INDEPENDENT AUDITOR'S REPORT

To
the Participants and the Administrator of
Sunshine Home Care Services Corp. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sunshine Home Care Services Corp. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sunshine Home Care Services Corp. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunshine Home Care Services Corp. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunshine Home Care Services Corp. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunshine Home Care Services Corp. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunshine Home Care Services Corp. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules mentioned in appendix are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in

the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNSHINE HOME CARE SERVICES CORP. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022 & 2021

Note 1 - Description of Plan

The following description of Sunshine Home Care Services Corp ("Company") 401 (K) Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General:

The Plan is a Cash or Deferred Profit-Sharing plan covering substantially all eligible employees of Sunshine Home Care Services Corp. and all of its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees oversee governance of the Plan. John Hancock Retirement Services determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's trustee. The plan's effective date is January 1, 2017.

Eligibility:

All employees of the company who have completed one year of eligible service and attained the age of 21 and 1000 hours of service are eligible to participate in the Plan. Participants are eligible to begin receiving matching contributions once they completed one (1) year of eligibility service. The effective date of participation is the first calendar day of the first and seventh month of the year coincident with or next following the date an individual becomes eligible.

Employee Contributions:

Each year, participants may contribute up to 100% of pre-tax or post-tax annual compensation, as defined in the Plan. An Internal Revenue Service ("IRS") dollar limitation, adjusted annually for inflation applies. The plan permits employees who are 50 years and over to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (roller). Participants direct the investment of their contributions and employer contributions into various investment options offered by the plan. The Plan offers a variety of investment options and an insurance investment contract with various objectives and degrees of financial risk.

Employer Contributions:

The Company may match 100% of all employee 401(k) contributions, up to 4 % of their compensation, plus a 50% match of the next 2% of their compensation. The company made matching contributions of approximately $52,136 for the year ended December 31, 2022.

CARES Act

On March 27, 2020, the CARES Act was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2021, the plan has opted into the following provisions.

- Hardship Distributions – Qualified plan participants were permitted to take a coronavirus related distribution of up to $100,000 from the Plan without a 10 percent early withdrawal penalty. Eligible distributions were permitted to be taken until December 31, 2022. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro-rata basis over three years.
- Participant Loans- Participants may have borrowed up to $100,000 during 2022 (an increase from $50,000 previously permitted), these repayments may be delayed to 2022.

Required Minimum Distributions (RMDs) – A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for participants that turned 70 1/2 in 2020 and 72 in 2021.

Limitations:

Congress limits the annual dollar amount of Elective Deferrals that a participant may contribute. For 2022, the limit was $20,500. The amount of catch-up contributions allowed in 2022 was $6,500. Congress also limits the annual eligible earnings to be considered for the purpose of qualified plan contributions and testing. For 2022, this limit was $305,000.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of the participant's accounts is based on years of continuous service as follows: 20% vested after 2 years of service, plus 20% for each of the following 4 years. A participant is fully vested after completing six years of credited service.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amounts equal to the value of the participant's vested interest in their account or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

Participant Loans:

As provided by CARES ACT, for the year 2022 participants may borrow from their funds account a maximum of $ 100,000 provided their fund account balance equals or exceeds the loan amount they are withdrawing. For all other year's participant may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's vested balance and are payable through payroll withholdings. Such loans bear interest at the available market financing rates and must be repaid to the Plan within a one to five-year period, unless the loans are to be used for the purchase of a residence, in which case the maximum repayment period may be longer than five years. The specific term and conditions of such loans are established by the Plan administrator.

Forfeited accounts:

Forfeited non-vested accounts are re-allocated to active participants. At December 31, 2022 and 2021, forfeited non-vested accounts totaled $0 and $0 respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting:

The accompanying financial statements of the plan are prepared in compliance with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA and the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates:

The preparation of financial statements in conformity with GAAP and the DOL's Rules and Regulations for Reporting and Disclosure under ERISA requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

SUNSHINE HOME CARE SERVICES CORP. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022 & 2021

Investment Valuation and Income Recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

An adjustment is made for fully benefit-responsive investment contracts to bring their fair value to the contract value that participants would receive if they were to initiate permitted transactions under the terms of the plan.

Net appreciation or depreciation of investments is reported in the statement of changes in Net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation or depreciation of these investments.

Payment of Benefits:

Benefits payments to participants are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events:

The Plan evaluated all events and transactions that occurred after December 31, 2022 through October 09, 2023 the date these financial statements were available to be issued.

Note 3- Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Valued at the quoted market prices that represent the net asset value of shares held by the Plan at the year end.

Common/ collective funds: Valued at the quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022

Note 5. Information Prepared and provided by Trustee and/or Plan Administrator

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Trustee as of December 31, 2022 and for the year then ended December 31, 2021.

	2022	2021
Investments, at fair Value:		
Mutual Funds	$ 498,673	$ 420,943
	$ 498,673	**$ 420,943**

The following information represents investment earnings (losses) for the year ended December 31, 2022 & 2021.

	2022	2021

Interest	$ 728	$ 333
Net increase(decrease) in fair value of investments	(64,661)	$39,000
	$ (63,933)	**$ 39,333**

Note 6- Participants Loans

The following information included in the accompanying financial statements and supplemental schedule was obtained from the data that has been prepared and provided to as complete and accurate by the trustee/plan administrator with reference to participant loan balance for 2022.

	2022
Loan Participant Balance as of January 1	7,070
Add: New Loans to Participants & Loan refinance	$16,531
Less: Withdrawals	$3,727
Add: Net Gain/ Loss	728
Less: Transfers	-
Loan Participant Balance as of December 31	**20,603**

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 8- Related Party Transactions

Certain Plan investments are managed by John Hancock, the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amounted to $8,527 for the years ended December 31, 2022.

Participants who are active employees may borrow from their accounts. These loans will be recorded as notes receivable from participants in the statement of Net Assets Available for Benefits.

This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

Note 9 - Tax Status

The underlying nonstandard prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated April 02, 2012, stating that the form of the plan is qualified under section 401(a) of the code and, therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2006-6, the plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the plan is required to

operate in conformity with the code to maintain its qualification. The plan administrator believes the plan is being operated in compliance with the applicable requirements of the code and, therefore, believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 10 – Concentration of Credit Risk

In the normal course of business, all of the Plan's assets are transacted with and held by the Trustee. The plan is subject to credit risk to extend the Trustee is unable to fulfill contractual obligations on its behalf. The company has not experienced and does not expect any loss from this arrangement.

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 – Reconciliation of Financial Statements to Schedule H of Form 5500

The Following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2022:

	2022
Net assets available for benefits per the financial statements	$526,556
