REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
HIAS, Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of HIAS, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HIAS, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

General

The following description of the HIAS, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan administrator.

The Plan is a defined contribution plan sponsored by HIAS, Inc. ("Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was established effective January 1, 2013, known as HIAS Employer Contribution Plan, and then renamed as HIAS, Inc. 401(k) Plan on January 1, 2019. Empower serve as the custodian and recordkeeper.

Eligible employees includes all full-time employees of the Plan Sponsor, except for employees of affiliated employers; individuals who were not reported on the payroll records of the Plan Sponsor as a common-law employee; employees as a result of asset or stock acquisition, merger, or similar transaction involving a change in the employer of the employees of a trade or business; leased employees; non-resident aliens who do not receive earned income from the Plan Sponsor which constitutes United States source income; independent contractors; interns; and fellows working via fellowship.

Contributions

Eligible employees who have attained the age of 21 are eligible to make voluntary contributions to the Plan up to 100% of pre-tax and/or after-tax annual compensation, subject to certain Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan Sponsor provided a safe harbor nonelective contribution for all eligible participants who attained the age of 21 in the Plan year. This contribution is equal to 3% of the participant's eligible compensation for the Plan year. The Plan has up to 12 months after the close of the Plan year to remit the safe harbor contribution to the accounts of eligible employees. For the year ended December 31, 2022, the Plan contributed \$593,104 of safe harbor nonelective contributions and is presented as part of employer contributions in the statement of changes in net assets available for benefits.

The Plan Sponsor elected to make discretionary profit-sharing contributions to the accounts of eligible employees who have completed 1 year of service and attained the age of 21. The contribution match is equal to 2% of the participant's eligible compensation for the year 2022 and 2021. For the year ended December 31, 2022, the Plan contributed \$307,030 of discretionary profit-sharing contributions and is presented as part of employer contributions in the statement of changes in net assets available for benefits.

All contributions are subject to certain dollar limits as defined by the Plan and the IRS.

Investment Options

Participants direct the investment of their contributions and Plan Sponsor contributions into various investment options offered by the Plan and may make changes to their investment direction on a daily basis. The Plan currently offers collective trust funds and mutual funds as investment options for participants. In the event a participant fails to direct his or her investment election, his or her account will be invested 100% in the Alliance Bernstein Multi-Manager Select Retirement Funds based upon the participant's date of birth.

HIAS, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

The matching contribution is invested directly in the participant-directed investment options.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, safe harbor matching contribution, and allocations of, if any, the Plan earnings or losses, and is charged with withdrawals administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions and safe harbor nonelective contributions plus actual earnings thereon. Participants who were employed before January 1, 2019 are fully vested in both the Plan Sponsor's safe harbor and discretionary profit-sharing contribution ("employer contributions"). For participants hired on or after January 1, 2019, participants are 20% vested in employer discretionary profit sharing contributions after two years of service and vests an additional 20% per year until full vesting after six years.

Forfeitures

Forfeited non-vested accounts are used at the Plan Sponsor's discretion to offset employer contributions. Forfeited non-vested accounts amounted to \$9,361 and \$2,675 at December 31, 2022 and 2021, respectively. For the year ended December 31, 2022, the Plan Sponsor utilized forfeitures of \$0 to offset employer contributions.

Notes Receivable from Participants

Effective January 15, 2019, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to five years but may extend beyond five years for the purchase of a primary residence. Participants are allowed only one outstanding loan at any given time. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate at the date the loans are issued. The interest rate will be fixed for the duration of the loan. Interest rate ranges from 4.25% to 7.25% during 2022 and 4.25% to 6.5% during 2021. Principal and interest are paid ratably through bi-weekly payroll deductions.

Participant loans are considered to be in default if any rescheduled repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are made in the form of a participant-directed lump sum or partial withdrawals in excess of the required minimum distribution, upon separation, retirement, hardship, disability, or death, as applicable.

If the total vested value is below \$1,000 in a participant's account at the time of termination, a distribution will be made to the participant regardless of whether he or she consents to receive it. If the total vested is greater than \$1,000 but less than \$5,000, the participant has the option of either 1) rolling over his or her balance into a qualified individual retirement account, or 2) receiving a distribution. If the vested balance is greater than \$5,000, the participant may remain in the Plan. In addition, participants may elect in-service withdrawals of their vested account balances after reaching 59½.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

Hardship distributions are permitted from the vested portion of the participant's account, or if less, the amount necessary to satisfy the immediate and heavy financial need of the participant. Participants, under certain conditions, may make a financial hardship withdrawal of all or part of their vested account balance.

The Plan also provides for minimum required distributions by April 1 of the calendar year in which the participant reaches age 72 or the calendar year the participant retires, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act").

Benefits may be paid in cash, rolled over to another qualified retirement plan, individual retirement arrangement, or remain in the Plan until the participant chooses to take a distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor. Transaction expenses, such as loan administration fees, are charged directly to the participant's account and are included in administrative expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

NOTE C - INVESTMENTS AND INFORMATION CERTIFIED BY CUSTODIAN

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent certified public accountants did not perform auditing procedures with respect to information certified by the custodian, except for comparing such information to the related information included in the above-named financial statements and supplemental schedule.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

HIAS, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

The following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2022 and 2021.

Mutual funds - Valued based on the daily quoted net asset value of the shares held by the Plan at year end.

Collective trust funds - Valued at the net asset value ("NAV") per unit, as a practical expedient to estimate fair value, which is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of units outstanding. Participants' transactions (purchases and sales) may occur daily. To assess the reasonableness of the fair value methodology used for the trust, the Plan's Fiduciary Committee, with the assistance of an investment advisor, evaluates a variety of factors including economic conditions, industry and market developments, and overall credit ratings.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methods or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2022:

	Level 1	Total
Mutual funds	\$ 1,294,649	\$ 1,294,649
Investments measured at NAV ^(a)		5,885,990
Investments, at fair value		<u>\$ 7,180,639</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2021:

	Level 1	Total
Mutual funds	\$ 1,174,761	\$ 1,174,761
Investments measured at NAV ^(a)		5,083,902
Investments, at fair value		<u>\$ 6,258,663</u>

^(a) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

HIAS, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

In accordance with the fair value measurements and disclosures guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for Plan investments, the fair values of which are estimated using the NAV per share as of December 31, 2022 and 2021:

	2022	2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds ^(b)	\$ 5,885,990	\$ 5,083,902	None	Daily	None
Total	<u>\$ 5,885,990</u>	<u>\$ 5,083,902</u>			

^(b) The funds in this category files as a direct filing entities and as such, investment strategy disclosures are not required.

NOTE E - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants to take loans against their account balances. The Plan's assets include notes receivable from participants. Certain investments are held at Alliance Bernstein which is affiliated to the Plan's Investment Advisor, as such, those funds qualify as parties in interest. Fees paid during the year for legal, accounting and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

NOTE F - TAX STATUS

The Company has adopted a prototype plan, which has received an opinion letter dated March 31, 2014 stating the prototype plan and related trust are acceptable under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has since been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan Sponsor believes the Plan will maintain its tax-qualified status and the related participant accounts are tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires management to evaluate tax positions and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

Participants invest in various mutual funds offered by the Plan. The Plan Sponsor selects the investment vehicles offered within the Plan to provide appropriate investment options to participants. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - PROHIBITED TRANSACTIONS

During the Plan years ended December 31, 2022, 2021, and 2020, the Plan Sponsor had untimely remittances for certain participant contributions as required by the United States Department of Labor ("DOL") regulations. For the years ended December 31, 2022, 2021, and 2020 delinquent participant contributions totaled \$154,050, \$151,124, and \$135,328, respectively. As such, the late deposits are considered prohibited transactions. The Plan Sponsor is in the process of taking the necessary steps to bring the Plan's operations into compliance with the DOL regulations in relation to the untimely remittances.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE J - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2022 financial statements for subsequent events through October 16, 2023, the date the financial statements were available to be issued.

Plan management is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
