INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Governance of
Somerset Community Services, Inc. 401(k) Plan
Marion, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Somerset Community Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to *29 CFR 2520.103-8* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with *29 CFR 2520.103-5* of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, on the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United State of America.

To the Plan Administrator and Governance of
Somerset Community Services, Inc. 401(k) Plan

Opinion (Cont.)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Somerset Community Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements on the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Somerset Community Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with Generally Accepted Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator and Governance of
Somerset Community Services, Inc. 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)

In performing an audit in accordance with Generally Accepted Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Somerset Community Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Somerset Community Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, on the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) and Schedule H, line 4a – Schedule of delinquent participant contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Governance of
Somerset Community Services, Inc. 401(k) Plan

Supplemental Schedules Required by ERISA (Cont.)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The following description of the Somerset Community Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Somerset Community Services, Inc. 401(k) Plan was established January 1, 2016. The Plan covers substantially all employees of Somerset Community Services, Inc. (the Employer). Per Plan provisions, certain employees of the Employer who have reached age 21 shall be eligible to participate in the Plan. Entry dates are the date on which the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to defer up to 100% of his or her compensation up to IRS limits and have such deferrals contributed by the Employer to his or her account under the Plan. The Employer matches a contribution equal to a discretionary percentage of the participant's compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into the various investment options offered by the Plan.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting for the employer's matching contribution is according to the following schedule.

0-1	33%
2	66%
3	100%

Somerset Community Services, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 1 - Description of Plan (Cont.)

Notes Receivable from Participants: Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. These loans are secured by the vested portion of the Participant's account and bear interest at rates ranging from 4.25% to 8.00%. Repayment of the loans must be completed within five years, unless the loan proceeds are used to purchase a primary place of residence. Repayment of loans is provided through automatic payroll deduction.

Payment of Benefits: Upon severance of employment or after the attainment of age 59 1/2, a participant may elect to receive either a lump sum distribution amount equal to the value of the participant's vested interest in his or her account, or annual installments that do not exceed the life expectancy of the participant or beneficiary. Eligible distributions may also be rolled over to another qualifying plan or IRA. Hardship withdrawals are permitted in accordance with Internal Revenue Service regulations.

Forfeited Accounts: Forfeitures can be used to reduce Employer contributions or pay Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$24,693 and \$20,628, respectively. Employer contributions were reduced by \$414 and \$1,406 for the years ended December 31, 2022 and 2021, respectively.

Administrative Expenses: The administrative expenses related to the Plan's Trustee are paid by the Plan. The Employer pays all other administrative expenses of the Plan.

Reclassifications: Certain reclassifications of prior year balances were made to conform to the current year presentation.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the modified cash basis of accounting, which is a comprehensive basis of accounting other than Generally Accepted Accounting Principles. Under the modified cash basis of accounting, revenue, gains, expenses, and losses are generally recorded when paid.

Estimates

The preparation of financial statements may require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Somerset Community Services, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 2 - Summary of Accounting Policies (Cont.)

Contributions and Related Receivables

Contributions from Plan participants are recorded in the year in which the participants contributions are withheld from the amounts paid. The Employer matching contributions are recorded in the year in which the Employer designates the contributions. All participant and Employer contributions are participant directed.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. The Plan has determined all notes receivable are fully collectible from the participants vested account balances; consequently, no amount has been recorded as an allowance for doubtful accounts.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants for the year ended December 31, 2022 and 2021 amount to \$455,085 and \$164,137, respectively.

Note 3 - Data Obtained from the Trustee

Investment Data

John Hancock Life Insurance Company is the Trustee for the Plan for the years ending December 31, 2022 and 2021. All data contained in the statements of net assets available for benefits, statement of changes in net assets available for benefits, and Schedule H, Line 4i - schedule of assets (held at end of year) was obtained from data that has been certified as complete and accurate by the Trustee of the Plan for the years ended December 31, 2022 and 2021.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, Line 4i - schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2022.

Note 4 - Investments

During the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$438,419. During the year ended December 31, 2021, the Plan's investments appreciated in value by \$244,387.

Note 5 - Fair Value Measurements

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Somerset Community Services, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 5 - Fair Value Measurements (Cont.)

The asset or liability's fair value measurement level within the fair hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Stable value fund (a)	\$ -	\$ -	\$ -	\$ 47,416
Pooled separate accounts (a)	-	-	-	2,107,481
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,154,897</u>

	2021			
	Level 1	Level 2	Level 3	Total
Stable value fund (a)	\$ -	\$ -	\$ -	\$ 52,393
Pooled separate accounts (a)	-	-	-	2,574,251
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,626,644</u>

- (a) In accordance with *Subtopic 820-10*, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The market value amounts presented in this table are intended to permit reconciliation of the market value hierarchy to the line items presented in the statement of net assets.

Somerset Community Services, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 5 - Fair Value Measurements (Cont.)

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, unfunded commitments, redemption frequency, and redemption notice period for the Plan investments, the fair value of which is estimated using the net asset value per share:

Investment	Fair Value 2022	Fair Value 2021	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts (a)	\$ 2,107,481	\$ 2,574,251	\$ -	Daily	N/A
Stable value fund (b)	\$ 47,416	\$ 52,393	\$ -	Daily	N/A

- (a) The pooled separate accounts are investments represented by a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using NAV per share. The NAV is based upon the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.
- (b) Stable value funds are invested primarily in benefit responsive contracts issued by state regulated insurance companies and banks. In addition, each insurance company either contractually guarantees or obtains contractual guarantees from third parties insuring against the loss of principal deposited into the fund and providing that individual participant withdrawals will be paid promptly at book value even if the Fund's total book value exceeds the market value of underlying securities.

Note 6 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended December 31, 2022 and 2021, there were no reportable transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net value of each participant's account would be distributed in accordance with the Plan's provisions.

Note 8 - Related Party Transactions

Certain Plan investments are shares of units of mutual funds managed by the Trustee as defined in the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$41,508 and \$39,735 for the years ended December 31, 2022 and 2021, respectively.

Somerset Community Services, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS (Cont.)
December 31, 2022 and 2021

Note 9 - Tax Status

The Plan obtained its latest determination letter on November 30, 2020 and is a qualified prototype plan under *Section 401(a) and 401(k) of the Internal Revenue Code (IRC)* that is exempt from federal income taxes under provision of *Section 501(a) of the IRC*. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Service.

Plan management evaluates tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Prohibited Transactions

The accompanying schedule of delinquent participant contributions reflects participant contributions that were not remitted timely to the Trustee. The effect to the financial statements was an understatement of earnings. The amount is deemed immaterial and has not been recorded in the financial statements.

Note 12 - Subsequent Events

The Plan has evaluated the impact of significant subsequent events. Other than those noted below, there have been no subsequent events through October 13, 2023, the date the Plan's financial statements were available to be issued, that require recognition or disclosure.

Subsequent to year end, the Plan has been amended to make a provision for the date of eligibility of participants in the plan effective August 30, 2023.
