Independent Auditors' Report

To the Board of Directors
Wayne Action Group for Economic Solvency, Inc.
401(a) Thrift Plan
Goldsboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held (At Year End) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information,

including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the December 31, 2021 Financial Statements

The December 31, 2021 financial statements of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc. were audited by predecessor auditors whose report dated January 5, 2023, expressed an unmodified opinion on those financial statements, in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and included an other-matter paragraph that provided an opinion that the information in the December 31, 2021 supplemental schedules were fairly stated in all material respects in relation to the financial statements as a whole.

1. DESCRIPTION OF PLAN

The following description of 401(A) Thrift Plan of Wayne Action Group for (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. General – The Plan, effective January 1, 1968, is a non-contributory money purchase pension plan for all the employees of Wayne Action Group for Economic Solvency, Inc. ("WAGES") except substitutes, with twelve months of service following the date of employment. The Plan assets are held in trust by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Mutual of America Life Insurance Company as custodian of assets.
- b. Contributions – Contributions are provided for employees who have six months of service. The plan does not permit contributions from participants. The Plan Sponsor contributed 8% of the participants' compensation for the 2022 plan year.
- c. Participant Accounts – Each participant's account is credited with the allocation of the contribution by WAGES and the Plan earnings related to those contributions. Allocations are based on participant earnings or account balance, as defined.
- d. Vesting – Vesting service is the total of an employee's countable periods of service without regard to hours of service. Employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Participants will automatically become 100% vested upon attainment of early retirement age (55) normal retirement age (62) or retirement due to disability or death.

- e. Payment of benefits – Upon termination of service, a participant with an account valued at less than \$1,000 shall receive a lump sum distribution. For accounts between \$1,000 and \$5,000, the participant may elect a lump sum distribution, or roll over the distribution to another qualified plan or IRA. If no election is made the account must be rolled over to an IRA.
- f. Forfeited accounts – Forfeitures of terminated participants' non-vested accounts are used to reduce future employer contributions or pay Plan administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$2, respectively. In 2022, \$10,260 of forfeited non-vested accounts were used to reduce Plan Sponsor contributions.

1. DESCRIPTION OF PLAN (Continued)

- g. Notes Receivable from Participants – Through 2020 participant may borrow from the vested portion of the Plan contributions held in the participant's account. The loan request must qualify according to guidelines outlined in the plan document, and loan repayments are required to be made by payroll deductions. Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loan term shall not exceed the earlier of termination of employment or five years or for a longer period of time for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 5%. Principal and interest are to be paid ratably through payroll deductions. Participants may have one outstanding loan at a time.

In 2022 notes receivable from participants were converted to plan loans.

- h. Plan loans – All Plan loans are issued directly by funds owned by Mutual of America Life Insurance Company (Mutual of America) and are secured by the value held in the participant's investment account within the Plan (i.e., loan proceeds are not removed from a participant's account balance). At any time, the participant's account value in the Plan must be equal to 120% of the Plan loan in order to ensure adequate collateralization. Plan loans bear interest at a variable rate as determined by Mutual of America equal to the interest crediting rate of the Interest Accumulation Account plus 3%. Interest rates are adjusted by Mutual of America no less than once a year. Plan loans must be repaid within 5 years. If the loan is used for the purchase of a principal residence, the loan term can be extended to a period of no more than 10 years. Principal and interest is paid through semi-monthly installments deducted through payroll. As of December 31, 2022, there were Plan loans due to Mutual of America secured by Plan assets of \$60,747. As of December 31, 2022, there were no defaulted Plan loans due to Mutual of America

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained by the insurance companies on the cash basis. Memo journal entries are recorded to convert the insurance company balances to the accrual basis of accounting at year-end. The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Reclassifications

Certain reclassifications have been made to the 2021 financial statements in order to conform to the 2022 presentation. Such reclassifications had no effect on net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Mutual of America and Principal Trust Company. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

3. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, Fair Value Measurements, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Pooled Separate Accounts

Pooled separate accounts are valued at the net asset value ("NAV") of units of a fund. The NAV, as provided by Mutual of America, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying mutual funds registered with the Securities and Exchange Commission held by the fund, as determined by quoted prices of identical assets in an active market, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

3. FAIR VALUE MEASUREMENTS (Continued)

In accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

The Following table summarizes additional disclosures of the Plan's separate account investments, classified by major category, whose fair value is based on net asset value (NAV) per share as of December 31, 2022 and 2021, respectively.

4. INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANIES

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mutual of America Life Insurance Company ("Mutual") and Principal Trust Company ("Principal"), qualified institutions, except for comparing such information certified by the insurance companies to information included in the Plan's financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Pooled separate accounts (Mutual)	\$ 2,883,154	\$ 1,803,079
Guaranteed investment contract (Principal)	-	1,531,265

5. GROUP ANNUITY CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

In 2000, the Plan entered into a traditional fully benefit-responsive guaranteed annuity contract with Principal Life Insurance Company (Principal) totaling \$0 for 2022 and \$1,531,265 for 2021. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5. GROUP ANNUITY CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY (Company)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

6. GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE INSURANCE COMPANY

In 2022, the Plan entered into a guaranteed annuity contract with Mutual of America Life Insurance Company (Mutual) totaling \$128,248 for 2022 and \$0 for 2021. Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Mutual's general account is reported at contract value. The concept of benefit responsiveness does not apply to Mutual's general account. This concept generally applies to guaranteed investment contracts (GICs), whereby the employer enters into the contract with a set amount of money, and the interest rate is guaranteed for a set period of time. The employer agrees not to withdraw the funds early; however, if funds are needed to pay retirement claims, they can be withdrawn from the GIC without penalty (i.e., they are "benefit responsive"). The funds in a defined contribution plan are allocated to individual plan participants; therefore, the funds are always available to pay benefits, subject to the plan's vesting schedule. Since the employer does not control participant assets, the need for the plan to be benefit responsive is not relevant.

6. GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE INSURANCE COMPANY
(Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

8. TAX STATUS

The IRS has determined and informed the company by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain funds managed by Mutual of America. Mutual of America is the custodian of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for investment management services are included in net appreciation in fair value of pooled separate accounts. For the years ending December 31, 2022 and 2021, net administration fees of \$2,217, respectively, were paid to Mutual of America.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS Continued)

The Plan invests in certain funds managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for investment management services are included in net appreciation in fair value of pooled separate accounts. For the years ending December 31, 2022 and 2021, net administration fees of \$450, respectively, were paid to Principal Trust Company.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. SUBSEQUENT EVENTS

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 16, 2023 which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
