De Wafelbakkers 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of De Wafelbakkers 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of De Wafelbakkers 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC as of December 31, 2022, and for the period April 22, 2022 to December 31, 2022 and Voya Retirement Insurance and Annuity Company as of December 31, 2021, and for the year then ended, and for the period January 1, 2022 to April 21, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of De Wafelbakkers 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about De Wafelbakkers 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of De Wafelbakkers 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about De Wafelbakkers 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) as of or for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note A – Description of Plan

The following description of De Wafelbakkers (“Company”) 401(k) Profit Sharing Plan and Trust (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established April, 1994 and is a defined contribution plan covering eligible employees of the Company as of the first entry date following completion of one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to the annual limit in any calendar year. Participants who have attained the age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes safe harbor matching contributions of 100% of each employee’s salary deferral up to 3% of the employee’s compensation and 50% of each employee’s salary deferral up to the next 2% of the employee’s compensation. Contributions are subject to certain limitations and conditions defined by the Plan. Discretionary profit sharing contributions may also be made from time to time as deemed appropriate and approved by the Company. The Company did not make any discretionary profit sharing contributions during the year ended December 31, 2022 or 2021.

Participants Accounts

Each participant’s account is credited with the participant’s contribution and the allocation of (a) the Company’s contribution, (b) Plan earnings, net of administration expenses allocated to the participant. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary and Company safe harbor matching contributions plus actual earnings thereon. Vesting in the discretionary Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interest in his or her account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also has an age 59 ½ in-service distribution provision for participants that satisfy certain conditions.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account and bear interest at a rate of 0% above the prime interest rate published by the Wall Street Journal at the time of loan. Principal and interest is paid ratably through payroll deductions.

See accompanying auditor’s report.

401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note A – Description of Plan (continued)

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions into various options offered by the Plan.

Forfeited Accounts

Forfeitures of terminated participants' non-vested amounts may be used to reduce Company matching contributions and Plan expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$870, respectively.

Hardship Distribution

Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirement and other conditions. The participant may receive a lump sum payment equal to the vested amount of the participant's account balance.

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administration expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are treated as distributions based upon the terms of the Plan document.

Contributions

Contributions from employees are recorded as they are withheld from the participant's wages.

See accompanying auditor's report.

DE WAFELBAKKERS

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note B – Summary of Accounting Policies (continued)

Operating Expenses

In accordance with the provisions of the Plan, expenses incurred in administration of the Plan, including costs relating to asset charges and recordkeeping are paid by the Plan and allocated to all participant accounts on a pro-rata basis, or charged directly to participant accounts for fees associated with establishment of a loan or a benefit payment. Expenses not paid by the Plan are paid by the Company.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are considered to be actively traded

Level 2 Fair Value Measurements

The fair value of the pooled separate accounts is valued daily at the unit value calculated based on the observable net asset value (NAV) of the underlying investments (i.e. mutual funds). There are no unobservable inputs, therefore the fair values of the pooled separate accounts options are classified as Level 2.

See accompanying auditor's report.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note C – Fair Value Measurements (continued)

Investments Not Classified in the Fair Value Hierarchy

Collective trust funds: These funds are valued at the net asset value (NAV) of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,014,261	\$ -	\$ -	\$ 1,014,261
Total investments in fair value hierarchy	1,014,261	-	-	1,014,261
Investments measured at net asset value (a)	-	-	-	4,084,331
Total Investments	\$ 1,014,261	\$ -	\$ -	\$ 5,098,592

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 6,160,347	\$ -	\$ 6,160,347
Total Investments	\$ -	\$ 6,160,347	\$ -	\$ 6,160,347

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

- (a) Investments that were measured at net asset value as provided by the trustee have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

See accompanying auditor's report.

DE WAFELBAKKERS
401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note D – Guaranteed Investment Contract with Insurance Company

In 2022, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (“Empower”). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 was \$86,379. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a yearly basis for resetting. The average yield was 1.93% in 2022.

Certain events limit the Plan's ability to transact at contract value with Empower. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

See accompanying auditor's report.

Note F – Investments Prepared and Certified by Trustee and Custodian

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee and custodian.

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ 1,014,261	\$ -
Pooled separate accounts	-	6,160,347
Investments measured at net asset value	4,084,331	
Investments, at contract value:		
General account	86,379	163,322
Investment income (loss)	(1,005,582)	649,118

Note G – Parties-In-Interest

The Plan invests in certain pooled separate and general accounts sponsored and managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Note H – Plan Amendments

The Plan document was most recently amended effective January 1, 2023. None of the amendment provisions adversely impact prior employee benefits accumulated under the Plan.

Note I – Tax Status

The Plan operates in accordance with Empower Retirement, LLC defined contribution pre-approved plan. The third party administrator received a favorable advisory letter dated November 14, 2022, in which the Internal Revenue Service stated that the basic plan document, as then designed, was acceptable under section 401 of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated with the applicable requirements of the IRC.

Note J – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note K – Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 16, 2023, which is the date the financial statements were available to be issued. As of October 16, 2023, the compliance testing performed by Empower Trust Company, LLC, the third party administrator, has not been finalized.

See accompanying auditor's report.
