INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
BioMed Realty 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of BioMed Realty 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the 2022 financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The December 31, 2021, financial statements of the Plan were audited by LTSP, Inc. ("LTSP"), whose practice merged with Marcum LLP as of June 1, 2022. LTSP performed an audit of the December 31, 2021 financial statements of BioMed Realty 401(k) Retirement Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the December 31, 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 7, 2022 indicated that (a) the amounts and disclosures in the December 31, 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the December 31, 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The report also indicated that the form and content of the December 31, 2021 supplemental schedule, other than the information in the December 31, 2021 supplemental schedule that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the December 31, 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the BioMed Realty 401(k) Retirement Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement and its amendments for a more complete description of the Plan’s provisions.

GENERAL

The Plan was adopted on January 1, 2005, to qualify as a defined contribution retirement plan for the eligible employees of BioMed Realty, L.P. (the “Company” or “Employer”). The Plan has a pre-tax salary reduction provision as defined under §401(k) and an Employer matching contribution under §401(m) of the Internal Revenue Code (the “IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. The Plan has adopted certain provisions of the CARES Act. Formal adoption of such provisions of the CARES Act is required to occur on or before December 31, 2025.

PARTICIPANT ELIGIBILITY

All employees of the Company are eligible to participate in the Plan except for those classified as interns, covered by a collective bargaining agreement, nonresident aliens, leased employees and independent contractors. Each of the Company’s eligible employees may participate in the Plan 30 days after the first day of employment.

CONTRIBUTIONS

Participant Contributions

Participants may make pre-tax elective deferral contributions up to 100% of their compensation, as defined by the Plan, subject to the limitations set forth by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants have the option to designate all or any portion of their elective deferral contributions to be withheld on an after-tax basis as Roth elective deferral contributions. Eligible employees are automatically enrolled in the Plan with a minimum deferral rate of 3%. The deferral rate increases 1% each year until the participant’s deferral rate reaches 10%. A participant may elect to have a higher or lower deferral rate or can elect to opt out of the Plan.

The Plan allows participants to make rollover contributions from other qualified plans.

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Company Discretionary Matching Contributions

The Company may make discretionary matching contributions each year, based on a percentage of each participant's salary deferrals to be calculated on a per pay period basis. For the year ended December 31, 2022, the Company elected to make discretionary matching contributions equal to 50% of each participant's elective deferral up to 6%, for a maximum matching contribution of 3% of compensation, as defined by the Plan. The Plan provides for an employer matching "true-up" calculation as of the plan year end. This "true-up" calculation is funded after the plan year end.

The Company may elect to make an additional matching contribution each year, based on a percentage of each participant's salary deferrals and pay for the entire plan year. The additional matching contribution must be made for all persons who were active participants at any time during the plan year. The total additional matching contribution must be greater than the total discretionary matching contributions made during the plan year. The Company did not make an additional matching contribution for the year ended December 31, 2022.

Other Company Contributions

The Company may make qualified non-elective Employer contributions as necessary to satisfy various limitations. If necessary, the Company shall contribute an amount determined by them, but not to exceed 5% of the sum of all eligible persons' pay. These qualified non-elective contributions shall be allocated only to nonhighly compensated employees who were active participants at any time during the plan year. The Company did not make a qualified non-elective employer contribution for the year ended December 31, 2022.

The Company may make a discretionary contribution to the Plan as of December 31st of each year. The discretionary contribution shall be made in an amount determined by the Company and allocated to all eligible employees in the same ratio as the employee's compensation bears to total compensation of all eligible employees. Employees must be employed on the last day of the Plan year and be credited with 1,000 hours of service during the plan year in order to be eligible to receive a Company discretionary contribution. The Company did not make a discretionary contribution for the year ended December 31, 2022.

PARTICIPANT DIRECTED INVESTMENTS

A participant may choose among various funds in which his or her respective contribution and Employer contributions may be invested subject to the limitations described in the Plan.

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with their contributions, the participant's allocation of the Company's contributions, and Plan earnings less an allocation of investment and operating expenses charged to the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions.

VESTING

Participants are fully vested in their pre-tax or Roth deferral contributions, rollovers contributions, and all Company contributions plus actual earnings thereon, immediately upon entry to the Plan.

UNALLOCATED PLAN ASSETS

As of December 31, 2022 and 2021, there were no unallocated Plan assets.

PAYMENTS OF BENEFITS

Plan benefits are distributed in a lump sum or in the form of a deferred payout upon normal retirement age of 65, death or total disability prior to retirement. Upon termination of employment by reason other than retirement, death or total disability, a participant may request to receive a cash distribution of his or her account.

Active participants may withdraw in a single sum any part of their vested account resulting from rollover contributions at any time, any part of their vested account resulting from elective deferral contributions in the event of undue financial hardship, or any part of their account upon attainment of age 59 ½.

BIOMED REALTY 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENTS OF BENEFITS (CONTINUED)

In accordance with the Plan provisions and the IRC, participants that have reached the age of 72 or older are required to receive Required Minimum Distributions.

Upon termination, a participant's total vested benefit of less than \$5,000 is subject to an involuntary cash-out distribution even if the participant does not consent to a distribution. Any distribution greater than \$1,000 but less than \$5,000 that is made without the participant's consent will be rolled over to an individual retirement plan with Principal Life Insurance Company, which is an affiliate of Principal Trust Company ("Principal").

PLAN ADMINISTRATIVE EXPENSES

The Company provides or pays for certain accounting, legal and management services without charge to the Plan. Expenses paid by the Company are not included in these financial statements. Fees related to the administration of notes receivable from participants and certain fees related to distributions are charged directly to participant's accounts are included in administrative expenses. Investment related expenses are included in net depreciation in fair value measurements.

Certain pooled separate accounts may provide a fee credit based on, and limited to, the amount of revenue sharing, if any, provided to the recordkeeper. Revenue sharing fees are paid by certain investment funds held by the Plan. These fees are credited back to the Plan and have been included as a reduction to administration expenses on the statement of changes in net assets available for benefits. Total revenue sharing fees of approximately \$600 is included as a reduction of administration expenses for the year ended December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits payments to participants are recorded upon distribution.

INVESTMENT VALUATION AND INCOME RECOGNITION

All investments are carried at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is accrued as earned. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company, dba Principal Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditor.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021:

Mutual Funds

These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts

The Plan participates in a contract with Principal, the insurance contract issuer, whereby the assets of the Plan are pooled with those of other unrelated plans. The Plan owns units of participation in the fair value of the account's underlying assets. Principal holds these assets in trust for the participating plans. These investments are public investment securities valued using the Net Asset Value ("NAV") as the practical expedient as provided by Principal. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will be sold for an amount different than the reported NAV. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will be sold for amount different than the report NAV. The NAV is quoted on a private market that is not active, however, the unit price is based on the underlying investments. A majority of the investments held by each fund are traded on an active market.

Common/Collective Trust Funds

These investments, with the exception of the Principal Stable Value Fund, are valued using NAV as a practical expedient provided by the trustee. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments held by each fund. A majority of the investments held by each fund are traded on an active market.

The Principal Stable Value Fund (common/collective trust fund) is valued at NAV as a practical expedient based on contract value, which represents invested principal plus accrued interest, less expenses thereon. In determining contract value, the fund manager considers such factors as the benefit responsiveness of the contacts and investments held by the fund, the ability of the parties to the contracts and investments to perform in accordance with the terms of the fund and the likelihood of default by the issuer of an investment security. While the fair value of the investments in the Principal Stable Value Fund are determined by the investee's trustee based on the fair value of the underlying securities within the investment at the fund level, the fair value of the investment as reported by the investment custodian at the Plan level is based on NAV as the practical expedient which is contract value. Contract value is the relevant fair value for such an investment as that is the value of that participant's transactions are reported.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following presents additional information relative to the investments reported at net asset value as of December 31, 2022 and 2021.

The pooled separate account investment funds are subject to the redemption frequency of one transaction per thirty day period. There are no other redemption restrictions, redemption notice requirements, or unfunded commitments related to the pooled separate account investment funds as of December 31, 2022 and 2021.

The common/collective trust funds offered in the Plan are subject to a daily redemption frequency. The only other redemption restriction is the Principal Stable Value Fund is subject to a deferral of redemption requests of up to twelve months, at the discretion of the trustee. There are no redemption notice requirements or unfunded commitments as of December 31, 2022 and 2021.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

The Plan has adopted a non-standardized prototype plan which received a favorable opinion letter on June 30, 2020 from the Internal Revenue Service stating that the non-standardized prototype plan document as then designed was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 7 - TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods pending or in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal. The Plan also has investments in common/collective trust funds which is managed by a subsidiary of Principal. Delaware Charter Guarantee and Trust Company, dba Principal Trust Company, is the trustee and record-keeper as defined by the Plan.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to the trustee, other investment custodians and investment advisors.

Additionally, as noted in Note 1, certain administrative expenses related to participant related activity and Plan record keeping fees are paid directly to the trustee.

The Plan also allows for the issuance of notes receivable from participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 16, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements:

NOTE 9 - SUBSEQUENT EVENTS (CONTINUED)

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

An amendment was made to the Plan effective January 1, 2023, which allows for voluntary contributions (after tax) up to 10% of compensation, as well as permits in-plan Roth rollovers.
