INDEPENDENT AUDITORS' REPORT

To: The Administrative Retirement Committee of
Cabrera Retirement Plan Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cabrera Retirement Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cabrera Retirement Plan Trust in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cabrera Retirement Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabrera Retirement Plan Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cabrera Retirement Plan Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabrera Retirement Plan Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CABRERA RETIREMENT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

1) Plan Description:

The following brief description of Cabrera Retirement Plan Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

- A) General – The Plan was established on January 1, 1995 as a defined contribution plan covering substantially all employees of Cabrera HNOS., Inc. (the Employer). Under the Plan, all employees who has attained 21 years of age and had completed at least 1,000 hours of service during a six month period are eligible to participate on the first entry date (first day of each plan calendar month) coincident with or immediately following completion of the 1,000 hours of service.

The Plan is qualified under Section 1081.01 of the Puerto Rico Internal Revenue Code of 2011 (PRIRC), as amended, and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Empower Retirement, LLC (Empower)¹ is the custodian of the Plan.

- B) Contributions – The Plan provides for contributions to be made by the Employer and by participants as follows:

- Employee pre-tax contributions – Pre-tax contributions are limited to \$15,000.
- Employee after-tax contributions – Participants may make voluntary after-tax contributions to the Plan up to 100% of their compensation.
- Employee catch-up contributions – A participant who has attained age 50 by the close of the Plan year, may elect to make catch-up contributions subject to the limit of \$1,500.
- Employer's contributions – The Employer will make annual matching contributions up to a maximum of 2% of eligible compensation. For the year ended December 31, 2022, total annual contributions made by the Employer and participants are limited to the lesser of \$61,000 or the total compensation paid by the Employer to participant during the Plan year.
- Employer's profit-sharing contributions – The Employer may make profit sharing contributions to the Plan at the Employer's discretion. Employer matching and profit-sharing contributions may not exceed the maximum amount deductible from the Employer's income for that Plan year under section 1081.01 of the PRIRC.

- C) Investment options – The Plan allows participants to direct their contributions into various investment options available under the Plan.

- D) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participant's and Employer's contributions, as well as the participant's share of the Plan's income and any related expenses. Allocations are based on the proportion that each participant's account balance bears to the total of all participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested accounts.

¹Empower includes a group of affiliated entities, including Empower Annuity Insurance Company of America, previously known as Great-West Life & Annuity Insurance Company; Empower Life & Annuity Insurance Company of New York (the recordkeeper), previously known as Great-West Life & Annuity Insurance Company of New York; Empower Trust Company, LLC (the custodian), previously known as Great-West Trust Company, LLC; Empower Advisory Group, LLC previously known as Advised Asset Group, LLC, Empower Capital Management, LLC, previously known as Great-West Capital Management, LLC and Empower Financial Services, Inc, previously known as GWFS Equities, Inc.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

- E) Vesting – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Participants are 100% vested in the Employer's matching contributions, profit sharing contributions and their earnings after three years of service with the Employer.
- F) Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to 50% of their vested account balance, not to exceed \$50,000, for a maximum term of five (5) years unless the loan is for the purpose of acquiring a principal residence and treated as participant directed investments. The note is secured by the balance in the participant's account and bear interest at a rate equal to the prime rate. Principal and interest are paid ratably through payroll deductions.
- G) Payments of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive, either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time.
- H) Forfeitures – Forfeitures represents non-vested portions of contributions of the Employer on the day of the participant termination. Forfeitures should be used first to reduce the Plan's administrative expenses and then to reduce Employer profit sharing contributions and/or matching contributions as of the end of the Plan year. As of December 31, 2022 and 2021, forfeited non-vested accounts amounted to \$19,336 and \$18,320, respectively.
- I) Hardship withdrawals – A participant, while an employee, may withdraw all or any portion of the amount allocated to his elective deferral contributions account (including catch-up contributions), excluding earnings, in case of a financial hardship.

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- D) Investment valuation and income recognition – Plan investments are stated at fair value, except for group annuity contract that is stated at contract value, as described in Note 5. See Note 4 for discussion of fair value measurements.

For investments that are registered with the Securities and Exchange Commission, fair value is determined using net asset values ("NAV"). The NAV per share of the registered investment companies is published daily and is calculated by each fund based on the market value of the underlying securities within each fund. The reported values for fully benefit-responsive investment contracts are reported at contract value.

The net appreciation in fair value of investments, including realized gains or losses and net change in unrealized gains or losses, is reflected in the statement of changes in net assets available for benefits. Realized gains or losses on the disposal of investments are determined by specific identification and recognized on a trade date basis. Purchases and sales are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

CABRERA RETIREMENT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

- E) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2022 and 2021, interest rate on outstanding loans ranges from 3.25% to 7.00%. Delinquent participant loans are reclassified as distributions based upon the term of the Plan document.
- F) Payment of benefits – Benefits payments to participants are recorded when paid.
- G) Administrative expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Expenses incurred in connection with the general administration that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are presented as administrative expenses. Investment related expenses are included in net appreciation (depreciation) of investments.

3) Information Certified by Empower (the Custodian):

The following is a summary of the Plan's asset information as of December 31, 2022 and for the year then ended, included throughout the Plan's financial statements and supplemental schedules, that were prepared by or derived from information provided by Empower furnished to the plan administrator.

The plan administrator has obtained certifications from the custodian that information provided to the plan administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information, which appears throughout the financial statements and supplemental schedules, as follows:

Description	December 31,	
	2022	2021
Mutual funds	\$ 2,647,424	\$ 3,457,997
Group annuity contract at contract value	\$ 21,358	\$ 30,667
Notes receivable from participants	\$ 83,640	\$ 67,597

The Custodian also certified the completeness and accuracy of the following information for the year ended December 31, 2022, as follows:

Description	Amount
Net depreciation on fair value of investments	\$ 763,910
Interests and dividends	\$ 76,523
Interest income on notes receivable from participants	\$ 3,572

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

4) Fair Value Measurements:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

As of December 31, 2022 and 2021, mutual funds held by the Plan are registered with the Securities and Exchange Commission, all of which are considered Level 1 type investments within the fair value hierarchy.

5) Group annuity contract:

The Plan entered into a Group Annuity Contract with Empower Annuity Insurance Company of America through a Key Guaranteed Portfolio Fund, a general account product of Empower that meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The contract value, as reported to the Plan by Empower Trust Company LLC, represents (a) contributions made under the contract plus earnings; less (b) the sum of any amounts distributed and administrative fees.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest credit rate is reset quarterly.

There is no guaranteed interest rate under this contract; however, such rate will never be less than 0%. The actual average yield earned by the Plan at December 31, 2022 was 0.93%.

CABRERA RETIREMENT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS **December 31, 2022 and 2021**

6) Tax Status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of ERISA, as amended, and with the PRIRC, as amended. The Plan received a determination letter from the Puerto Rico Department of Treasury dated June 27, 2016 stating that the Plan is qualified with the PRIRC. The Plan Administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRIRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2022 and 2021, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7) Risks and Uncertainties:

The Plan's investments, other than the group annuity contract, are exposed to several risks, such as interest rate fluctuations, market volatility and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the Plan's account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

8) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9) Party-In-Interest Transactions:

The Employer and Empower are parties-in-interest as defined by ERISA. There were no prohibited transactions as of December 31, 2022 and 2021.

10) Subsequent Events:

The Plan Administrator is not aware of any subsequent events which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through October 16, 2023, the date on which the financial statements were available to be issued.
