INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Employee Benefit Plan of Community Hope, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Employee Benefit Plan of Community Hope, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employee Benefit Plan of Community Hope, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of Community Hope, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Community Hope, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Community Hope, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Community Hope, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4a - Schedule of Delinquent Contributions for the year ended December 31, 2022, and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the Employee Benefit Plan of Community Hope, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of Plan's provisions.

General

The Plan was established January 1, 1998, and is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of ERISA. The Plan was established for the purpose of providing eligible employees of Community Hope, Inc. (the "Employer") funds for retirement.

Eligibility

There are no age or service requirements for elective deferrals. For match and nonelective deferrals employees must be 21 years of age and employed for one year. The Plan excludes union employees, nonresident aliens, and employees covered under a collective bargaining agreement. Employees may enter the Plan on the first day of the Plan year and the first day of the seventh month of the Plan year.

Employee Contributions

The Plan allows for employee pre-tax contributions. Each year, participants may contribute a percentage of their pre-tax annual compensation, subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC"). Participants may also make Roth contributions into the Plan. Participants age 50 and over are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

Employer Contributions

The Plan provides for matching contributions by the Employer to all eligible employees. The matching contribution is equal to 50% of the participants' deferrals, not to exceed 4% of the participants' compensation received during the Plan year. Employer match contributions for the year ended December 31, 2022, were \$45,228.

The Plan provides for discretionary profit-sharing contributions by the Employer. Participants must be eligible for the Plan to receive these contributions. No discretionary profit-sharing contributions were made for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer contributions, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, expenses of the Plan, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct Employer and employee contributions to any of several investment options. Participants may redirect their investment of future contributions or transfer existing account balances on any business day.

Employee Benefit Plan of Community Hope, Inc.
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

Participants are immediately 100% vested in their elected deferral amounts, rollover contributions, and earnings thereon. Vesting in the Employer's discretionary contribution portion of their account plus actual earnings thereon is based on years of service. Participants are subject to a four-year graded vesting schedule in the Employer's discretionary contribution.

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The loans bear interest at rates ranging from 4.25% to 6.50% with maturities through 2029. Principal and interest are paid ratably through payroll deductions. The Plan allows only two outstanding loans at a given time.

Payment of Benefits

On termination of service, a participant may elect to receive a lump sum equal to the value of the participant's vested interest in their account or elect to rollover funds to an IRA or other retirement account.

In-Service Withdrawals

Prior to termination, a participant may withdraw their pretax contributions in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½ allows participants to withdraw any vested amount allocated to their employer contribution accounts if they have completed at least five years of participation in the Plan.

Forfeited Accounts

As permitted by the Plan document, these accounts will be allocated to employees who are active in the Plan on the accounting date in the ratio that the compensation of such participants bears to the compensation of all Plan participants. During the years ended December 31, 2022 and 2021, the Plan sponsor allocated \$0 and \$1,133, respectively, to active participants. At December 31, 2022 and 2021, forfeited accounts totaled \$3,431 and \$2,409, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Employee Benefit Plan of Community Hope, Inc.
Notes to Financial Statements
December 31, 2022 and 2021

Risks and Uncertainties

The Plan provides for various investment options in mutual funds as well as an investment contract with an insurance company. Mutual funds and the investment contract, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized on the accrual basis and dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee except for comparing such information with information reported in the financial statements. Based on information provided and certified by the trustee, Mutual of America Life Insurance Company ("Mutual of America") there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, at December 31, 2022 and 2021.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.) The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for identical assets in inactive markets or for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Pooled Separate Accounts

Valued at the net asset value ("NAV") of shares held by the Plan at year-end. NAV is based on the fair value of the underlying assets of the accounts less their liabilities. NAV is used as a practical expedient to estimate fair value, and therefore, these investments are not required to be classified in the fair value hierarchy described above.

Employee Benefit Plan of Community Hope, Inc.
Notes to Financial Statements
December 31, 2022 and 2021

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 3,080,670
Investments at fair value	\$ -	\$ -	\$ -	\$ 3,080,670

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts, at NAV*	\$ -	\$ -	\$ -	\$ 4,021,575
Investments at fair value	\$ -	\$ -	\$ -	\$ 4,021,575

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 3,080,670	N/A	Daily	None

5. INCOME TAXES

The Plan adopted a prototype non-standardized profit-sharing plan with CODA (Cash or Deferred Arrangement). By letter dated November 30, 2020, the Internal Revenue Service has determined that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

6. PARTY-IN-INTEREST

Certain Plan investments are shares of registered investment companies and an investment contract managed by Mutual of America. Mutual of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. There was \$859 in fees paid by the Plan for participant transaction fees for the year ended December 31, 2022. Notes receivable from participants are also party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits and the changes in net assets available for benefits as of December 31 to amounts reported on Form 5500.

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 3,750,541	\$ 4,440,635

Employer contributions receivable	<u>(1,796)</u>	<u>-</u>
Net assets available for benefits per Form 5500	<u>\$ 3,741,853</u>	<u>\$ 4,432,950</u>
Changes in net assets for benefits per the financial statements	(690,094)	
Change in employee contributions receivable	793	
Change in employer contributions receivable	<u>(1,796)</u>	
Changes in net assets available for benefits per Form 5500	<u>\$ (691,097)</u>	

9. DELAYED DEPOSITS OF EMPLOYEE CONTRIBUTIONS

U.S. Department of Labor regulations require that salary deferrals to a defined contribution plan that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month immediately following the month in which the contribution is either withheld or received by the employer. Certain deposits of employee withholding from 2022 were delayed and were not made as soon as they could be reasonably segregated. Such delayed deposits totaled \$50,566 with lost earnings of \$313. The Plan plans to take corrective actions in 2023 relating to the delayed deposits, which consists of restoring the lost earnings to participants.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 13, 2023, the date the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which require disclosure in or adjustment to the financial statements.
