Part I	Asset and Liability Statement		
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditors' Report

Board of Trustees
Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
East Alton, IL

Opinion

We have audited the accompanying financial statements of Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan

The following description of Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan (the "Plan") provides only general information. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing pension plan with a 401(k) feature that provides an individual account for each participant. The Plan was established effective July 1, 1995, pursuant to a collective bargaining agreement ("CBA") between Plumbers and Pipefitters Local 553 (the "Union") and the participating employers (the "Employers") to provide retirement, death, and disability benefits to eligible participants and beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration of the Plan is the responsibility of the Board of Trustees ("Trustees") and is governed by a joint board consisting of equal representation from the Employers and the Union.

Eligibility

Employees who are engaged in covered employment by Employers become eligible to participate in the Plan when contributions are paid on their behalf pursuant to a CBA with the Union.

Employees become a participant in the profit sharing portion of the Plan on the day they have completed one or more hours of covered service.

Employees become a participant in the 401(k) portion of the Plan on the January 1st following the date they complete one or more hours of service in covered employment, provided timely application is made.

Contributions

Each Employer contributes to the Plan such amounts and at such times as required by the applicable provision of the CBA or such other agreements as are approved by the Trustees. Contributions are based on various hourly contribution rates for each participant's hours of service. Contributions are made on a monthly basis throughout the year.

Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Employees may make elective contributions through payroll deductions to the Plan under the 401(k) feature of the Plan between \$1 to \$12, in \$1.00 increments for each paid hour of employment with an Employer. As defined in the plan document, their deferrals may not exceed certain dollar limits established by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts

Each participant's account is credited with the participant's contribution each month in the amount the participant elected. Participant contributions are invested based on the participant's investment elections. The Employers' contributions, made on participants' behalf, are based on the CBA and are credited directly to their account each month, and are charged with an allocation of any administrative expenses paid by the Plan. These contributions are invested in the same manner as participant contributions based on their contribution investment election. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions under the 401(k) feature plus actual earnings thereon. Vesting in the Employer contributions, under the profit sharing portion of their accounts, are based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits

The Plan offers normal retirement benefit payments after the employee has retired from covered employment and begins receiving benefits under the Plumbers and Pipefitters Local 553 Pension Plan (or other United Association pension plans). Benefits for early retirement may begin when the employee reaches the age of 58 years with 10 years of service, or becomes disabled or separated from covered employment after twelve consecutive months. Employees must begin to receive benefits no later than April 1 of the year following the year in which they reach age 72.

A detailed description of all available elections for the payment of benefits is available in the summary plan description, which is provided to each participant.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Accordingly actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

Contributions Receivable

Contributions receivable represents Employer contributions as well as participant deferrals which are due to the Plan for hours worked prior to the end of the Plan year, but not received by year end. Contributions receivable are carried at reported amounts less an estimate for doubtful accounts based on a review of outstanding amounts. Management determines the allowance for doubtful accounts by regularly evaluating individual Employer contribution receivables and considers the Employer's financial condition, payment history, and current economic conditions. Contributions receivable are written off when deemed uncollectible. Management is of the opinion that no allowance is necessary as of December 31, 2022 and 2021.

Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan permits the payment of Plan expenses from Plan assets. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. The Plan shares certain administrative expenses with other related plans. In computing these allocated costs, various factors are considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plans.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets. |
| Level 2 | Inputs to the valuation method to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The instruments' fair value measurement levels within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Level 1 investments consist of registered investment companies ("mutual funds"). Mutual funds are recorded at the closing price reported by the fund. These are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Investments also include a common collective trust fund that is valued at the NAV of shares of the bank collective trust held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the trust. The NAV is used as the practical expedient to estimate fair value.

The fair value of investments is measured as of December 31, as follows:

2022				
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Registered investment companies	\$ 64,837,195	\$ 64,837,195	\$ -	\$ -
Total assets in fair value hierarchy	64,837,195	<u>\$ 64,837,195</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	<u>8,165,839</u>			
	<u><u>\$ 73,003,034</u></u>			
2021				
	Total	Fair Value Measurements		
		Level 1	Level 2	Level 3
Registered investment companies	\$ 80,494,842	\$ 80,494,842	\$ -	\$ -
Total assets in fair value hierarchy	80,494,842	<u>\$ 80,494,842</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	<u>8,998,789</u>			
	<u><u>\$ 89,493,631</u></u>			

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at fair value based on NAV per share as a practical expedient as of December 31, are as follows:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>2022</u>				
Common collective trust fund	\$ 8,165,839	N/A	Daily	N/A

4. Related Party Transactions

The Plan pays the Plumbers and Pipefitters Local 553 Pension and Health and Welfare Plans, an approved pro-rata basis of shared employee salary, employee benefits, and overhead costs. As of December 31, 2022 and 2021, the Plan recognized shared administrative expenses of \$16,510 and \$18,593, respectively. As of December 31, 2022 and 2021, \$36,331 and \$18,470, respectively, were due to the Health and Welfare Plan.

As of December 31, 2022 and 2021, \$985 was due from the Pension Plan for reimbursement of litigation proceeds.

5. Plan Amendments

Effective January 1, 2022, the Trustees approved an amendment to the Plan to indicate a surviving spouse may elect to waive the annuity benefit and receive the actuarial equivalent of the Pre-Retirement Surviving Spouse Benefit under either the Lump Sum Option, the Installment Payment Option, or the Flexible Payment Option.

On November 1, 2022, the Trustees amended the Plan to include the employees of the Plumbers and Pipefitters Local No. 553 Health and Welfare Trust and the Plumbers and Pipefitters Local No. 553 Journeymen and Apprenticeship Training Fund.

6. Plan Termination

Although it has not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan. Upon such termination, all participants will become fully vested in their accounts regardless of their years of service and the Trustees shall have the accounts settled and shall apply or distribute the Plan's assets in accordance with provisions of ERISA. In the event of termination, participants would become 100% vested in the Employers' profit sharing portion of their account.

7. Tax Status of Plan

The Internal Revenue Service has determined and informed the Trustees by a letter dated January 18, 2016, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Plumbers and Pipefitters Local 553 401(k) and Supplemental Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

In accordance with GAAP, the Plan's management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan's management believes the Plan is no longer subject to income tax examinations for years prior to 2019. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

8. Risks and Uncertainties

Financial instruments that subject the Plan to concentrations of credit and market risk consist of cash, investments and receivables. The Plan places all of its cash with major financial institutions. The accounts in those institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At December 31, 2022, there was \$606,588 cash balance in excess of federally insured limits.

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Contributions

The majority of receivables are from plumbing and pipefitter contractors primarily located in or working in Illinois. The Plan generally does not require collateral, but in some cases can require a performance bond.

9. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023 the Trustees amended the Plan to allow participants to elect to reduce their compensation in dollar measurements of \$1.00 to \$15.00 per hour of service.

Effective January 1, 2023, the Plan has been amended to be in compliance with the SECURE Act 2.0.
