This representation letter is provided in connection with your audits of the financial statements and the supplemental schedules of the Island Hospitality Management, LLC (the "Company") 401(k) Safe Harbor Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter, the following representations made to you during your audits:

Although the Plan has been amended since the date of this letter, we believe that the Plan is currently being operated in compliance with the applicable requirements of the Code.

Iron Curtain/Rollover Method - The main difference between the two methods is how the effects of prior-period misstatements are considered. The rollover method, which is also called the "income statement method," considers the effect of all misstatements (current-period misstatements as well as prior-period waived adjustments) on current-period income. The rollover method reflects only the impact of these adjustments on current period income. The iron curtain method, which is also called the "balance sheet method," focuses on the impact of misstatements on the balance sheet and considers the effect on current-period income of amounts needed to correct the balance sheet only.

Conclusion: Based on the results of the evaluation performed above, as well the consideration of qualitative factors, uncorrected audit differences and errors/omissions in presentation and disclosure, individually and in the aggregate, do not cause the financial statements taken as a whole to be materially misstated.
