INDEPENDENT AUDITOR'S REPORT

Plan Administrator
AGUP Equipment Company 401(k) Plan
Yazoo City, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the financial statements of AGUP Equipment Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of AGUP Equipment Company 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401 (k) plan for all qualifying employees of AGUP Equipment Company (the "Company"). To be eligible to participate in the Plan, an employee must be eighteen or older and have completed at least 60 days of full-time consecutive service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of their eligible pre-tax compensation, as defined by the Plan and subject to certain Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also transfer amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to regulatory requirements. The employer matching contributions are calculated as 50% of participant pre-tax deferral or Roth contributions of the first 8% of employees eligible contributions up to a company match contribution of 4%. Contributions are subject to certain limitations. The Company made matching contributions of \$573,550 for the 2022 Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions and (a) the Company's contributions, (b) an allocation of Plan earnings and losses, and (c) an allocation of net investment income of each fund in which the participant is invested. Each participant account is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions or rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant becomes vested ratably over five years of credited service. Participants are fully vested upon disability, death, reaching normal retirement age, or termination of the Plan.

Participants' interests in any Company contributions and allocated earnings or losses thereon vest as follows:

Years of Service	Vesting Percentage
One Year	20%
Two Years	40%
Three Years	60%
Four Years	80%
Five or More Years	100%

AGUP EQUIPMENT COMPANY 401(k) PLAN
Year Ended December 31, 2022

NOTES TO FINANCIAL STATEMENTS

Note 1. Continued

Payment of Benefits

Benefits are generally payable on termination, retirement, death or disability. Benefits may be paid by either lump-sum payment, minimum required payments or a rollover into a qualified plan (subject to regulatory requirements). After age 59 ½ and participation of at least 5 years, a participant may elect to receive an in-service distribution for all or a portion of their contributed balance but no amounts attributable to employer contributions. Hardship distributions are also available from a participant's elective deferral account balance, subject to regulatory requirements.

Forfeitures

Forfeitures, which result from employees withdrawing from the Plan prior to vesting in Company contributions and earnings or losses thereon, are applied to either reduce Company contributions or to pay administrative expenses of the Plan. During the year ended December 31, 2022, \$19,191 of non-vested forfeitures were applied to reduce plan expenses.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

Note 2. Continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. However, the Plan is required to pay any administrative expenses not paid by the Company.

Note 3. Information Certified and Provided by Mid Atlantic

The information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022, and net depreciation of investments, interest and dividend income for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mid Atlantic Trust Company ("Mid Atlantic"), the custodians of the plan.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification ("ASC") Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

AGUP EQUIPMENT COMPANY 401(k) PLAN
Year Ended December 31, 2022

NOTES TO FINANCIAL STATEMENTS

Note 4. Continued

Collective investment trust: The collective investment trust includes the Principal Stable Value Signature Fund ("Fund") (Level 2). The Fund invests in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The Fund is valued at contract value, as reported by investment managers of the Fund and are supported by unit prices of actual purchases and sales occurring as of or close to the financial statement date resulting in a readily determinable fair value. Participant transactions and redemptions (purchases and sales) may occur daily. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require 30 days advance after written notification has been received. As of December 31, 2022, there were no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3
Cash and Equivalents	\$ 14,903	\$ -	\$ -
Mutual funds	16,188,344	-	-
Collective investment trust	-	3,945,792	-
Total investments at fair value	<u>\$ 16,203,247</u>	<u>\$ 3,945,792</u>	<u>\$ -</u>

Note 5. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by Mid Atlantic. Mid Atlantic is the Custodian of the Plan and, therefore, administrative fees paid to Mid Atlantic for such services qualify as party-in-interest transactions. These fees paid by the Plan totaled \$1,609 for the year ended December 31, 2022.

Other parties-in-interest include BankPlus and EPIC. The Plan paid certain administrative costs to BankPlus in 2022 totaling \$49,579 and certain administrative cost to EPIC in 2022 totaling \$50,221.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 7. Income Tax Status

The Plan has adopted a customized pre-approved plan document sponsored by BankPlus, which received its latest opinion letter dated June 30, 2020 in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "Code"). The Plan document has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

AGUP EQUIPMENT COMPANY 401(k) PLAN
Year Ended December 31, 2022

NOTES TO FINANCIAL STATEMENTS

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Non-Exempt Transactions

During 2022, the plan sponsor inadvertently failed to deposit \$44,330 of participant deferrals within the required timeframe as stated by the DOL regulations. The plan sponsor notified the IRS of the late deposit and reimbursed the plan for lost earnings of \$225. As the late deposit was self-corrected, the TPA determined filing a Form 5330 was not necessary.

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, the date these financial statements were available to be issued. No subsequent events have occurred that require recognition or disclosure.
