INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Wirt County Health Association, Inc. 401(k) Plan
Wirt, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wirt County Health Association, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wirt County Health Association, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wirt County Health Association, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wirt County Health Association, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wirt County Health Association, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wirt County Health Association, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a -Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules

that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

1 – DESCRIPTION OF PLAN

The following description of the Wirt County Health Association, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a tax sheltered annuity plan as described under the Internal Revenue Code section 401(k). The Plan is participant directed and covers all employees of the Wirt County Health Association, Inc. (the Association) within one year following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions

Each year, participants 18 years of age or older with one year of service may contribute up to 100% of their W-2 compensation on a pre-tax basis, subject to the maximum allowable amount as set forth in the Internal Revenue Code. Participant contributions may be pre-tax salary deferrals or after-tax Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows rollover contributions from other qualified plans. The Plan allows for matching contributions whereby the Plan sponsor matches 100% of the first 3% deferred by the participant and 50% of any amount in excess of 3% to a maximum of 5%. In no event will the matching contribution exceed 4% of the participant's compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) The Plan's matching contributions (b) plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested in their contributions immediately. For non-elective contributions, participants vest according to the following schedule:

<u>Years of vesting service</u>	<u>Vesting Percentage</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of services for other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's account balance. Participants may elect to distribute their rollover contributions while in-service however other in-service distributions are not allowed unless the participant has demonstrated an undue financial hardship.

Notes Receivable from Participants

Loans will be permitted only from participant's elective deferral account. Participants may borrow from their account a maximum equal to \$50,000 of their account balance less the highest outstanding balance of loans in the past 12 months or one-half the present value of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the local prevailing rates. Principal and interest will be paid through payroll deduction consistent with the plan sponsor's normal payroll cycle.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$6,582 and \$6,488, respectively.

2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the gains and losses on investments bought and sold as well as held during the year.

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Administrative expenses paid by the Plan included investment fees and account withdrawal fees.

3 – INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Retirement (the custodian of the Plan). During the year, the Plan's former custodian – Mass Mutual – was acquired by Empower Retirement.

4 – FAIR VALUE MEASUREMENTS

Authoritative guidance issued by the Financial Accounting Standards Board established a fair value hierarchy that prioritize the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2: Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3: Inputs consist of unobservable inputs and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Methodologies: The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies: Valued using market quotations. Valued at closing accumulated unit value held by the Plan.

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

The Plan's assets at fair value as of December 31, 2022 are as follows:

	Fair Value Measurements at Reporting Date Using:		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant other Observable Inputs (Level 2)	Fair Value
Registered Investment Companies	\$ 3,690,638	\$ -	\$ 3,690,638
Total investments	\$ 3,690,638	\$ -	\$ 3,690,638

The Plan's assets at fair value as of December 31, 2021 are as follows:

	Fair Value Measurements at Reporting Date Using:		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant other Observable Inputs (Level 2)	Fair Value
Registered Investment Companies	\$ 4,226,742	\$ -	\$ 4,226,742
Total investments	\$ 4,226,742	\$ -	\$ 4,226,742

5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's position in the Massachusetts Mutual Life Insurance Company Fixed Account as of December 31, 2022 and 2021 is a traditional investment contract. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on an annual basis for resetting. The contract has no scheduled maturity date. The crediting rate at December 31, 2022 and December 31, 2021 was 1.65% and 1.90%, respectively.

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic conditions and regulatory changes.

Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401 (a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501 (a) of the Internal Revenue Code.
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes in the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other plan sponsor events (for example, divestiture or spinoffs of a subsidiary) that significantly affect the Plan's normal operation.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligations under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

The contract value of the fixed account was \$21,099 and \$16,728 as of the year ended December 31, 2022 and 2021, respectively.

6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participant accounts will be made as permitted under federal law.

Wirt County Health Association, Inc. 401(k) Plan

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

7 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated March 31, 2014, that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

COVID-19

During the year ended December 31, 2020, the World Health Organization declared the outbreak of COVID-19, a novel strain of the Coronavirus, a pandemic. The coronavirus outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of the outbreak on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak. The financial statements do not reflect any adjustments as a result of the increase in economic uncertainty.

9 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Plan Sponsor, and certain others. During the years ended December 31, 2022 and December 31, 2021, transactions with parties-in-interest primarily included certain administrative functions performed by the Plan Sponsor and employees of the Plan Sponsor at no cost to the Plan. Certain investments of the Plan include accounts invested with the custodian.

10 – SUBSEQUENT EVENTS

The Plan's management has evaluated events and transactions occurring after December 31, 2022 through the date of the Auditors' report, which is the date the financial statements were available to be issued.
