INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
TEMEG Holdings, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of TEMEG Holdings, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TEMEG Holdings, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TEMEG Holdings, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TEMEG Holdings, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TEMEG Holdings, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the TEMEG Holdings, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of TEMEG Holdings, Inc.; GEM Edwards, Inc.; Edwards Health Care Services, Inc.; T.J.E. Real Estate, Ltd.; Advanced Health Care Technologies, Inc.; Advanced Fulfillment Services; and GemCare Wellness (collectively, the Company) who meet the minimum service requirements, with the exception of students. From January 1, 2021 through March 19, 2021, employees were eligible to participate in the Plan upon completion of three months of employment, 250 hours of service, and having attained age 18, as defined by the Plan. After March 20, 2021, employees are eligible to participate in the Plan upon completion of one month of employment and having attained age 18, as defined by the Plan. This eligibility becomes effective on the first day of January or July following attainment of age and service requirements. The Company is responsible for oversight of the Plan. The Company determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

CONTRIBUTIONS

A participant may contribute, through payroll reductions, from 1% to 100% of their compensation on a pre-tax basis, up to the maximum dollar amount set by the Internal Revenue Code (IRC). Effective March 15, 2022, the Plan document was amended to include a provision for automatic deferral elections. Participants may also contribute amounts representing distributions from other qualified plans. Catch-up contributions are also permitted. The maximum limitations as defined in the Code are up to \$20,500 for the year ended December 31, 2022 and \$19,500 for the year ended December 31, 2021 (plus catch-up contributions of \$6,500 in 2022 and 2021). Additionally, the Company may make discretionary matching contributions and profit sharing contributions as determined by the Board of Directors. These employer contributions will be made to participants who have completed at least 500 hours of service during the Plan year and are employed by the Company on the last day of the Plan year. Finally, the Company may make qualified non-elective contributions to eligible participants who are non-highly compensated and who are employed by the Company during the Plan year. The Company had discretionary profit sharing contributions of \$76,020 and \$0 for the years ended December 31, 2022 and 2021, respectively.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any employer contributions, and any earnings thereon, and charged with an allocation of administrative expenses. Allocations of the employer discretionary matching contributions will be made in accordance with a formula as determined by the Company. Allocations of the employer profit sharing contributions and qualified non-elective contributions will be allocated to the participant's account based on the participant's compensation.

Allocations of the earnings and expenses are based on the participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their elective deferrals, rollover contributions, and qualified non-elective contributions. Vesting in the Company's discretionary matching contributions and profit sharing contributions are based on years of vesting service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3 years	0%
3 or more years	100%

PAYMENT OF BENEFITS

Upon termination of service due to disability, retirement, or separation of service, a participant or beneficiary may elect to receive a lump-sum amount of the participant's vested interest in his or her account. Upon termination of service due to death, the participant's entire account must be distributed by December 31 following the fifth anniversary of their death if no distribution has been taken prior. If distribution of the participant's account has started prior to the participant's death, it will continue under the same method. If the distribution method was not in the form of an annuity then the remaining balance of the participant's account must be made by December 31 following the fifth anniversary of the participant's death. Distributions from the participant's rollover contribution account may be taken at any time. In the case of a severe financial hardship, the Company, in its sole discretion, may direct distribution of all or a portion of the participant's voluntary contributions, subject to certain restrictions. If a participant has a vested account balance of \$1,000 or less and has terminated employment, the entire balance of the participant's account must be distributed.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under GAAP are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability and that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts – Valued at the fair value of the underlying investments, which represent the net asset value (NAV) of the account. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled separate accounts	<u>\$ 7,204,568</u>	N/A	Daily	Daily

The following table sets forth investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled separate accounts	<u>\$ 7,753,448</u>	N/A	Daily	Daily

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

As of December 31, 2022 and 2021, there are no Plan assets included within the fair value hierarchy.

NOTE 5 – TAX STATUS

On January 1, 2009, the Plan adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement. The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective March 20, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement. The Non-Standardized Pre-Approved Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2022 and 2021 are invested in funds issued by John Hancock Life Insurance Company (USA). John Hancock Life Insurance Company (USA) is the trustee as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions.

An owner of the Company is an employee of Ameriprise Financial. Ameriprise Financial is currently providing financial advisory services to the Plan. The transaction is exempt from prohibited transaction rules because it is permitted by a statutory exemption under ERISA.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
