INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Nammo US 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Nammo US 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nammo US 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Nammo US 401(k) Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Nammo US 401(k) Plan

Basis for Disclaimer of Opinion

Nammo inc. acquired certain entities in prior years, and the existing plans of these entities were initially retained. However, these plans have since been terminated and their assets were transferred to the Plan in 2018. Because records for certain of these terminated plans for periods prior to 2018 are unavailable, we were not able to perform sufficient auditing procedures with respect to the participants' individual account balances accumulated from inception of these terminated plans through 2017 or the propriety of the distributions to terminated participants subsequent to 2017.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nammo US 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Nammo US 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Nammo US 401(k) Plan and to meet our other ethical

responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1: DESCRIPTION OF PLAN

The following description of Nammo US 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

On January 1, 2018, the Plan was established for all employees of Nammo Talley, Inc. (since renamed Nammo Defense Systems, Inc.), Nammo Pocal Inc., Nammo Composite Solutions, LLC, Nammo Tactical Ammunition LLC, Nammo Energetics Indian Head, Inc., and Capstone Precision Group, LLC. The companies are collectively referred to as the Employer. The existing plans of these related companies were terminated and their assets were transferred to the Plan in 2018. During 2020, Nammo Perry, Inc. was acquired by Nammo, Inc. and all employees participating in its existing plan joined the Plan. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan provides for employee and Employer contributions in accordance with section 401(k) of the Internal Revenue Code (IRC). Under the terms of the Plan, all employees are eligible to participate in the Plan three months following the date of hire.

Contributions

Participants may elect to contribute up to 100% of their compensation (as defined) for each year in which they are a participant in the Plan up to the maximum allowable contributions under the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans.

The Employer will make safe harbor matching contributions equal to 100% of elective deferrals up to 4% of compensation plus additional matching contributions equal to 100% of elective deferrals that are over 4% of compensation but not over 6% of compensation. For the year ended December 31, 2022 the Company made contributions of \$1,949,091.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**NAMMO US 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's safe harbor contributions is immediate. In addition, the accounts transferred into the Plan in 2018 from the terminated plans of the companies previously listed in Note 1 are 100% vested. Vesting in Employer's additional matching contributions is based on years of service, as defined by the Plan document. Participants vest in these matching contributions at a rate of 20% per year of service and are 100% vested after five years of credited service, however, a participant shall become fully vested upon death or disability (as defined by the Plan).

Investment Options

The Plan invests participant directed contributions in a number of mutual funds, pooled separate accounts and one common collective trust. Each participant's elective contribution will be invested into those funds selected by the participant. The Employer's contribution will be invested into the same funds as the elective contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest. Principal and interest is paid ratably through payroll deductions.

Forfeitures

Non-vested amounts will be forfeited by participants upon termination, and may be used to pay administrative expenses of the Plan or to reduce the additional Employer contributions. At December 31, 2022 and 2021, there were forfeited nonvested accounts of \$0 and \$89, respectively. In 2022, \$38,327 of forfeitures were used to pay administrative expenses.

Payment of Benefits

Upon termination of employment or termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. In-service distributions are also permitted upon meeting certain requirements as defined by the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1: DESCRIPTION OF PLAN (Continued)

Expenses

Certain Plan expenses are assumed by the Employer, and are not reflected in the accompanying financial statements.

Tax Status

The Plan has been recognized by the Internal Revenue Service (IRS) as a qualified volume submitter plan under the Internal Revenue Code (IRC) Section 401(a) and 401(k) and is exempt from federal income taxes under the provisions of IRC Section 501(a). A determination letter has been obtained for the volume submitter plan; however, no application has been made for a determination letter for this specific plan. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Subsequent events

The Plan has evaluated subsequent events through October 16, 2023, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NAMMO US 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants (loans) are reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Principal Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Total	<u>\$ (7,253,862)</u>	

The Plan's independent auditors did not perform procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

**NAMMO US 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The three levels of the fair value hierarchy are described as follows:

- Level 1 Fair value is based on observable inputs such as quoted prices for identical assets or liabilities in active markets.
- Level 2 Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Fair value is based on unobservable inputs that reflect management's own assumptions.

In accordance with Accounting Standards Update No. 2015-07 certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefit.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Total	<u>\$ 41,086,215</u>	<u>\$ 2,420,888</u>	<u>\$ 43,507,103</u>

Following is a description of the valuation methodologies that are used for assets measured at fair value.

Mutual Funds

The fair value of mutual funds is based on quoted net asset values of shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled Separate Accounts

The units of pooled separate accounts are stated at fair value, as determined by the issuer of the pooled separate accounts based on the fair value of the underlying investments, which are shares of mutual funds. All investments in this category can be redeemed daily, have a daily redemption notice period and have no unfunded commitments.

The pooled separate accounts (and their investment strategies) are as follows:

SmallCap Growth I - seeks long term growth of capital by investing at least 80% of its net assets, plus any borrowings for investment purposes, in equity securities of companies with small market capitalizations.

Diversified International - invests primarily in securities of companies with their principal place of business or principal office outside of the United States and derive 50% or more of their total revenue from goods or services produced or sold outside of the United States.

**NAMMO US 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust

The fair value of the collective trust fund is based upon the net asset value of units held by the Plan at year-end as determined by the investment manager of the fund. The Stable Value Fund invests in a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions. The fund objective is to preserve principal while earning a level of interest income consistent with principal preservation. The fund is redeemable on a daily basis without restriction, and there are no unfunded commitments related to the fund.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net depreciation in fair value of investments.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6: RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and a common collective trust held by Principal Life Insurance Company, an affiliate of the trustee, and therefore, the transactions associated with these investments qualify as party-in-interest transactions. Administrative fees paid by the Plan to Principal Life Insurance Company or its affiliates amounted to \$126,548 for the year ended December 31, 2022.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
