INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
CO Architects Retirement Savings Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of CO Architects Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CO Architects Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of CO Architects Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CO Architects Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CO Architects Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CO Architects Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CO Architects Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the CO Architects Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan covering all employees of CO Architects (the "Company"), is designed to comply with Section 401(k) and related provisions of the Internal Revenue Code (IRC). The Plan established on January 1, 1998, and was most recently amended and restated effective October 1, 2022. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC.

The Plan allows for predecessor service credit of former Anshen & Allen, Architects, Inc. employees for eligibility, vesting and Plan allocations pursuant to the plan document.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Museum has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 2.0) was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Company has until the end of the first Plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by the trustee of the Plan, Empower Trust Company, LLC (Formally known as "Great-West Trust Company, LLC") (the "Trustee"). Trustee and recordkeeping services are provided by the Trustee, or one of its affiliates.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees covered under the Plan include all employees except those who are nonresident aliens. Covered employees are eligible to participate in the Plan upon completing 500 hours and six months of service.

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual eligible compensation as defined by the Plan, on a tax-deferred basis, and the maximum amount allowed by the IRC. Maximum allowed deferral amount was \$20,500 for 2022. Participants over the age of 50 before the end of the Plan year may also contribute an additional \$6,500 catch-up contribution to the Plan for 2022. All eligible employees are automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation. The Plan allows for scheduled increases of the automatic deferral amount in Plan years following the automatic deferral effective date, not to exceed 10% of pre-tax eligible compensation. Participants are also allowed to rollover contributions from other qualified employer-sponsored retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan or through a self-directed brokerage account.

All employees participating in the Plan that meet the service requirements are eligible to receive an employer matching contribution. The matching contribution is equal to 100% of the participant's elective deferrals not to exceed 1% of their eligible compensation, plus 50% of deferrals in excess of 1% but not in excess of 6% of eligible compensation. For the year ended December 31, 2022, employer matching contributions made to the Plan were \$428,070.

The Company may make a nonelective profit sharing contribution for eligible employees, as defined, who are actively employed at the end of the Plan year. There was no nonelective profit sharing contribution for 2022. The Company may also make a matching contribution at its discretion. For the year ended December 31, 2022, no discretionary matching or nonelective contributions have been made to the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers from the participant's previous plan), and an allocation of (a) the Company's contribution, if applicable, and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of all funds in the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Company's contributions is based on years of service. A participant is 100% vested in safe harbor matching contributions after two years of credited service. A participant becomes 100% vested in non-elective contributions according to a four-year pro-rata vesting schedule. Participants are immediately vested in the event of death, disability, or upon reaching age 65, with certain provisions for early retirement.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$24,329 and \$34,683, respectively. The Plan may elect to use forfeitures to reduce the Company's contributions and/or to pay administrative expenses. Forfeitures used to pay administrative expenses totaled \$21,255 during the year ended December 31, 2022.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a fixed rate equal to the prime rate at the time the loan is taken. The repayment of principal plus interest is generally required by the Plan to be made through semi-monthly payroll deductions over five years, unless the loan is used for the purchase of a primary residence. The loans outstanding during 2022 carried interest rates that ranged between 3.25% and 5.50%.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability, or death. Upon termination, if a participant's vested account balance is less than or equal to \$1,000 upon termination, the balance is immediately distributed as a lump sum payment. Upon termination, if a participant's vested account balance is greater than \$1,000 and less than or equal to \$5,000 upon termination, their balance shall be automatically rolled over into an individual retirement account designated by the plan administrator, unless otherwise elected. Upon termination, if a participant's vested account balance is greater than \$5,000, the participant (or beneficiary) may elect to receive a distribution of their account balance as a lump-sum payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the plan document.

Upon attaining the age of 59 ½, participants may, while still employed by the Company, elect to withdraw all or a portion of their vested account balance. The Plan allows participants to obtain a distribution to satisfy any of the following immediate and heavy financial needs: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair damage on principal residence.

1. DESCRIPTION OF THE PLAN (continued)

Expenses

Expenses are generally paid by the Company, but may, at the discretion of the Plan administrator, be paid by the Plan. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Actual results could differ from these estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4). The Plan's governance committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and are net of related investment fees.

CO Architects Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Company, which is the pay date and remitted to the Plan. The Plan contributions, if any, are recorded in the year in which the Company records the contributions in its general ledger. Rollover contributions from participants are recorded based on the date the contributions are received by the Plan.

Notes receivable from participants

Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of 2022 and 2021. Delinquent participant loans are recorded as deemed distributions based upon the terms of the Plan document.

Payment of benefits

Benefits payments are recorded when paid.

Expenses

Expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued. Plan management is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the Plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule. The Trustee has certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and;

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)
(continued)

- Net depreciation in fair value of investments, dividends and interest (including interest income from notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits December 31, 2022, and;
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2022.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access at the measurement date.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities; or
- *Level 3* - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported on the active market on which these securities are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

CO Architects Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

Common/collective trusts - Putnam Stable Value Fund: Valued using the daily NAV which is based on the fair value of the collective trust's underlying investments as reported by the audited financial statements of the trust at year end. The NAV is used as a practical expedient to estimate fair value. Plan management believes that the occurrence of events that would cause the fund to transact at less than contract value is not probable.

Self-directed brokerage accounts: Accounts primarily consist of common stocks, exchange-traded funds, mutual funds, and cash equivalents that are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, Plan's assets, by type, at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, Plan's assets, by type, at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 18,069,452	\$ -	\$ -	\$ 18,069,452
Self-directed brokerage accounts	<u>463,445</u>	<u>-</u>	<u>-</u>	<u>463,445</u>

Investments measured at net asset value*				
Common/collective trusts				<u>2,505,999</u>
				<u>\$ 21,038,896</u>

* Certain investments that were measured at NAV per share (or its equivalent) have not been classified within the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan are paid by the Company. These transactions qualify as party-in-interest transactions. The Plan is not required to repay expenses paid by the Company on its behalf. The Plan has included in its investment fund options certain funds managed by affiliates of the Trustee. Therefore, these transactions qualify as exempt party-in-interest transactions.

CO Architects Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services, and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts. During the year ended December 31, 2022, administrative fees paid to the Trustee and other Plan advisors totaled \$55,318.

The Trustee retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by the Trustee or its affiliates, therefore, these investment transactions qualify as exempt party-in-interest transactions.

6. TAX STATUS

The Plan has adopted the Empower Retirement LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA that obtained its latest opinion letter dated November 14, 2022, as then designed, was in compliance with the applicable requirements of the IRC, and that any employer adopting this form of the prototype plan will be considered to have a plan qualified under applicable sections of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
