INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee, Plan Administrator
and Participants of Daljaco 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Daljaco 401(K) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Retirement Plan Committee, Plan Administrator
and Participants of Daljaco 401(K) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Retirement Plan Committee, Plan Administrator
and Participants of Daljaco 401(K) Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Retirement Plan Committee, Plan Administrator
and Participants of Daljaco 401(K) Profit Sharing Plan

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DALJACO 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established on January 1, 2005. The Plan covers all eligible employees of Daljaco, Inc. (the Company), and effective June 1, 2022, its affiliate, Homecare Resources, Inc. (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Effective October 6, 2020, the prototype plan with ADP, LLC was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new adoption Agreement, effective April 1, 2022. Changes to the Plan's provisions as a result of this amendment and restatement are discussed throughout these financial statements.

Effective June 1, 2022, the Plan was further amended to add Homecare Resources, Inc. as a participating employer.

Eligibility - The Plan covers substantially all employees of the Companies, except non-resident aliens and residents of Puerto Rico are excluded from participating in the Plan (effective April 1, 2022). Employees who are age 21 or older are eligible to participate in the Plan upon completion of three months of service, as defined, and may enter the Plan on the first day of the month coinciding with or next following the attainment of these requirements.

Contributions - Participants may elect each year to contribute from 1% up to 90% of their eligible compensation, as defined, up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax or after-tax Roth deferral contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies provide the following contributions to the Plan:

A safe harbor matching contribution, on a pay period basis, equal to 100% of each participant's elective deferrals up to 3% of eligible compensation, plus 50% of each participant's elective deferrals that exceed 3% of compensation but do not exceed 5% of eligible compensation. For 2022, the safe harbor matching contribution totaled \$91,711.

An additional discretionary matching contribution, as determined by the Companies on an annual basis. No additional discretionary matching contribution was made for 2022.

A discretionary nonelective profit sharing contribution as determined by the Companies. Employees must be employed on the last day of the plan year and have completed 1,000 hours of service during the plan year in order to share in the allocation of the discretionary nonelective profit sharing contribution. The contribution will be allocated using an integrated allocation. No discretionary nonelective profit sharing contribution was made for 2022.

Qualified Nonelective Contributions (QNECs) and Qualified Matching Contributions (QMACs), as defined in the Plan. No QNECs or QMACs were made for 2022.

DALJACO 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Each participant's account is credited with the participant's contributions and Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Companies' contributions into various registered investment companies (mutual funds) offered by the Plan. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in all contributions, plus earnings thereon.

Notes Receivable from Participants - Participants may borrow from their fund accounts. The minimum note amount is \$500. No note to any participant shall be made in an amount which exceeds 50% of their vested account balance. The maximum aggregate dollar amount outstanding to any participant may not exceed \$50,000, reduced by the excess of the participant's highest outstanding note balance from the Plan during the one-year period ending on the day before the date on which the loan is requested, over the participant's outstanding balance of notes from the Plan on the date the note is requested. The notes are secured by the balance in the participant's account and bear interest at the Prime rate plus 2%. Effective April 1, 2022, the minimum term of the note must be at least one month. Prior to April 1, 2022, the minimum term of the note was at least twelve months. The term of the note can only exceed a maximum repayment period of five years for the purchase of a principal residence, in which case the repayment period may not exceed 30 years. Only two notes may be outstanding at a time. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits - Benefit payments may be in the form of lump sums, installment payments or partial withdrawals and are payable upon termination of employment, death, disability or retirement at age 65. Effective April 1, 2022, the Plan requires a \$500 minimum for partial withdrawals. The Plan makes automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals beginning at age 59½ are also permitted, subject to provisions defined in the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - continued - The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the trustee. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS plus earnings are recorded as a liability with a corresponding reduction to contributions. The payable as of December 31, 2022 and 2021 relates to excess contributions made by one participant and two participants, respectively, during prior plan years. The Company intends to distribute the excess amounts recorded as of December 31, 2022 plus earnings to the applicable participant during 2023 (see Note 6).

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. An annual service fee, which includes a base fee plus a per participant fee, and a plan fiduciary advisory services fee, are allocated to participant's accounts based on a ratio of the participant's account balance to the total of all participants' account balances. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2022 and 2021, the Plan's assets at fair value are invested in registered investment companies and are classified as Level 1 within the fair value hierarchy.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend income and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, a qualified institution.

NOTE 5 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions and repayments of notes receivable from participants to be remitted as soon as they can be reasonably segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contributions. During 2020 and prior plan years, there were various contribution and notes receivable payments totaling \$106,733 (as reported on the Schedule of Delinquent Participant Contributions) not remitted in accordance with the guidelines. Several of these delinquent contributions (and the related safe harbor matching contributions) were not remitted to the Plan until 2021. In addition, lost earnings on all untimely contribution and loan repayments reported on the Schedule of Delinquent Participant Contributions were remitted to the Plan during 2021. The Company is in the process of officially correcting these delinquent remittances through the DOL's Voluntary Fiduciary Correction Program (VFCP) and expects to complete the corrections during 2023.

NOTE 6 - TAX STATUS

The IRS has determined and informed ADP, LLC, by a letter dated October 6, 2020, that the prototype plan adopted by the Plan effective April 1, 2022, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed ADP, LLC, by a letter dated July 8, 2014, that the prototype plan adopted by the Plan through March 31, 2022, was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

During prior years, the Plan failed to operate in accordance with its terms with respect to timely remitting deposits, timely distributing excess contributions, correctly using the Plan's definition of compensation and applying matching contribution rates. The Company hired outside ERISA counsel and is in the process of applying to correct the operational errors under the DOL's VFCP and the IRS's Voluntary Correction Program (VCP). If the DOL and IRS accept the proposed corrections and the Company makes all corrections, the failures should not adversely impact the Plan's tax-qualified status. However, if the DOL and IRS do not accept the corrections, there could be a material impact on the Plan's tax-qualified status. The Company fully intends to correct all operational errors under the VFCP and VCP and expects the DOL and IRS to accept the corrections; therefore, the Company does not believe the Plan will lose its qualified or tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

ADP Retirement Services (ADP) provides certain administrative services to the Plan pursuant to the Administrative Services Agreement (the Agreement) between the Company and ADP. The Agreement provides for an annual service fee, which includes a base fee plus a per participant fee, and a plan fiduciary advisory services fee, all of which are billed and payable monthly. In addition, ADP receives transactional fees relative to notes and distributions and compensation in the form of interest or similar income ("float") on contributions, plan loan repayments and withdrawals from the Plan. As additional compensation, certain fees from one or more of the Plan's investment funds, or from affiliates or agents of such investment funds, for services provided by ADP with respect to such investment funds. These fees reduce the amount of expenses that would otherwise be payable pursuant to the Agreement. Fees paid by the Plan to ADP amounted to \$27,033 for the year ended December 31, 2022.

ADP has entered into a service agreement with Reliance under which Reliance has agreed to provide directed trustee services to certain retirement plans for whom ADP, LLC provides recordkeeping and administrative services. ADP compensates Reliance to provide services to the Plan as set forth in the Agreement. As part of Reliance's compensation, Reliance may earn interest on balances, including without limitation disbursement balances and balances arising from purchase and sale transactions.

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS - CONTINUED

Fees paid to Founders Financial Securities, LLC (Founders) for investment advisory services totaled \$8,200 for the year ended December 31, 2022.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2022 and 2021, 70% and 50%, respectively, of net assets available for benefits, is invested in the American Funds Target Date Retirement Funds. However, by their nature, the American Funds Target Date Retirement Funds are a diversified mix of equities and fixed income that rebalance over time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:
