INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Smart Care Equipment Solutions 401(k) Plan
Burnsville, Minnesota

Disclaimer of Opinion

We were engaged to audit the accompanying financial statements of Smart Care Equipment Solutions 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

We do not express an opinion on the financial statements of Smart Care Equipment Solutions 401(k) Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan's records and procedures are not adequate to ensure the completeness of participants' contributions as it relates to fringe benefits, and we were unable to perform any other auditing procedures with respect to participants' wages maintained by the employer.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Smart Care Equipment Solutions 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Smart Care Equipment Solutions Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Smart Care Equipment Solutions Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Smart Care Equipment Solutions 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the Smart Care Equipment Solutions 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan was adopted where a related employer could adopt the Plan as a participating employer by signing the execution page of the Plans adoption agreement or by signing a participation agreement to the adoption agreement. As of December 31, 2022, the following affiliates were participating employers in the Plan: Restaurant Equipment Maintenance Corporation d/b/a REMCO, Mid-South Maintenance of TN, LLC, Advanced Mechanical Plus, Inc., Turbo Technicians, LLC, Superior Service Corp, 5 Star Refrigeration and Air Conditioning, Inc., HB Refrigeration, LLC. d/b/a Allied Mechanical Services, and Horizon Food Equipment, Inc. d/b/a Horizon Bradco.

General

The Plan is a defined contribution plan covering all eligible employees of Smart Care Equipment Solutions (the “Company”) who have completed a minimum of two months of service (60 days of service prior to August 10, 2021). Eligible employees may enter the Plan on the first day of the month coinciding with or following the date they satisfy the Plan’s eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2022 financial statements.

Contributions

Each year, participants may contribute up to 50% of their pretax annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Smart Care Equipment Solutions 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (continued)

Contributions (continued)

In January 2021, the Company reinstated a match of 100 percent of the first 3 percent of base compensation that a participant contributes to the plan. Contributions are subject to certain IRS limitations. The Company also has a discretionary matching contribution option. No such additional discretionary contributions were made for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, rollover contributions, company matching contributions and an allocation of the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, rollovers, plus the actual earnings thereon. Participants' accounts attributable to the Company's discretionary matching contributions vest 33 percent after one year of service, 66 percent after two years of service and 100 percent after three years of service. A year of service is defined as the completion of 1,000 hours of service during a year of employment with the Company or a participating employer. The additional discretionary match on a payroll computation period is 100 percent vested immediately.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants may have two loans outstanding provided payments are submitted via payroll deduction. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 8.00% as of December 31, 2022, which are commensurate with the prime rate published in the Wall Street Journal at the beginning of the month of the loan plus one percent. Principal and interest is paid ratably through payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments as defined in the Plan document. For termination of service due to death, the designated beneficiary is entitled to a death benefit distribution equal to the participant's vested account balance. For termination of service for other reasons, an employee with a balance greater than \$1,000 but less than \$5,000 will be automatically paid out and rolled into a qualified Individual Retirement Account. A terminated employee with a balance of \$1,000 or less will be paid a lump sum. Distributions may be made at the participant's election prior to termination for hardship purposes as defined in the Plan document.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$44,180 and \$606, respectively. Forfeitures are used to reduce future matching contributions or pay administrative expenses. For the year ended December 31, 2022, \$19,325 forfeitures were used to reduce matching contributions or pay administrative expenses.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. If available, quoted market prices are used to value investments. See Note H for discussion of fair value measurements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, as provided in the Plan document, and by the Plan sponsor. Fees that are related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

Management evaluates events occurring subsequent to the date of the statement of net assets available for benefits in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 16, 2023, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE C – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth by ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE E – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Smart Care Equipment Solutions 401(k) Plan

NOTE F – CERTIFIED INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan administrator instructed its independent auditors not to perform, and they did not perform, any auditing procedures with respect to information certified by Empower Trust Company, LLC, the trustee of the Plan's investments. Certification of investment assets, transactions, income and the schedules of investments and related transactions are complete and accurate pursuant to 29 CFR 2520.103-5(c) was covered by Empower Trust Company, LLC as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

NOTE G – RELATED PARTY AND PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds and collective investment trusts managed by Empower Trust Company, LLC, the trustee, as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. The trustee provides certain administrative services to the Plan pursuant to an Administrative Services Agreement (ASA) with the Company. Additionally, the Plan issues loans to participants, which are secured by the participant's account balance. These transactions qualify as party-in-interest transactions. Total amounts paid for recordkeeping and investment advisory services were \$115,126 for the year ended December 31, 2022, which are included in administrator fees on the accompanying financial statements.

NOTE H – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2- Inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Smart Care Equipment Solutions 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE H – FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

- *Mutual funds*: The fair values of these assets are determined by the mutual funds' Net Asset Value (NAV). Portfolio valuation procedures for these accounts are determined by the mutual fund company.
- *Stable value fund*: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The Putnam Stable Value fund is valued daily, and no notice must be given for participants to redeem the investments. There were no unfunded commitments on the Putnam Stable Value fund as of December 31, 2022.
