INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
of **H.J. Russell & Company** Employees'
Retirement & Savings Plan (401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of H.J. Russell & Company Employees' Retirement & Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank of similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes C and D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in aggregate, that raise substantial doubt about the Plan's ability to continue as going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required

by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to be a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
of **H.J. Russell & Company** Employees'
Retirement & Savings Plan (401(k) Plan)

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of H.J. Russell & Company Employees' Retirement & Savings Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statements of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes C and D, which was certified by Minnesota Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the plan investment assets and executed transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)

Notes to Financial Statements

December 31, 2021 and 2020

NOTE A - Description of Plan

The following description of the ***H. J. Russell & Company Employees' Retirement & Savings Plan (the Plan)*** provides only general information. The Plan is a multiple employer plan administered by an "Administrative Committee" (Plan Administrator) as defined by the Plan document. This committee is appointed by the "Controlling Company," H. J. Russell & Company (the Company), a Georgia Corporation with its principal office in Atlanta, Georgia, Concessions International, LLC, participating subsidiaries and/or affiliates, and its successors which adopt the Plan. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution plan allowing participation to all eligible employees of the company who have one month of credited service (as defined in the Plan) and are age twenty-one or older. Employees are eligible to receive matching contributions after completing one credited year of service. One credited year of service is completed if at the end of the first consecutive twelve months of employment an employee has completed 1,000 hours of service. Employees participating in the Plan pursuant to a separate collective bargaining agreement are entitled to receive profit sharing contributions in accordance with the terms of the applicable agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An administrative committee as designated by the Company is responsible for the oversight of the Plan. The administrative committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.
2. **Contributions** - Each year, participants may contribute not less than 1% nor more than 50% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches employee contributions at a rate of 50% of the first 5% of salary deferrals. Certain employees considered ineligible to receive employer matching contributions receive discretionary contributions made in accordance with the applicable agreement or contract. The company can, upon its discretion, make additional contributions out of its net profits. However, the company is not required to make a contribution for a plan year, even though net profits exist. Contributions are subject to certain IRS limits.
3. **Participant Accounts** - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participant's vest 25% per year of service beginning with year two and are 100% vested after five years of service.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)

Notes to Financial Statements

December 31, 2021 and 2020

NOTE A - Description of Plan - Continued

5. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment from (to) the Participant Notes fund. Loan terms range from 1-5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.
6. **Payment of Benefits** - Participants entitled to termination payments, receive payment in accordance with the Plan agreement. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a determined term. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum or rollover distribution.

NOTE B - Summary of Significant Accounting Policies

1. **Basis of Presentation** - U.S. Department of Labor (DOL) regulations and IRS Form 5500 require a comparative statement of net assets available for benefits, but only require that the current year's statement of changes in net assets available for benefits presented in the Form and also attached to it. Thus, the financial statements have been prepared to meet DOL and IRS requirements. The activity recorded in the 2020 column in the statement of changes in net assets available for benefits has been included for presentation purposes only, and is not required by GAAP, the DOL, or the IRS.
2. **Basis of Accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.
3. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments brought and sold as well as held during the year.
4. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the Plan administrator deems the participants loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.
5. **Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)

Notes to Financial Statements

December 31, 2021 and 2020

NOTE B - Summary of Significant Accounting Policies - Continued

6. **Excess Contributions Payable** - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.
7. **Payment of Benefits** - Benefits are recorded when paid.
8. **Operating Expenses** - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are presented separately from net appreciation of fair value of investments.
9. **Date of Management's Review** - Subsequent events were evaluated through October 12, 2022 which is the date the financial statements were available to be issued.
10. **Forfeited Accounts** - For the years ended December 31, 2021 and 2020 forfeitures of nonvested accounts totaled \$20,035 and \$41,172 respectively, with unallocated forfeited accounts included in investments totaling \$18,456 and \$28,061, respectively at year end. These funds are used by the Plan sponsor to pay any administrative expenses and to offset employer contributions. For the years ended December 31, 2021 and 2020, employer contributions were not reduced, and administrative and investment expenses in the amount of \$30,030 and \$32,120 were paid respectively from forfeited nonvested accounts.

NOTE C - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodologies include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)
Notes to Financial Statements
December 31, 2021 and 2020

NOTE C - Fair Value Measurements - Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts:

The net asset value (NAV) of the pooled separate accounts (PSA) are not publicly quoted, but is available to current investors and plan participants. The NAV is the basis for current transactions and the PSA's can be redeemed at NAV as of the measurement date. Therefore, this investment is considered to have a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. While pooled separate accounts are covered by federal securities laws, they are exempted from registering with the Securities and Exchange Commission. Most of the security prices were obtained from a pricing service.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	-	\$25,093,357	-	\$25,093,357
Total Investments at Fair Value	-	\$25,093,357	-	\$25,093,357

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total

NOTE D - Investments

ERISA Section 103(a)(3)(c) and 2020 disclaimer - Unaudited information certified by the Plan Trustee and Custodian

The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee and Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$25,093,357 and \$22,105,361 at December 31, 2021 and 2020, respectively. The information certified also includes notes receivable from participants of \$498,882 and \$463,065 at December 31, 2021 and 2020, respectively.

NOTE E - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values or investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F - Plan Termination

During the 2020 plan year, one of the affiliated companies to the Plan experience a significant decline in its active participants, resulting in an overall decline greater than 20 percent, resulting in a partial plan termination. All affected employees were fully vested in their account balances as of the date of the partial plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

NOTE G - Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds and an investment contract managed by Minnesota Life Insurance Company, a member of Securian Financial Group. Minnesota Life Insurance Company is the custodian of the as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Minnesota Life Insurance Company and also serve as recordkeeper for the Plan and receive administrative fees for such services. Clausell & Associates, P.C. serves as the independent auditor for the Plan. Fees paid by the Plan for administrative, investment services, and audit fees amounted to \$81,645 and \$108,122 for the years ended December 31, 2021 and 2020, respectively.

NOTE H - Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated March 27, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although, the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE I - Subsequent Event

On March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect the Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the Secure Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.
