HITACHI Zosen GROUP 401(K) PLAN

AUDIT REPORT
December 31, 2022 and 2021

A Business Partner, Wherever You are in the World

INDEPENDENT AUDITOR'S REPORT

To the Members of the 401(k) Committee and Plan Administrator of the Hitachi Zosen Group 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hitachi Zosen Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hitachi Zosen Group 401(k) Plan

Notes to the Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

NOTE 1 – PLAN DESCRIPTION

The following is a brief description of the Hitachi Zosen Group 401(k) Plan (the “Plan”) which is provided for general information purposes only. Participants should refer to the Plan document, related adoption agreement and individual statements provided to each Plan participant for a more complete description of the Plan’s provisions.

A. GENERAL

The Plan is a qualified defined contribution and safe harbor 401(k) plan, covering eligible employees who are members of a controlled group which includes Hitachi Zosen USA Ltd., Hitachi Zosen Inova US, LLC, Kompogas SLO LLC, NAC International Inc., VTEX America Inc., Hitachi Zosen Fukui USA Inc., and NAC LPT LLC (collectively, the “Company”). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s trustee, Empower Trust Company (“Empower”), which also serves as the custodian of the Plan. Previously, the trustee and custodian was Massachusetts Mutual Life Insurance Company (“Mass Mutual”) which was fully owned by Empower. A full transition to Empower was completed during the Plan year ended December 31, 2022, with no impact on participants and fund options. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Plan’s Trustee and the Plan administrator are appointed by the Company.

B. ELIGIBILITY

The Plan covers all eligible employees of the Company who have completed three months of service and who have attained the age of 21. The Plan excludes those employees who are: (1) Independent contractors, (2) Employees covered by a collective bargaining agreement, (3) Leased employees (4) Nonresident aliens (5) Puerto Rico based Employees and (6) Interns. Entrance into the Plan upon meeting the eligibility requirements is the first day of each month.

C. PARTICIPANT CONTRIBUTIONS

Eligible employees are automatically enrolled in the Plan for a 5% pre-tax deferral contribution of their compensation unless they affirmatively elect to opt-out of the Plan or elect a different deferral percentage. The Plan document prescribes default investment selection options for those automatically enrolled employees that fail to select how their assets will be directed. Before-tax and Roth after-tax voluntary contributions are allowed up to the Internal Revenue Code (“IRC”) limits prescribed below, with a minimum of 1% eligible compensation.

Additionally, each participant may elect to separately defer up to 100% of any cash bonus to be paid by the Employer during the Plan year. Eligible compensation for all Plan purposes means wages, tips and other compensation on Form W-2 as adjusted to exclude reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation, welfare benefits and military differential pay.

D. EMPLOYER CONTRIBUTION

Each plan year, the plan sponsor shall contribute a safe harbor matching contribution. The Company made a safe harbor matching contribution equal to 100% of the participants’ contributions up to a maximum of 5% of total eligible compensation for 2022. The compensation and deferrals are determined on a payroll period basis.

The Company may also elect to make an additional discretionary matching contribution based on a uniform percentage of each eligible participants’ contribution as determined annually by the Board of Directors. An additional discretionary matching contribution was not elected for 2022.

401(k) Plan

Notes to the Financial Statements
As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

D. EMPLOYER CONTRIBUTION – (CONTINUED) –

In addition, the Company, as determined by the Board of Directors, may also elect to make a discretionary profit-sharing contribution based on a percentage of each eligible participant's compensation. To be eligible for the discretionary profit-sharing contribution, the participant must be employed at the end of the Plan year. A profit-sharing contribution was not elected for 2022.

E. PARTICIPANT ACCOUNTS

Each participant account is credited with the participant's contribution and allocations of employer contributions, plan earnings, and distribution and loan fees (if applicable). Allocations are based on participant earnings or account balances, as defined.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Each participant may borrow up to the lesser of 50% of the present value of the participant's vested interest in the account or \$50,000. The notes are secured by the vested balance in the participant's account. No note shall be less than \$1,000 and only one note at a time is allowed. The notes bear interest at the prime rate, plus 1%. Any such borrowings are to be repaid within five years unless the note is for the purchase of a principal residence for which the repayment period may not extend beyond thirty years. Principal and interest are to be repaid by payroll deductions.

G. PAYMENTS OF BENEFITS

Participants or their beneficiaries can request a distribution if they sever employment, retire, become disabled, die, have a hardship or have attained age 59 ½. The distributions are payable in a lump sum. Death benefits and required minimum distributions may be made over a period of time, if elected. Participant account balances less than \$5,000 will be automatically distributed as a lump sum distribution.

H. VESTING

Participants are 100% vested in their deferrals, rollover contributions and the Company's safe harbor matching contributions, plus earnings thereon. Participants vest in the Company's discretionary additional matching or profit-sharing contributions, if any, plus actual earnings as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	33%
2	66%
3	100%

I. TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their employer contributions.

Notes to the Financial Statements
As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FINANCIAL REPORTING FRAMEWORK

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America (“GAAP”), as promulgated by the Financial Accounting Standards Board (“FASB”) in the Accounting Standards Codification (“ASC”).

B. BASIS OF ACCOUNTING

The financial statements of the plan are prepared on the accrual basis of accounting.

C. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

D. VALUATION OF INVESTMENTS

The Plan’s investments are reported at fair value, (except the unallocated insurance account which is valued at contract value, see Note 7). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the plan’s gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

E. PLAN EXPENSES

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are first paid from forfeitures, if any, and any remaining amounts are paid from the Plan’s trust funds and allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2022.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

G. PAYMENT OF BENEFITS

Benefits are recorded when paid.

401(k) Plan

Notes to the Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

H. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk, associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

While the immediate impacts of the COVID-19 pandemic have been assessed, the long-term effects of the disruption and resulting impact on the economy and financial markets remain unpredictable and depend on future developments, such as the possible resurgence of the virus, variant strains of the virus, vaccine availability and effectiveness, and future government actions in response to the crisis. Subsequent changes in interest rates and volatility in financial markets could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Plan management continues to monitor the impact of these economic factors but is unable to estimate the total impact the pandemic will have.

I. SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 16, 2023, which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

NOTE 3 – FORFEITURES

Upon termination of employment participants forfeit their non-vested balances. These accounts may be used to reduce future Company contributions or pay for administrative expenses of the Plan at the discretion of the Company. At December 31, 2022 and 2021, forfeited non-vested accounts were \$15,395 and \$12,087, respectively. Forfeited amounts used to reduce Company contributions or pay Plan expenses were \$2,170 during the year ended December 31, 2022.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's investments are held in a trust fund administered by Empower. The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as December 31, 2022 and 2021.
- Investment income (loss), interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

NOTE 5 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Hitachi Zosen Group 401(k) Plan

Notes to the Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

NOTE 5 – TAX STATUS – (CONTINUED) –

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower and Mass Mutual, and therefore, these transactions qualify as party-in-interest transactions. As of December 31, 2022 and 2021, there were investments that qualify as party-in-interest transactions totaling \$22,593,046 and \$26,644,090, respectively. Certain payments to the Trustee are included within administrative expenses. Loans to Plan participants also qualify as party-in-interest transactions. The total of the notes receivable from participants were and \$222,372 and \$247,753 for the years ended December 31, 2022 and 2021.

NOTE 7 – UNALLOCATED INVESTMENT CONTRACT WITH AN INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Mass Mutual, whose balance was \$11,170,270 and \$11,221,832 as of December 31, 2022 and 2021, respectively. Mass Mutual maintains the contributions in an unallocated fund within its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Since this contract meets the fully benefit-responsive contract criteria, the contract is included in the financial statements at contract value as reported to the Plan by Mass Mutual. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the insurance company. Such events include, but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with participating employers; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also include: (1) removal from the Plan of one or more groups of classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification. The Plan Sponsor does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at less than contract value, is probable.

NOTE 8 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

Hitachi Zosen Group 401(k) Plan

Notes to the Financial Statements *As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022*

NOTE 8 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used between December 31, 2022 and December 31, 2021.

- *Mutual Funds*: valued based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level within the fair value hierarchy as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds:	\$ 27,065,434	\$ -	\$ -	\$ 27,065,434
