INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Peak Achievement Athletics 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Peak Achievement Athletics 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Peak Achievement Athletics 401(k) Retirement Plan 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Peak Achievement Athletics 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peak Achievement Athletics 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peak Achievement Athletics 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peak Achievement Athletics 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived

from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of Peak Achievement Athletics 401(k) Retirement Plan were audited by Melanson P.C. (Melanson), whose practice merged with Marcum LLP as of January 1, 2023. Melanson performed an audit of the 2021 financial statements of Peak Achievement Athletics 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. The report dated August 4, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

PEAK ACHIEVEMENT ATHLETICS 401(k) RETIREMENT PLAN

Notes to Financial Statements
As of December 31, 2022 and 2021 and
For the Year Ended December 31, 2022

1. Description of Plan

The following description of the Peak Achievement Athletics 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering all eligible employees of Bauer Hockey, LLC and the following related participating employers: Cascade Maverik Lacrosse, LLC, Bauer Hockey Retail, LLC, and Bauer Innovations US, LLC (collectively, the "Company," the "Employer" or the "Plan Sponsor"). The Plan was established effective May 1, 2008 and amended and restated on January 1, 2021, October 11, 2021 and March 21, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan Administration

The Plan administrator is the Company. Fidelity Management Trust Company ("FMTC"), a subsidiary of Fidelity Management & Research Company ("Fidelity Investments") serves as the trustee of the Plan and Fidelity Workplace Services, LLC ("FWS"), also a subsidiary of Fidelity Investments, serves as the Plan's recordkeeper.

The Company oversees management of the Plan. Responsibilities include, but are not limited to, selecting and monitoring the Plan's service providers, such as recordkeeper and directed trustee as well as maintaining an appropriate selection of investment options under the Plan based on the Plan's investment policy, in consideration of performance of the Plan's investments.

Eligibility

All employees of the Company are immediately eligible to participate in the Plan on their hire date. The Plan does not cover leased employees, interns, seasonal employees or temporary employees. Participation in the Plan can begin immediately upon meeting the eligibility requirements.

Participant Contributions

Each year, participants may contribute the lesser of the maximum percentage allowable, not to exceed the limits of the Internal Revenue Code (the "IRC") Sections 401(k), 402(g), 404 and 415, or 50% of eligible compensation, as defined in the Plan. The maximum dollar

amount of elective salary deferrals for the year ended December 31, 2022 was \$20,500. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions of up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover contributions”).

Participants may also elect to contribute to the Plan, on an after-tax basis, by designating some or all of their contributions as Roth 401(k) deferrals. These after-tax contributions, plus the earnings accumulated thereon, may be withdrawn tax-free provided the withdrawal is a qualified distribution, as defined in the plan document.

Employer Contributions

The Plan qualifies as a “Safe Harbor 401(k) Plan” whereby the Company contributes 100% of the first four percent (4%) of eligible base compensation that participant contributes to the Plan (the “Safe Harbor Matching Contribution”). Safe Harbor Matching Contributions are 100% vested and are allocated to the investment options in the same proportion as the participants’ contributions.

The Company, at its discretion, may make additional matching employer contributions on behalf of each eligible participant in an amount equal to the percentage of the eligible contributions made by each eligible participant.

The combined contributions by the participant and the Company may not exceed limits prescribed by the IRC. The maximum annual combined contributions for the year ended December 31, 2022 was the lesser of 100% of each participant’s annual compensation, or the dollar limitation of \$67,500.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, employer contributions, Plan earnings (losses), and forfeitures. The allocation of earnings (losses) is based upon the participant’s account balances, as defined by the Plan. Participant accounts are charged with an allocation of certain administrative expenses, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

The Plan offers various mutual funds and a common collective trust fund as investment options for participants. Participants direct the investments of all employee contributions and employer contributions into various investment options offered by the Plan. Participants may change their investment elections at any time for both existing account balances and future contributions.

Vesting and Withdrawals

Except as noted below, participants are vested immediately in their contributions plus actual earnings thereon. Participants are immediately vested in the Company's employer contributions.

On termination of service due to death, disability, retirement or for other reasons, a participant can elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or retain the participant's vested interest in the Plan. Each active participant, prior to termination of employment and who has attained age 59½, may withdraw any portion of his or her vested account balance from the Plan.

The Plan provides for hardship withdrawals, as set forth in accordance with applicable sections of the IRC not to exceed a participant's actual contributions to the Plan. Participants must show that they are suffering an immediate and heavy financial hardship and that the money cannot be obtained from any other source. Hardship withdrawals are limited to the amount necessary to satisfy the financial need. Circumstances that qualify as an immediate and heavy financial hardship are defined in the plan document. Upon qualification for financial hardship, a participant is entitled to the value of his or her deferral and the vested portion of the Company's contributions, determined as of the valuation date, which is payable immediately in a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their accounts amounts between \$1,000 up to a maximum of \$50,000 or 50% of their vested interest in the Plan, whichever is less. Loan terms range from one (1) to five (5) years, with the exception of loans used to purchase a participant's principal residence. Upon default on a loan, the participant is considered to have received a distribution and is subject to income taxes on the distributed amount.

The loans are secured by the balance in the participant's account and bear interest at rates as determined by the plan administrator based on prevailing interest rates. Principal and interest is paid ratably through payroll deductions.

At December 31, 2022 and 2021, notes receivable from participants totaling \$238,437 and \$323,319, respectively, were outstanding at interest rates ranging from 4.25% and 5.00% and mature on various dates through 2027.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture, as defined by the Plan. Any forfeitures occurring during a Plan year may be used to pay administrative expenses under the Plan at any time, if so, directed by the plan administrator. Any forfeitures not used to pay administrative expenses under the Plan shall be applied to reduce the contributions of the Employer for the immediately following Plan Year. The Employer may decide in its discretion how to treat forfeitures under the Plan, which includes reducing Employer Safe

Harbor Matching Contributions and/or for the payment of Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$14, respectively.

Administrative Expenses

Investment related expenses are included in net depreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits. Certain plan administration fees are allocated to participant accounts, as defined by the Plan. Transaction based fees such as fees charged to participants for borrowing against their account balances and benefits paid to participants are paid by the participants and are charged directly to the participant's account. For the year ended December 31, 2022, expenses paid by the Plan totaled \$81,492 and consisted of recordkeeping and investment advisory fees, which are recorded as administrative expenses on the accompanying statement of changes in net assets available for benefits. Certain administrative expenses of maintaining the Plan are paid by the Company, as defined by the Plan, and are not included in these financial statements.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, except for benefits, which are recorded when paid, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 3 – Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Contributions

Contributions made by participants and the Company are recorded on an accrual basis. Contributions are recognized during the period in which the related compensation was paid.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

3. Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820 – *Fair Value Measurements and Disclosures* (“ASC 820”) defines fair value and establishes a framework for measuring fair value through a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value (there have been no changes in the methodologies used as of December 31, 2022 and 2021):

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies (mutual funds) held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>

Investments at Fair Value	\$ 40,197,241	\$ -	\$ -	\$ 41,144,524

^(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.

Investments Measured Using Net Asset Value Per Share Practical Expedient

The net asset value (NAV) of common collective trusts are not publicly quoted. ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of common collective trusts as long as certain requirements are met. The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2022:				
WT G Retire Inc F35	\$ 858,293	None	Daily	(b)
December 31, 2021:				
WT G Retire Inc F35	\$ 947,283	None	Daily	(b)

(b) No redemption period is required for participant initiated transactions. Plan level withdrawals require twelve months advance notice.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. Tax Status

The Plan is a prototype plan offered by Fidelity Investments designed to be qualified under the applicable provisions of the IRC and is not subject to federal and state income taxes. The prototype plan obtained an opinion letter from the Internal Revenue Service dated June 30, 2020, informing the prototype plan sponsor that the prototype plan was acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Although the prototype plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has evaluated the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

6. Information Certified by the Plan Trustee (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, FMTC.

7. Related Parties and Parties-in-Interest

ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan.

FWS also provides investment advisory services to the Plan. All transactions with FMTC, the trustee for the Plan, and FWS, the recordkeeper, or Fidelity Investments qualify as party-in-interest transactions.

Morgan Stanley provides additional investment advisory services, which qualify as party-in-interest transactions.

Also, certain administrative functions are performed by officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan. The Plan extends loans to participants who are considered parties-in-interest; therefore, these transactions qualify as parties-in-interest transactions.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant's account balances and amounts reported in the statements of net assets available for benefits.

9. Concentrations

At December 31, 2022 and 2021, one investment accounted for approximately 15.5% and 14.6% of the Plan's total investments, respectively.

10. Subsequent Events

Management has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued. There were no events identified requiring recognition or disclosure in the financial statements.
