Crown Diversified Industries Corporation
& Affiliates 401(k) PS Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Crown Diversified Industries Corporation & Affiliates 401(k) PS Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report, dated October 13, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

CROWN DIVERSIFIED INDUSTRIES CORPORATION & AFFILIATES 401(k) PS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 And 2021

1. Description Of The Plan

The following brief description of Crown Diversified Industries Corporation & Affiliates 401(k) PS Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, which was adopted on July 1, 1998, by Crown Diversified Industries Corporation (the Company), amended on June 1, 2021, and again on December 1, 2022, is a defined contribution profit sharing plan with a 401(k) provision. The Plan covers all employees of the Company except for collectively bargained employees and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective October 21, 2022, American United Life Insurance Company (OneAmerica) replaced United of Omaha Life Insurance Company (Mutual of Omaha) as the Plan's recordkeeper and contract issuer.

Eligibility

Employees of the Company who have completed three months of service and are age 18 or older are eligible to participate in the Plan.

Contributions

Participants can defer salary up to 100% of compensation, not to exceed Internal Revenue Service (IRS) limits. Participants age 50 or older are eligible to make catch-up contributions. The Plan allows participants to make Roth after-tax contributions. Additionally, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Plan provides for the Company to make discretionary matching contributions. For the years ended December 31, 2022 and 2021, the Company matched 100% of the first 4% of eligible compensation up to \$10,000. Discretionary matching contributions for the years ended December 31, 2022 and 2021 totaled \$560,081 and \$254,579, respectively.

CROWN DIVERSIFIED INDUSTRIES CORPORATION & AFFILIATES 401(k) PS PLAN

Notes To Financial Statements *(Continued)*

In addition, the Plan provides that the Company may make discretionary profit sharing contributions for each eligible participant. During the years ended December 31, 2022 or 2021, the Plan Sponsor did not make any profit sharing contributions.

Vesting

Participants are 100% vested in their salary deferral and rollover contributions plus actual earnings thereon. Vesting in Company discretionary matching and profit sharing contributions is based on years of service over a 5-year graded vesting schedule. A participants becomes 100% vested upon reaching the normal retirement age of 65, becoming disabled or death.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts may be used to pay administrative expenses or fund future Company matching contributions. Forfeitures available for future use amounted to \$5,845 and \$2,934 as of December 31, 2022 and 2021, respectively. Forfeitures of \$1,400 were used to pay administrative expenses during the year ended December 31, 2022. There were no forfeitures used during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary contributions and an allocation of the Plan's earnings (losses) and expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans must be secured by the participant's vested account balance and bear interest at prevailing market rates. Participants may only have one loan outstanding at any time. Principal and interest are paid back ratably through payroll deductions or participant payments.

Payment Of Benefits

Upon retirement, termination, or death, a participant may make withdrawals from his or her vested account in the form of a lump-sum payment. In the event that the vested portion of the participant's account does not exceed \$5,000, the balance shall be distributed in a lump sum as soon as administratively feasible.

CROWN DIVERSIFIED INDUSTRIES CORPORATION & AFFILIATES 401(k) PS PLAN

Notes To Financial Statements *(Continued)*

In-Service Withdrawals

Active participants who attain the age of 59-1/2 or become disabled may withdraw all or part of their vested accounts. In addition, participants who experience a qualifying financial hardship may withdraw from the Plan a portion of their vested account from elective salary deferral contributions. Hardship withdrawals will be approved only if they conform to Plan provisions and established IRS safe harbors.

Administrative Expenses

Administrative expenses of the Plan are paid by participants in the Plan and the Plan Sponsor.

Investment Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income (Loss) Recognition

Investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. The net change in the fair value of investments in the accompanying statement of changes in net assets available for benefits includes realized and unrealized gains and losses.

**CROWN DIVERSIFIED INDUSTRIES CORPORATION
& AFFILIATES 401(k) PS PLAN**

Notes To Financial Statements (*Continued*)

Investment contracts held by a defined contribution plan that are fully benefit-responsive are reported at contract value, rather than fair value, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment in the AUL Stable Value Account is a fully benefit-responsive investment contract and is reported at contract value in the statement of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution based on the terms of the Plan Document.

Payment Of Benefits

Benefit payments are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Mutual of Omaha and OneAmerica, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Mutual of Omaha and OneAmerica that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$ 11,178,830	\$ 12,248,848
Fully benefit-responsive investment contract	542,889	516,127
Notes receivable from participants	106,691	29,440

**CROWN DIVERSIFIED INDUSTRIES CORPORATION
& AFFILIATES 401(k) PS PLAN**

Notes To Financial Statements (*Continued*)

Mutual of Omaha and OneAmerica also certified to the completeness and accuracy related the following investment income (loss) and interest income on notes receivable from participants for the year ended December 31:

	<u>2022</u>	<u>2021</u>
Net change in fair value of investments	\$ (2,057,265)	\$ 1,049,377
Interest and dividends	3,956	2,686
Interest on notes receivable from participants	4,248	1,536

4. Fully Benefit-Responsive Investment Contract

OneAmerica

Effective October 22, 2022, the Plan invested in a fully benefit-responsive investment contract with OneAmerica, which maintains the contributions in a guaranteed return account, at contract value.

As described in Note 2, because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value, as reported to the Plan by OneAmerica, represents contributions made under the contract, plus investment activity, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. The Company does not believe that any events have occurred that would limit the Plan's ability to transact at contract value with the Plan participants.

Mutual Of Omaha

Prior to December 1, 2022, the Plan held a fully benefit-responsive investment contract with Mutual of Omaha, a guaranteed interest account that was provided by a group annuity contract. The investments are valued using a market value formula approach based on a) assumed interest rates obtainable by Mutual of Omaha on the contract held at December 31, 2021, and b) the experience rates of the contracts, which is the weighted average of the investment year interest rates for pension account funds. Their investment met the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting.

5. Fair Value Measurements

The Plan follows an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts

Valued at the daily closing price as reported by the fund. Pooled separate accounts held by the Plan are open-ended mutual funds that track specific indexes and are registered with the Securities and Exchange Commission. These funds are required to publish their daily value and to transact at that price. The pooled separate accounts held by the Plan are deemed to be actively traded.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ —	\$ 11,178,830	\$ —	\$ 11,178,830
Total Assets At Fair Value	\$ —	\$ 11,178,830	\$ —	\$ 11,178,830

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ —	\$ 12,248,848	\$ —	\$ 12,248,848
Total Assets At Fair Value	\$ —	\$ 12,248,848	\$ —	\$ 12,248,848

There have been no changes in the valuation methodology used at December 31, 2022 or 2021.

6. Risks And Uncertainties

The Plan invests in various investment securities, which, in general, are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Party In Interest Transactions

For the period of January 1, 2021 through October 21, 2022, Plan investments comprised pooled separate accounts and an investment contract managed by Mutual of Omaha. For the period beginning October 22, 2022 through December 31, 2022, Plan investments comprised pooled separate accounts and an investment contract managed by OneAmerica. The Plan also paid Mutual of Omaha and OneAmerica for certain administrative expenses. In addition, certain participants have outstanding loans as of December 31, 2022 and 2021. These transactions are considered party in interest transactions allowable under ERISA.

8. Reconciliation Of Financial Statements To Form 5500

Following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 11,802,522	\$ 12,767,923
Excess contributions payable	<u>34,113</u>	<u>26,926</u>
Net Assets Per Form 5500	\$ 11,836,635	\$ 12,794,849

Following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (965,401)
Excess contributions payable	<u>7,187</u>
Net Loss Per Form 5500	\$ (958,214)

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will become 100% in their accounts.

10. Income Tax Status

Effective December 1, 2022, the Plan was restated through the adoption of a pre-approved plan document sponsored by Pension & Retirement Services LLC. Pension & Retirement Services LLC received an opinion letter from the IRS dated January 12, 2022, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. As such, no income tax has been included in the Plan's financial statements.

Notes To Financial Statements *(Continued)*

Prior to December 1, 2022, the Plan used a volume submitter Plan that received a favorable opinion letter from the Internal Revenue Service on September 21, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
