INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
White Transportation Services 401(k) and Retirement Plan
Lubbock, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of White Transportation Services 401(k) and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits and of accumulated plan benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of White Transportation Services 401(k) and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of White Transportation Services 401(k) and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about White Transportation Services 401(k) and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of White Transportation Services 401(k) and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about White Transportation Services 401(k) and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF THE PLAN

White Transportation Services, Inc. (the "Company") is the plan sponsor for the White Transportation Services 401(k) and Retirement Plan ("the Plan"). The Plan was established January 1, 2022. Participants should refer to the plan documents for a complete description of plan provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Eligible employees make contributions to the Plan at rates which they set. Employer contributions are discretionary.

Administration

Anthony Durham and Michael Durham serve as trustees for the plan. The Plan has contracted Empower Annuity Company of America (the "Recordkeeper"), Nova 401(k) Associates (the "Administrator"), Commerce Street Investment Advisor d.b.a. Commerce (the "Investment Advisor"), and Equitable Advisors LLC (the "Broker") to ensure the plan is managed effectively.

Eligibility

Employees of the Company and its affiliate High-Plains Truck Repair become eligible for the Plan when they attain age 21 and have worked for the Company for a minimum of 60 days during which they complete at least 1 hour of service. Employees may enter the plan on January 1, April 1, July 1, and October 1 of each year.

Employee Contributions

Employees determine how much they would like to contribute to the Plan, either as a percentage of gross wages or as a flat dollar amount. They may contribute up to 90% of their compensation, subject to the limits implemented by the Internal Revenue Service. Contributions may be made pre- or post-tax. Changes to contribution rates may be made effective as of each pay period. Employees may make rollover contributions to the plan even if they have not yet met the eligibility requirements of the plan.

Employer Contributions

The Company matches 50% of employee contributions up to 4% of plan compensation.

Investments

The Plan participants may direct the investments of their accounts amongst one or more investment funds. The Plan is intended to constitute a plan described in section 404(c) of ERISA, which means Plan fiduciaries may be relived of liability for participant losses that are the result of participant investment elections. The investment fund options include a variety of stock, bond, and money market funds with different levels of risk and related earnings. These investment funds are held inside an account with the Broker. The Recordkeeper periodically provides statements documenting investment and other account history, current market values, and other information to the Trustees. Accounts are valued each business day.

NOTE A – DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Each participant's employer contributions, if applicable, vest over a period of six years as follows:

Year	Vesting Percentage
< 2 Years	0%
2 Years	20%
3 Years	40%
4 years	60%
5 Years	80%
6 Years	100%

A participant becomes fully vested upon his or her attainment of age 65. The employer may also make safe harbor contributions, which are 100% vested immediately. In 2022, all employer contributions were safe harbor contributions.

At December 31, 2022, all participants were fully vested in their accounts. The vested balance of participant accounts is $268,738.

Loans

Participants may request loans from the Plan. At December 31, 2022, there was one participant loan outstanding in the amount of $4,105. The interest rates on the outstanding balance range from 7.50% to 8.25% and have terms between 12 and 60 months.

Payment of Benefits

Distributions can be made to participants after they have retired, are permanently disabled, have attained age 59.5, are terminated, are taking a hardship withdrawal, or have died. Requests for withdrawals can be made by participants on the Recordkeeper's website. Distributions may be all or part of a participant's vested account.

Termination of the Plan

The Company may terminate the plan at its own discretion. Participants become 100% vested in their accounts in the event of a termination.

The Company has no plans to terminate the plan as of October 14, 2023, the date the financial statements were available to be issued.

NOTE B – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared in accordance with the accounting principles generally accepted in the United States of America ("US GAAP") and accordingly are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Valuation of Investments

The Plan's investments are stated at fair value based on quoted market prices. Loans are valued at cost, which approximates fair market value.

The Statement of Changes in Net Assets reflects the net appreciation (depreciation) in the fair value of its investments, which includes the realized and unrealized gains and losses on those investments. Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued when earned, if applicable. Dividend income is recorded on the ex-dividend date, if applicable.

Operating and Administrative Expenses

Operating expenses include, but are not limited to, audit fees, custodial fees, transfer taxes, brokerage fees, processing fees, and other taxes and fees associated with the operation of a separate account. They are paid by the Company. Operating expenses paid by the Company for the year ended December 31, 2022 are $6,188. Administrative expenses associated with the Plan are paid by the Plan. The Plan incurred administrative fees of $1,981 during the year ended December 31, 2022.

NOTE C – INVESTMENTS

FASB ASC 820-10 requires that investments be measured at fair value using one of three levels. Level 1 measurements use unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 measurements generally use available indirect information, such as quoted prices for similar assets or liabilities in active markets, quote prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable for the asset or liability, such as interest rates or yield curves. Level 3 measurements are the most subjective and are generally based on the entity's own assumptions developed using the best information available in the circumstances.

NOTE C – INVESTMENTS, CONTINUED

The Plan's investments in mutual funds and participant loans were valued using Level 1 measurements. Investments are valued as follows for the year ended December 31, 2022:

	Fair Value	% of Total
American Funds 2025 Trgt Date Retire R 6	$59,138	22.1896%
American Funds 2035 Trgt Date Retire R 6	70,757	26.5493%
American Funds 2050 Trgt Date Retire R 6	31,975	11.9976%
Other Investments	104,642	39.2635%
Total Investments	$266,512	100.0000%

Unrealized depreciation on investments held by the Trustee was $20,217 for the year ended December 31, 2022.

NOTE D – INCOME TAX STATUS

The Plan is operated by White Transportation Services, Inc. The Plan operates as a qualified plan of an organization under IRC §401(a). The Plan is pre-approved by the IRS. As such, the Company relies on the opinion letter obtained from the IRS by the Administrator.

2022 is an open audit year for the Plan.

NOTE E – RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks including interest rates, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits. The Plan assets are not covered under any collateralization agreements or other credit risk mitigating financial arrangements.

NOTE F – RELATED PARTIES

The Plan's sponsor pays audit fees and any other expenses which may arise on behalf of the Plan.

The Trustees are participants in the Plan.

NOTE G – UNAUDITED INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's assets were held by the Broker during the year ended December 31, 2022. The Plan's financial statements are presented based on information certified by the Recordkeeper as complete and accurate in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE H – SUBSEQUENT EVENTS

Management evaluated subsequent events through October 14, 2023, the date on which the financial statements were available to be issued. No other subsequent events were noted.
