To the Plan Administrator and Participants of
The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Veterans Multi-Service Center, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, established January 1, 1984 and most recently amended and restated September 1, 2021, is a defined contribution plan covering all eligible employees of The Veteran Multi-Service Center, Inc. (the “Company”) who are not considered excluded employees as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The custodian and recordkeeper of the Plan is Lincoln National Life Insurance Company.

The Plan Administrator of the Plan is responsible for providing fiduciary oversight over the Plan’s complete investments; ensuring that participants have the resources they need to make informed enrollment, deferral, and investment decisions; making sure the Plan is compliant with industry regulations; and identifying and implementing best practices for resolving issues relating to plan administration, compliance, enrollment, and operations.

CONTRIBUTIONS

Participants who have attained age 21 and one year of service may contribute up to 100% of pre-tax annual plan compensation, as defined in the Plan, subject to annual dollar limits established by the Internal Revenue Code (“IRC” or the “Code”), which was \$20,500 for the year ended December 31, 2022 (\$27,000 for participants age 50 and older). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

Additional discretionary profit-sharing contributions may be made at the option of the Company’s management. To be eligible for discretionary profit-sharing contributions, a participant must have attained age 21 and worked 1,000 hours in the given Plan year. Total discretionary contributions for the Plan year ended December 31, 2022 were \$161,393.

Participants direct the investment of their contributions and the employer contributions into various investment options offered by the Plan.

**NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant account is credited with the participant's contributions, rollover contributions (if any), the allocation of the Company's discretionary profit sharing contributions (if any), investment earnings, and charged with an allocation of certain administrative expenses that are paid by the Plan. Allocations are based upon participant earnings, account balances, as defined in the Plan document, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Percentage</u>
1 year	25%
2 years	50%
3 years	75%
4 years	100%

FORFEITURES

Forfeited nonvested accounts may be used to reduce future Company contributions and pay Plan expenses. During the year ended December 31, 2022, forfeitures of \$1,924 were used to offset discretionary profit sharing contributions and plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts amounted to \$13,916 and \$1,901, respectively.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. Each loan is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Interest rates on outstanding loan balances range from 4.25% to 8.00% as of December 31, 2022. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or termination of service for other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. The Plan may elect to make a mandatory distribution of account balances that are \$5,000 or less. The distribution will be made as soon as administratively feasible after the next valuation date.

Upon reaching age 59 ½ and 5 years of participation service, certain in-service distributions are allowed under the Plan, including the withdrawal of all or any portion of the participant's fully vested balance. Required minimum distributions will begin in April of the calendar year following the later of the year in which the participant attains age 72 or the year following retirement or termination of employment.

In the event of financial hardship, a participant may elect to withdraw all or a portion of their account balance to satisfy their financial need.

NOTE 2 - SUMMARY OF ACCOUNTING POLICES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

AS OF DECEMBER 31, 2022 AND 2021 AND

NOTE 2 - SUMMARY OF ACCOUNTING POLICES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would have received if they were to initiate permitted transactions under the terms of the Plan. The Plan's trustees and financial advisors determine the Plan's valuation policies utilizing information provided by the Lincoln National Life Insurance Company, the custodian of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net realized/unrealized depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CONTRIBUTIONS

Employee contributions are recorded in the period in which the employee payroll deductions are made.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Lincoln National Life Insurance Company has certified to the completeness and accuracy of all investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022. The information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The FASB's Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**THE VETERANS MULTI-SERVICE CENTER, INC. 401(k)
PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value (NAV) of units of the separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding method described could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2022 and 2021. Investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Asset Category	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Pooled separate accounts				<u>\$ 1,441,545</u>
Total investments measured at net asset value (A)				<u>\$ 1,441,545</u>

Asset Category	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Pooled separate accounts				<u>\$ 1,463,874</u>
Total investments measured at net asset value (A)				<u>\$ 1,463,874</u>

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Investments Measured Using Net Asset Value Per Share Practical Expedient – The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a benefit-responsive guaranteed investment contract with Lincoln Financial Group. Lincoln Financial Group maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Lincoln Financial Group, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract as of December 31, 2022 and 2021 was \$13,916 and \$118,111, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 4%. The crediting rate is reviewed on a quarterly basis for resetting. The contract can be terminated before the scheduled maturity date with 90 days written notice. The crediting rate from January 1, 2022 through December 28, 2022 was 4%. After implementing the changes to the Plan's investment offerings effective December 28, 2022, the crediting rate was reduced to 1.75% as of December 31, 2022.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following:

1. Amendments to the Plan documents (including complete or partial termination or merger with another plan);
2. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or;
4. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Such events include a) a withdraw charge, which phases out after the 5th anniversary of the contract date; and b) unpaid Plan expenses.

NOTE 6 - TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan document was in compliance with the applicable requirements of the IRC. The plan administrator timely adopted the prototype plan. The plan administrator believes that the Plan is currently being operated in accordance with the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Lincoln National Life Insurance Company. The Lincoln National Life Insurance Company is the Plan custodian and recordkeeper and, therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to Lincoln Financial Group amounted to \$7,955 for the year ended December 31, 2022. For the year ended December 31, 2022, compensation and fees in the amount of \$5,164 were paid to Associated Benefit Planners, Ltd. (“ABP”), the Plan’s Third Party Administrator (“TPA”). Additionally, \$1,788 was paid by the Plan during the year ended December 31, 2022 for certain other professional services.

Participant loans issued by the Plan also qualify as exempt party-in-interest transactions. In addition, certain employees of the Company serve as trustees of the Plan.

The aforementioned transactions qualify as exempt party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - DELINQUENT TRANSMITTALS

During the year ended December 31, 2022, the Company failed to timely remit certain employee deferrals to the Plan, as defined by the Department of Labor’s Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Late remittances identified on the Schedule H, Line 4a – Schedule of Delinquent Participant Contributions totaled \$375, which was remitted in March 2023.

During 2023, the plan administrator is undergoing a correction of these delinquent transmittals by computing the lost earnings and contributing the amounts to the impacted individual’s participant account. As part of this correction, corrective tax reporting and/or voluntary correction submissions may be made to the Internal Revenue Service and/or the U.S. Department of Labor, as the plan administrator determines to be necessary or appropriate.

NOTE 10 - PLAN TERMINATION

In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE 11 - DIFFERENCES FROM FORM 5500

Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Subsequent events have been evaluated by the Plan for potential recognition or disclosure through October 16, 2023, the date the financial statements were available to be issued.
