## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of

**Nipro PharmaPackaging Americas Corporation Non-Union 401(k) Plan**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nipro PharmaPackaging Americas Corporation Non-Union 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NIPRO PHARMAPACKAGING AMERICAS CORPORATION NON-UNION 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### (1) **Description of plan**

The following description of the Nipro PharmaPackaging Americas Corporation Non-Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator. The Plan was restated in January 2022.

**General** - The Plan is a defined contribution plan covering employees of Nipro PharmaPackaging Americas Corporation (the "Company" or "plan sponsor") who are not covered by a collective bargaining agreement or who are not nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Contributions** - Participants may contribute up to 100% of their pre-tax annual compensation as pre-tax contributions, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

The Plan includes an auto-enrollment function whereby all newly eligible participants are automatically enrolled in the Plan unless otherwise requested by the employee. The deferral percentage for auto-enrolled employees is set at a fixed rate of 3% of the employees' compensation and will not increase in Plan years following the entry into the Plan.

The Plan requires the Company to make a fixed contribution, matching 100% of the participant contributions up to a maximum of 3% of compensation for each payroll, as defined by the Plan. The Company may make additional profit sharing contributions using a formula that considers the combined age and service of each participant for an annual profit sharing contribution ranging between 1% and 11% of compensation. For the year ended December 31, 2022, the Company made \$469,967 of employer matching contributions and \$1,061,269 of profit sharing contributions.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

**Participant investment account options** - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and one guaranteed investment contract as investment options for participants.

**Participant accounts** - Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based upon participant earnings, participant contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NIPRO PHARMAPACKAGING AMERICAS CORPORATION NON-UNION 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### (1) Description of plan (continued)

**Vesting** - Participants' contributions and actual earnings thereon are 100% vested immediately. Vesting in the Company's matching and profit sharing portion of participant accounts, plus actual earnings thereon, is as follows:

| <u>Years of Service</u> | <u>Vested %</u> |
|-------------------------|-----------------|
| 0                       | 0               |
| 1                       | 20              |
| 2                       | 40              |
| 3                       | 60              |
| 4                       | 80              |
| 5                       | 100             |

Participants who are terminated as a result of any future plant closing and a reduction in force will become fully vested in all accounts.

**Notes receivable from participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Participants may only have one loan balance outstanding at any given time, and loan terms cannot exceed five years unless used for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at rates ranging from 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**Payment of benefits** - On termination of service due to death, disability, or retirement, a participant or their beneficiary(ies) may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. The plan also allows in-service hardship distributions upon the participant experiencing a qualified hardship event.

**Forfeited accounts** - As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$209 and \$207, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$45,341 from forfeited nonvested accounts for the year ended December 31, 2022.

#### (2) Summary of significant accounting policies

**Basis of accounting** - The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## NIPRO PHARMAPACKAGING AMERICAS CORPORATION NON-UNION 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### (2) Summary of significant accounting policies (continued)

**Investment valuation and income recognition** - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

**Payment of benefits** - Benefits are recorded when paid.

**Administrative expenses** - Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits.

#### (3) Information prepared and certified by the trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC ("Empower") (trustee and recordkeeper for the Plan) and Empower Annuity Insurance Company of America ("Empower Annuity") (custodian for guaranteed interest fund).

#### (4) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

### NOTES TO FINANCIAL STATEMENTS

#### (4) Fair value measurements (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The investments at fair value as of December 31, 2022 and 2021, totaled \$23,483,099 and \$26,772,708, respectively, and consist exclusively of mutual funds that are valued at Level 1 within the fair value hierarchy.

#### (5) Guaranteed investment contract

The Plan entered into a fully benefit-responsive guaranteed investment contract with Empower Annuity. Empower Annuity maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement for the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

### **NOTES TO FINANCIAL STATEMENTS**

**(5) Guaranteed investment contract (continued)**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable to occur that might limit the ability of the Plan to transact at contract value with the contract issuer, and that would limit the ability of the Plan to transact at contract value with the participants.

**(6) Party-in-interest transactions and related-party transactions**

Certain Plan investments are shares of funds managed by Empower. Empower is the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA. Fees paid from the Plan to the trustee for the year ended December 31, 2022, was \$75,881.

**(7) Excess contributions refundable**

The Plan failed its discrimination testing for the years ended December 31, 2022 and 2021. As of December 31, 2022 and 2021, excess contributions refundable of \$14,365 and \$25,844, respectively, have been recorded as liabilities in the accompanying statements of net assets available for benefits. Refundable amounts are recorded as a reduction to participant contributions on the statement of changes in net assets available for benefits in the year the amounts were originally contributed. The Plan distributed the excess contributions to the affected participants in the following years.

**(8) Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

**(9) Tax status**

On November 14, 2022, the Internal Revenue Service ("IRS") stated in an advisory letter that the volume submitter plan document adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust was exempt from taxation. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **NOTES TO FINANCIAL STATEMENTS**

**(10) Risk and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**(11) Transfer in/from related plan**

The Company sponsors another defined contribution plan benefiting employees who are covered by collective bargaining agreements. When a participant changes job classifications, the participant's account is transferred to the appropriate plan, as necessary. The Company transferred \$88,987 from Nipro PharmaPackaging Americas Corporation Union 401(k) Plan to this Plan as a result of the job classification clause.

**(12) Subsequent events**

The Plan has evaluated subsequent events through October 13, 2023, which is the date the financial statements and supplemental schedule were available to be issued.
