of the financial statements for the year ended December 31, 2022 were determined to be appropriate under generally accepted accounting principles. The following are the identifiable estimates in the financial statements:

1. Fair value of investments.

Management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in 2022.

Significant Unusual Transactions

The methods used to account for significant unusual transactions, those transactions that are outside the normal course of business or that otherwise are unusual based due to their timing, size or nature are considered appropriate.

There were no significant unusual transactions identified.

Financial Statement Disclosures

The overall goal of the disclosures in the financial statements is to provide relevant information to the reader in as neutral, concise, consistent and clear a manner as possible while also complying with the disclosure requirements of generally accepted accounting principles. In addition, the disclosures made also require judgment due to the potential sensitive nature of certain items. The disclosures made in the financial statements for the year ended December 31, 2022 were determined to be appropriate and in compliance with generally accepted accounting principles.

Unrecorded Audit Differences

No uncorrected misstatements were identified during the course of the December 31, 2022 audit.

Audit Adjustments

There were no audit differences noted during the December 31, 2022 audit.

Matters to be Communicated to Those Charged with Governance (continued)

Significant Changes to Planned Audit Strategy or Significant Risks Initially Identified

There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning Communications.

Significant Difficulties Encountered in Performing the Audit

We encountered no major difficulties in working with any company personnel while performing and completing our audit. Further, we encountered no difficulties of any other nature in completing our audit.

Disagreements with Management

We had no disagreements with management.

Representations the Auditor is Requesting from Management

See the attached copy of the management representation letter.

Significant Findings and Issues Involving Related Parties

We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.

Consultation with Other Accountants

We are not aware of management consulting with other independent accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.

Difficult or Contentious Matters

There were no difficult or contentious matters that we consulted with others outside the engagement team that we reasonably determined to be relevant to those charged with governance regarding their oversight of the financial reporting process.

Information from those Charged with Governance

There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.

Matters to be Communicated to Those Charged with Governance (continued)

Nature and Extent of Specialized Skills or Knowledge Relating to Significant Risks

There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.

Other Matters

There are no other matters that we consider significant to the oversight of the Plan's financial reporting process that have not been previously communicated.

Independence

Our engagement letter to you dated September 14, 2022 describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Plan with respect to independence as agreed to by the Plan. Please refer to that letter for further information.

Significant Issues Discussed with Management

We are required to communicate, in writing and in a timely manner, to those charged with governance all reportable findings and all material weaknesses and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a reportable finding, control deficiency, significant deficiency and material weakness are as follows:

Category	Definition
Reportable Finding	Matters that are one or more of the following: a. An identified instance of noncompliance or suspected noncompliance with laws or regulations, b. A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, c. An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention.
Deficiency in Internal Control	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis.

A reportable finding may also be considered a deficiency in internal control, a significant deficiency or a material weakness.

We considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

In conjunction with our audit of the Plan financial statements, we noted no material weaknesses.

Significant Issues Discussed with Management (continued)

In conjunction with our audit, we noted the following:

- We have communicated to Plan management reportable findings, that were identified as a result of our audit that we did not consider to be material weaknesses, significant deficiencies, or control deficiencies as follows:

Delinquent Remittances

During our audit, we noted several pay periods in which deferrals were withheld from employees' paycheck, but not transmitted to the Plan in a timely manner. The failure to transmit the payroll deferrals to Plan was caused by a change in the Plan trustee's recordkeeping system. The trustee's representative to the Plan advised them not to remit the payroll deferrals to the Plan until the Plan Sponsor's personnel had been appropriately trained on the new recordkeeping system. The trustee was unable to conduct that training in a timely manner and certain payroll deferrals from October 28, 2022 through December 31, 2022 were not remitted to the Plan until February 2023. We recommend that plan management consult an ERISA attorney, perform a missed earnings calculation on the affected payroll deferrals, and make a qualified nonelective contribution to the affected participants' accounts to make them whole and return the Plan to proper compliance.

Future Reporting Considerations

The accounting and financial reporting landscape continues to evolve as evidenced through recently issued standards and ongoing projects by the Financial Accounting Standards Board. As a matter for consideration, the following changes in accounting and regulatory guidance will be effective for the Company in future years:

- SECURE Act 2.0 Information

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. The most significant changes impacting existing plan provisions included updates to required minimum distributions (RMDs) and hardship distribution rules, expanded eligibility of part-time employees, modifications to catch-up contribution rules and options for the plan sponsor to make matching contributions to an employee's retirement account based on employee's student loan payment. Secure Act 2.0 amendments must be adopted by December 31, 2025, for calendar year plans. The Plan Sponsor should work with their service provider to ensure the plan document is updated in accordance with the provisions of SECURE Act 2.0. If you have any questions or need further assistance with this, please contact a member of your audit service team.

Dear Ladies and Gentlemen:

This representation letter is provided in connection with your audits of the financial statements and supplemental schedules of YSK Corporation Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the custodian for the period of January 1, 2021 to April 1, 2022, and by Empower Trust Company, the trustee for the period of April 2, 2022 to December 31, 2022, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Reliance Trust Company and Empower Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 16, 2023, the following representations made to you during your audits.

- The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows:
 - Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.
 - Pooled separate accounts are recorded at fair value based on the underlying investments as reported to the Plan by the custodian
 - Common collective trusts are valued at the net asset value (NAV) of units of the bank collective trusts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. For these funds, there are no unfunded commitments, redemption restrictions, and participant can transact daily
 - Guaranteed investment contracts are valued at fair value, by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.
 - The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- All required amendments to and filings of plan documents with the appropriate agencies have been made.

- We believe the form and content of the Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
