INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
Hodge Company Employee Retirement Savings Plan
Dubuque, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hodge Company Employee Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hodge Company Employee Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hodge Company Employee Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hodge Company Employee Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hodge Company Employee Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of [Hodge Company Employee Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HODGE COMPANY EMPLOYEE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1—DESCRIPTION OF PLAN

The following description of Hodge Company Employee Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering employees of Hodge Company (Company) who are at least 18 years of age. Employees of TM, Inc. are also eligible to participate in the Plan. Employees can contribute to the plan at the start of the first quarter after employment and are eligible for Company match after completing one year of service of at least 1,000 hours. Effective September 1, 2020, employees are eligible for a non-elective employer contribution after they have completed one year of service of at least 1,000 hours and are employed on the last day of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings, monitors investment performance, and report to the company owners.

Contributions. Each year, participants may contribute up to 50% (75% as of September 1, 2020) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, collective investment trust funds, and a money market fund as investment options for participants. The employer's matching contribution is 25% of the employee's elective deferral up to 20% of compensation. Additional amounts may be contributed at the option of the Company's board of directors. No additional amount was contributed in 2021. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their voluntary contributions and Company contributions plus actual earnings thereon, regardless of their hire date. Employees hired prior to September 4, 2007, are also immediately vested in their Company contributions plus actual earnings thereon. Employees hired on or after September 4, 2007, are fully vested in their Company contributions after five years of credited service. Participants who terminate employment before becoming fully vested receive only the vested portion of their account balances.

Payment of Benefits. Upon termination of service due to retirement, a participant with a vested balance greater than \$5,000 may elect to receive a lump-sum payment equal to the value of his or her vested account, ad-hoc distributions subject to timing and amount limits, or monthly installments for a period not continuing beyond the life expectancy of the participant, as outlined in the plan document. On termination of service for any other reason, a participant with a vested balance

NOTE 1—DESCRIPTION OF PLAN (continued)

greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's account or receive ad-hoc distributions subject to plan limitations. Participants terminating employment for any reason with vested balances of \$5,000 or less will receive lump-sum payments upon termination of service.

Hardship Distributions. Participants may elect to withdraw all or a portion of their vested balance if they incur a financial hardship. The amount is limited to that necessary to meet the financial need. A hardship is considered any one of the following: deductible medical expenses, expenses to repair damages to principal residence, post-secondary tuition for the participant, spouse or dependents, the purchase (excluding mortgage payments) of a principal residence for the participant or payment needed to prevent the eviction of the participant from his principal residence and funeral or burial expenses for parents, spouse, children, and dependents.

Notes Receivables from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The notes bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0 and \$7,877, respectively. These accounts are used to reduce future employer contributions or allocated to participant accounts. In 2021, \$28,333 from forfeited nonvested accounts were used to reduce plan expenses.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

December 31, 2021 and 2020

NOTE 2— SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced or offset. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Payment of Benefits

Payments of benefits are recorded when paid. There were no requested distributions that were not paid out by December 31, 2021.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions and quarterly asset fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

The Plan has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.

NOTE 3—EXCESS CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to distributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021.

NOTE 4—FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. Although the Plan believes its valuation methods are appropriate and consistent with other market

NOTE 4—FAIR VALUE MEASUREMENTS (continued)

participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan use appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because the generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of money market and mutual funds are valued at net asset value of shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of collective investment trust funds are valued at their net asset value (NAV), which is in turn based on the NAV of each portfolio in which it invests, which are classified as Level 2. The NAV of each Portfolio is determined based on the policies contained in each Portfolio's financial statements. The NAV per unit of each class equals the total value of its assets, less its liabilities, divided by the number of its outstanding units. Each portfolio uses its investments for which market quotations are readily available at fair market value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

NOTE 4—FAIR VALUE MEASUREMENTS (continued)

Fair Value Measurements at December 31, 2021 Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Money market funds	\$ 559,958	\$ 559,958	\$ -
Collective investment trusts	7,418,498	-	7,418,498
Mutual funds	14,143,644	14,143,644	-
	<u>\$ 22,122,100</u>	<u>\$ 14,703,602</u>	<u>\$ 7,418,498</u>
Fair Value Measurements at December 31, 2020 Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Money market funds	\$ 600,684	\$ 600,684	\$ -
Collective investment trusts	5,673,678	-	5,673,678
Mutual funds	12,480,366	12,480,366	-
	<u>\$ 18,754,728</u>	<u>\$ 13,081,050</u>	<u>\$ 5,673,678</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2021 and 2020, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE 5—PARTY-IN-INTEREST TRANSACTIONS

Certain Plan Investments are managed by Dubuque Bank & Trust. Dubuque Bank & Trust is the trustee and record keeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

HODGE COMPANY EMPLOYEE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5—PARTY-IN-INTEREST TRANSACTIONS (continued)

Effective April 1, 2017, Dubuque Bank & Trust provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Dubuque Bank & Trust. Dubuque Bank & Trust receives revenue from mutual fund service providers for services Dubuque Bank & Trust provides to the funds. This revenue is put into a revenue sharing account and the Company may withdraw funds from the revenue sharing account to pay for participant or employer paid fees charged by Dubuque Bank & Trust.

Fees paid by the Plan for the investment management services rendered by the parties-in-interest were based on customary and reasonable rates for such services. Fees paid to Dubuque Bank & Trust relating to the maintenance of the Plan were \$104,052 for the year ended December 31, 2021.

Dubuque Bank & Trust Company is the trustee as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR408(b) of the ERISA regulations.

NOTE 6—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7—TAX STATUS

The Company has adopted a prototype plan pre-approved by the Internal Revenue Service ("IRS"). The IRS issued an opinion letter dated March 31, 2014, that the prototype plan is acceptable with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9—CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements an ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Dubuque Bank and Trust Company, the trustee of the Plan.

NOTE 10—SUBSEQUENT EVENTS

Effective January 1, 2022, the Company adopted a prototype non standardized plan pre-approved by the Internal Revenue Service with opinion letter dated June 30, 2020.

Subsequent to December 31, 2021, volatility experienced in the financial markets has resulted in a significant decline in the fair value of certain investments. As of October 6, 2022, the fair value of the investment portfolio declined by approximately 22% or \$4,100,000 from December 31, 2021.
