INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Buehler Moving & Storage Company 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements
We have performed an audit of the financial statements of Buehler Moving & Storage Company 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA
The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated January 3, 2023 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Buehler Moving & Storage Company 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established January 1, 1969 by Buehler Moving & Storage Company (the "Company" or "Employer") to provide benefits to eligible employees, defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC or the "Code"), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Company's President is the Trustee and is responsible for oversight of the Plan. The Plan's Trustee also determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Company has appointed a Plan Administrator to manage the operation and administration of the Plan. The Company has contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC to act as the custodians and third-party administrator affiliated with the Plan to process and maintain the records of participant data. BOK Financial serves as the investment advisor.

Eligibility

Employees of the Company are eligible to participate in the Plan by contributing elective deferrals after completing three months of service and having reached the age of 21. After completing one year of service (one year of service is equivalent to 1,000 hours), Employees of the Company are also eligible to receive Company matching and non-elective contributions.

Participant Contributions

Participants may contribute up to 100% of their eligible compensation to the Plan; however, the contribution amount is limited to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit and defined-contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

Any Company matching and non-elective contributions are discretionary as determined by the Company. The Company made discretionary matching contributions of 25% of the employee's elective deferral up to 3% of compensation from June 1, 2022 through December 31, 2022. There were no non-elective contributions made by the Company for the Plan year ended December 31, 2022.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the Employer's contribution. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments, as made available and determined by the Trustee. Participants may change their investment options at any time throughout the year via the Empower website.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and additional non-elective contributions plus actual earnings thereon is based on years of continuous service.

A participant is fully vested after six years of credited service. Participants are also fully vested in all Company contributions plus actual earnings thereon if they are employees upon their normal retirement age, they reach early retirement age, they die while an employee, or they terminate employment with the Company due to a total and permanent disability as defined in the Plan.

Matching and additional non-elective contributions vest as follows:

Years of Vesting Service	Vesting Percentage
Fewer than 2	0%
2 or more but fewer than 3	20%
3 or more but fewer than 4	40%
4 or more but fewer than 5	60%
5 or more but fewer than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the year before the loan date or 50 percent of the participant's vested account balance. The number of loans a participant may have outstanding at one time is one. Loan terms range from 1-5 years for general purpose loans or 6-15 years for principal residence loans. The loans are secured by the balance in the participant's accounts. Rates are based on a formula of the U.S. Prime Rate plus one percent and are reset upon changes to the U.S. Prime Rate. Principal and interest is paid ratably

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants (Continued)
over the term of the loan through semimonthly payroll deductions. At termination of employment, any outstanding balance is due. If any amount remains unpaid, the loan shall be considered in default and the amount of the outstanding loan will be treated as a distribution. At December 31, 2022, outstanding loans bore interest ranging from 5.25% to 8.25% and mature through 2027. At December 31, 2021, outstanding loans bore interest ranging from 5.25% to 7.00%.

Payment of Benefits
The entire vested interest of a participant becomes payable upon death, retirement or total and permanent disability and can be received in a lump sum or installments within certain limitations. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution or as an annuity as outlined in the Plan document.

The Plan allows for an automatic distribution of participants' account balances that do not exceed $5,000.

Financial Hardship Distributions
The Plan does not allow hardship withdrawals.

Forfeited Accounts
Forfeited balances of terminated participants' nonvested accounts, regardless of the source, may be used to pay plan expenses. Additionally, forfeitures of nonelective contributions may be used to make additional nonelective contributions and forfeitures of matching contributions may be used to reduce Company matching contributions to the Plan. Any balance in the forfeiture account as of December 31 is carried over to the next year. At December 31, 2022 and 2021, forfeited non-vested accounts totaled $7,112 and $7,047, respectively. For the year ended December 31, 2022, no forfeitures were used to pay plan expenses, make additional nonelective contributions, or reduce Company matching contributions to the Plan.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition
Investments are stated at fair value unless reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. See Note 5 for discussion of investments measured at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Management fees charged to the Plan for investments are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the December 31, 2022 and 2021 excess contributions to the applicable participants prior to March 15, 2023 and 2022, respectively.

Payment of Benefits
Benefit payments to participants are recorded when paid.

Administrative Expenses
Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. During the year ended December 31, 2022, administrative expenses were paid by the Plan for distribution processing, recordkeeping, loan administration, and investment management fees. Under the service provider agreement with Empower, certain revenue sharing rebates received from certain mutual funds are used to reduce the investment advisor fee and are netted with expenses on the Statement of Changes in Net Assets Available for Plan Benefits. Revenue sharing rebates credited to the plan expense account totaled $12,797 for the year ended December 31, 2022. Expenses in excess of the rebates are charged to the Plan. Certain investment expenses are net with investment earnings or losses of the investments. Expenses of the Plan that were paid by the Company are excluded from these financial statements.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Uncertain Tax Positions

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or asset, or disclosure, in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through October 16, 2023 the date the financial statements were made available to be issued and has determined that there are no subsequent events that require disclosure.

NOTE 3 – CERTIFIED INFORMATION

Certified information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the custodian of the plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies/mutual funds:
Valued at the daily closing price as reported by the fund. Registered investment companies/mutual funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies/mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 2,871,223	$ -	$ -	$ 2,871,223
Total	**$ 2,871,223**	**$ -**	**$ -**	**$ 2,871,223**

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 3,516,189	$ -	$ -	$ 3,516,189
Total	**$ 3,516,189**	**$ -**	**$ -**	**$ 3,516,189**

NOTE 5 – FIXED ANNUITY CONTRACT

Key Guaranteed Portfolio Fund

The Plan has entered into a fully benefit-responsive fixed-rate group annuity contract with Empower Annuity Insurance Company of America (Empower). The Key Guaranteed Portfolio Fund is a benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rates are based on a formula agreed-upon with Empower. Such interest rates are reset quarterly. The average quarterly interest rate for the Key Guaranteed Portfolio Fund during 2022 was 0.94%. The average quarterly interest rate for the Key Guaranteed Portfolio Fund during 2021 was 0.90%.

The contract meets the fully benefit-responsive contract criteria and therefore is reported at contract value. Contract value is the permitted measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The fund reserves the right to restrict transfers for up to 30 days in the event of excessive participant trading.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 – FIXED ANNUITY CONTRACT (Continued)

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants qualify as party-in-interest. Additionally, certain Plan investments are managed by Empower Annuity Insurance Company of America (Empower). Empower is the custodian and third-party administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan sponsor pays directly any other fees related to the Plan's operations. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time, by resolution of its board of directors, and is subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease, and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 8 – TAX STATUS

The Plan has adopted a non-standardized form of a volume submitter plan, sponsored by Empower Retirement, LLC. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since the volume submitter plan received the opinion letter. The Plan administrator believes the Plan is designed, and is being operated, in compliance with the applicable provisions of the IRC.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits, and the statement of changes in net assets available for plan benefits.

NOTE 10 – FORM 5500 RECONCILIATION

The following is a reconciliation of net assets available for plan benefits and statement of changes in net assets available for plan benefits, per the financial statements to the Form 5500:

	2022	2021
Net assets available for plan benefits per the financial statements	$ 2,936,782	$ 3,577,661

Excess contributions payable, December 31, 2022	41,208
Net income per Form 5500	**$ (607,199)**

NOTE 11 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Employer is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan years ended December 31, 2016, 2017, 2018 and 2019, the Employer failed to remit certain participant contributions totaling $87,603 within the required time frame as stated by the United States Department of Labor (DOL). The Employer will determine the total amount owed to the affected participants for potential lost earnings due to the delay and will remit the appropriate amounts to the Plan during the year ending December 31, 2023.
