Independent Auditors' Report

Board of Directors
Roeslein & Associates, Inc.
Retirement Savings Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Roeslein & Associates, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Roeslein & Associates, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Roeslein & Associates, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Roeslein & Associates, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Roeslein & Associates, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Roeslein & Associates, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2022 and reportable transactions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 And 2021

1. Description Of The Plan

The following description of Roeslein & Associates, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

Roeslein & Associates, Inc. (the Company) adopted the Plan to provide participants an opportunity to defer a portion of their earnings to provide supplementary retirement income and a measure of economic security. The Plan, which became effective March 1, 1990, is a defined contribution plan covering all permanent, nonunion employees of the Company who have completed six months of service and are age 19 or older. Effective December 1, 2021, the eligibility period was reduced to three months of service.

Effective January 1, 2013, the Plan was restated to add an Employee Stock Ownership Plan (ESOP) feature and to change the name from the Roeslein & Associates, Inc. 401(k) Profit Sharing Plan to the Roeslein & Associates, Inc. Retirement Savings Plan.

Purchases of Company common stock shares are made through discretionary Company matching contributions, discretionary Company profit sharing contributions and a promissory note with the Company.

The Plan utilizes Charles Schwab Trust Bank as the Plan's asset Custodian for participant directed investments. Principal Financial Group performs the custodial functions for the ESOP feature of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company acquired Servtech, Inc. (SVT) on October 29, 2021. Effective May 20, 2022, the Servtech, Inc. 401(k) Plan merged into the Plan. SVT employees that became employees of the Company and had a balance in the Servtech, Inc. 401(k) Plan are fully vested in all amounts merged into the Plan from the Servtech, Inc. 401(k) Plan.

Notes To Financial Statements (*Continued*)

Contributions

Contributions include participant salary deferrals, elective Roth contributions, discretionary Company matching contributions, and discretionary profit sharing contributions. Participants are allowed to contribute to the Plan up to 100% of their annual compensation, as defined by the Plan Document, subject to certain Internal Revenue Service (IRS) limitations. Participants who have reached age 50 may make catch-up contributions. Rollovers from qualified plans are allowed under the provisions of the Plan.

Effective July 1, 2020, the Plan adopted an automatic enrollment provision, whereby all eligible employees whose entry date into the Plan is after July 1, 2020 are enrolled automatically at a salary deferral rate of 6% of compensation, unless an employee completes a salary deferral agreement electing a different percentage or the employee affirmatively elects not to participate in the Plan.

The Plan allows for a discretionary Company matching contribution that is determined annually by the Board of Directors. During 2022 and 2021, the Company made discretionary matching contributions of 100% of participant contributions up to 6% of eligible participant's compensation. Discretionary profit sharing contributions are allocated based on eligible compensation as a percent of total eligible participants' compensation. The Company did not make a discretionary profit sharing contribution during the year ended December 31, 2022. The Company made a discretionary profit sharing contribution of 2.45% of eligible participant compensation for the year ended December 31, 2021.

Borrowings

During 2021, the Plan purchased 2,156 shares from a shareholder of the Company at an aggregate purchase price of \$2,121,504 using the proceeds of borrowings from the Company (Note 6). The borrowings are collateralized by the unallocated shares of common stock. Shares are released from collateral and become allocated generally in the period in which debt service is actually paid. The Company has no rights against shares once they are allocated under the Plan. Accordingly, the financial statements of the Plan as of and for the years ended December 31, 2022 and 2021 present separately the assets and liabilities and changes therein pertaining to:

- a) The accounts of participants with allocated common stock (Allocated), and
- b) Common stock not yet allocated to participants (Unallocated).

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and Plan earnings (losses). The allocation of earnings (losses) is determined by the participant's investment selection based on each participant's account balance, as defined in the Plan Document. S Corporation distributions are allocated to each participant's account based on the ratio of participant's Company common stock ownership to total ownership. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their accounts among a variety of investment options. The investment options at December 31, 2022 and 2021 consist of mutual funds and common/collective trusts.

Notes Receivable From Participants

A participant may borrow from the 401(k) portion of the Plan subject to certain limitations. Loans are for a period not exceeding five years, unless the proceeds are used to purchase a principal residence, and bear interest at rates between 4.25% to 8.50% which is based on prevailing market rates. The loans are secured by participants' vested account balances. Loans cannot be made for less than \$1,000 and cannot be greater than 50% of the participant's vested account balance or \$50,000. Loans mature at various dates through March 2051. Principal and interest are repaid through payroll withholdings.

Payment Of Benefits

Normal retirement age is 65. Early retirement is available to participants at age 55 with five years of service with the Company. Participants are entitled to receive the balance of their accounts upon death, total disability, retirement, or termination of employment. Distributions are made in cash and may be made in a lump sum payment or substantially equal installments. In-service distributions may be made to a participant who has not separated from service provided the participant has attained the age of 59 ½.

Participant Hardship Withdrawals

In the event of financial hardship, as defined by the Plan Document, a participant may withdraw from the Plan a portion of their participant directed vested account balance subject to IRS regulations.

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Vesting

Participants are fully vested upon entering the Plan for their salary deferrals plus earnings thereon.

Discretionary Company matching contributions and discretionary profit sharing contributions vest at the rate of 20% for each year of participation after one year of service, with 100% vesting at the end of five years of service. In the event of death, disability, or upon reaching the normal retirement age, the participant will automatically become fully vested.

Forfeitures

Forfeited nonvested amounts within the participant directed portion of the Plan are used to reduce Company contributions to that component of the Plan or pay Plan expenses. During 2022, forfeitures of \$7 were used to pay Plan expenses; no amounts were used to reduce Company contributions. During 2021, forfeitures of \$9 were used to pay Plan expenses; no amounts were used to reduce Company contributions. There were no unused forfeitures at December 31, 2022 or 2021.

Forfeited Company contributions within the ESOP are reallocated to participants' accounts at the end of the Plan year. Forfeited amounts allocated to participants' accounts totaled \$18,655 in 2022 and \$10,745 in 2021. There were no unused forfeitures within the ESOP at December 31, 2022 or 2021.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current value of the stock. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Segregation

The Plan allows the Plan Administrator, with respect to participants that have terminated and not elected to take a distribution from the ESOP portion of the Plan, the ability to covert some or all of the Company common stock held in those participants' accounts to cash and to transfer those amounts to the participant-directed portion of the Plan at Charles Schwab Trust Bank. This procedure is known as segregation. During 2022 and 2021, \$1,512,103 and \$646,224, respectively, was segregated from terminated participants' accounts and transferred to Charles Schwab Trust Bank.

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into other investments. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of participants Company common stock allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%.

Voting Rights

The trustees of the Plan are entitled to vote all shares of Company common stock in the ESOP portion of the Plan in their sole discretion. Participants are entitled to vote shares of Company common stock allocated their accounts on corporate matters that involve the approval or disapproval of a corporate merger, consolidation, recapitalization, reclassification, liquidation, or dissolution, or sale of substantially all assets of a trade or business. In the event participants are entitled to vote, the Plan Administrator will provide participants such notices and other informational materials provided to the Company's other shareholders with respect to the exercise of their voting rights. When participants vote, the Trustees are entitled to vote the shares of Company common stock not credited to any participant's account or for which the Trustees have not received timely direction in the same proportion as the Company common stock for which the Trustees received timely direction, disregarding any shares that were voted to abstain.

Administrative Expenses

Substantially all administrative expenses are paid by the Plan.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion on fair value measurements.

Purchases and sales of securities are recorded on trade-date basis. Interest income and S Corporation distributions are recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year, and includes any realized gain and losses in shares that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document.

Payment Of Benefits

Benefit payments are recorded when paid.

Subsequent Events

In July 2023, the Plan Sponsor acquired Roeslein Alternative Energy (RAE). Employees of RAE became eligible for the Plan and assets of \$4.0 million were transferred from R. Roeslein Enterprises Profit Sharing 401(k) Plan to the Plan.

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, included throughout the Plan's financial statements that were prepared by or derived from information certified by Charles Schwab Trust Bank, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Charles Schwab Trust Bank that the information provided to the Plan Administrator related to the participant-directed information is complete and accurate to the best of its knowledge and belief.

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements related to the following assets as of December 31:

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

The net change in fair value of the Roeslein & Associates, Inc. common stock amounted to \$5,135,499 and \$8,471,153 for the years ended December 31, 2022 and 2021, respectively.

5. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ROESLEIN & ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

The following is a description of the valuation methodologies used for assets measured at fair value:

Roeslein & Associates, Inc. Common Stock

The fair value of Roeslein & Associates, Inc. common stock held by the Plan is valued at fair market value based upon an independent appraisal. This appraisal was based upon a combination of the market approach and income approach valuation techniques consistent with prior years.

The valuation process involves the Trustees' selection of an independent appraiser (the Appraiser). The Appraiser will make reviews, analyses, and inquiries that are deemed necessary and appropriate to express an opinion on the fair market value of the common stock held by the Plan. Among the information obtained by the Appraiser are reviewed financial statements, forecasts and projections prepared by Company management, and publicly available financial data for certain companies that are deemed comparable to the Company. The Appraiser prepares a written report, which the Trustees review in detail, discuss with the Appraiser and approve.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of any collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidation will be carried out in an orderly business manner. All of the Plan's common/collective trusts file an annual report on Form 5500 as direct filing entities, and none of them have capital commitments.

6. Note Payable

In July 2021, the Plan entered into a promissory note with the Company and borrowed \$2,121,504 for the purpose of purchasing additional shares of Company common stock from a current shareholder. The promissory note bears interest at 3.25% for the period from July 2021 to December 2021, 2.96% for the period from December 2021 to March 2022 and 1.74% for the period from March 2022 to December 2029, is unsecured and is due in December 2029. The Plan makes monthly interest only payments beginning in September 2021 and continuing through March 2022. Beginning in March 2022, the Plan will make a principal and interest payment of approximately \$285,608, with the final payment being due in December 2029.

Notes To Financial Statements (*Continued*)

The scheduled maturities of the note payable at December 31, 2022 are as follows:

<u>Year</u>	<u>Amount</u>
2023	\$ 253,121
2024	257,525
2025	262,006
2026	266,565
2027	271,204
Thereafter	556,647
	<u>\$ 1,867,068</u>

7. Income Tax Status

Effective January 1, 2015, the Plan Sponsor adopted a custom plan document. The Plan received a favorable determination letter dated July 19, 2016 from the IRS that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. However, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirement of the IRC and, therefore, believes the Plan, as amended, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. Party In Interest And Related Party Transactions

Certain Plan investments are common/collective trusts managed by an affiliate of the Custodian. Additionally, the Plan has notes receivable from participants. These transactions qualify as allowable party in interest transactions.

EPIC Retirement Plan Services (EPIC) is the Third Party Administrator for the 401(k) activity, as defined by the Plan. Principal is the Third Party Administrator for the ESOP activity. The Plan utilizes Moneta Group LLC (Moneta) for investment advisory services. During 2022 and 2021, the Custodian, Moneta, EPIC, and Principal were paid \$227,925 and \$212,370, respectively, for investment advisory and administrative fees that qualify as allowable party in interest transactions.

Certain Plan investments are shares of Roeslein & Associates, Inc. common stock. Roeslein & Associates, Inc. is the Plan Sponsor; therefore, these transactions are considered related party and allowable party in interest transactions. The Plan's allocable share of S Corporation distributions amounted to \$6,721,776 and \$7,203,612 for the years ended December 31, 2022 and 2021, respectively.

10. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
