INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Webster Dental Care Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Webster Dental Care Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2022, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 17, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

WEBSTER DENTAL CARE GROUP LLC 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Webster Dental Care Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General. The Plan is a voluntary, participant-directed, defined-contribution savings plan, that provides for all eligible employees of Webster Dental Care Group and participating employers, as defined in the Plan (collectively, the “Employer”) the opportunity to invest for retirement. The Plan excludes leased employees, union employees, independent contractors, and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility. All non-collectively bargained employees, that have completed 6 months and 1,000 hours of service with the Employer, are eligible to participate in the Plan with entry on the first day of January or the first day of July following meeting the eligibility requirements. All employees who have met the requirements, as defined in the Plan Document, are eligible for Employer contributions.

Participant Contributions. Participants may voluntarily elect to contribute a percentage of their pre-tax and/or post-tax compensation, as defined in the Plan, subject to amounts established by the Internal Revenue Code (the “IRC”). All participants who reach age 50 by the end of the Plan year may also make additional catch-up contributions, subject to amounts established by the IRC.

The Plan accepts rollovers and transfers as defined in the Plan document. Rollover contributions consist of contributions from other employers’ plans, which employees have elected to include with the Plan.

Employer Contributions. The Employer elected to make safe-harbor matching contributions equal to 100% of participant deferrals up to 3% of compensation and 50% of participant deferrals between 3% and 5% of compensation. The Employer may also make discretionary matching and/or profit-sharing contributions, as defined in the Plan Document. There were no Employer discretionary contributions elected for the year ended December 31, 2022.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, any Employer contributions, the participant’s earnings or losses, and charged with an allocation of administrative expenses. Employer contributions to the Plan are invested among investment funds in the same proportion as the participant’s contributions.

Investment Options. Investments with John Hancock Life Insurance Company (U.S.A), the custodian of the Plan (the “Custodian” or “John Hancock”, a qualified institution as defined under ERISA), may be made in various offered fund vehicles, and participants may elect to have their contributions invested in any of these funds. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options at any time as long as they are in compliance with the Custodian’s rules with regard to excessive trading.

Vesting. Participants are immediately vested in their contributions, qualified non-elective contributions and Employer safe-harbor matching contributions plus actual earnings thereon. Vesting in the Employer discretionary contributions are based on years of continuous service. A participant is 20% vested after two years of credited services and vests 20% per year thereafter, until becoming fully vested after six years of credited service. Notwithstanding the above, a participant is fully vested upon reaching a normal retirement age, death, or permanent disability.

Notes Receivable from Participants. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balances or \$50,000. Loans issued bear interest at a rate of prime plus 1.00%. A participant may only have one loan outstanding at any given time. Terms depend on the type of loan; a general loan must be repaid within five years, while loans to acquire a primary residence shall be repaid over a longer time period, up to 15 years. Loans are repaid through payroll deductions and are secured by the balances in the participant’s accounts.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Payments of Benefits. Upon termination of service, a participant may elect, at any time, to receive either a cash lump-sum amount equal to the value of his or her vested account, installment payments, partial payments or a rollover directly to their account of choice. When a participant retires or reaches normal retirement age or terminates employment because of death or disability, the entire vested amount in the participant's account can be distributed in a lump-sum or installment payments.

In-Service Withdrawals. Participants attaining the age of 59 ½ may request a withdrawal of all or part of the vested portion of their accounts. Also, in the event a participant suffers financial hardship, as defined in the Plan, the participant may withdraw all or part of the vested portion of their account. Participant rollover withdrawals may be made at any time.

Forfeitures. Forfeitures balances may be used to pay Plan expenses or to reduce Employer contributions. Forfeited non-vested account balances were \$4,386 and \$1,001 as of December 31, 2022 and 2021. There were no forfeitures used to reduce Employer contributions or pay Plan expenses for the year ended December 31, 2022.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates and Assumptions. The preparation of the Plan's financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

(Continued)

WEBSTER DENTAL CARE GROUP LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Concentrations of Credit Risk. Substantially all of the Plan's investments are held by the Custodian.

Administrative Expenses. Certain administrative expenses of the Plan are paid by the Employer and are not included in these financial statements. The Employer does not intend to obtain reimbursement for such expenses.

Recent Accounting Pronouncements. In June 2016, Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's administrator ("Plan Administrator") has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified certain information included in the accompanying financial statements and supplemental schedules are complete and accurate as follows:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2022, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2. Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3. Inputs that are both unobservable and significant to the fair value measurement.

(Continued)

WEBSTER DENTAL CARE GROUP LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Pooled Separate Accounts. Valued at net asset value of the underlying funds at year end ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 5,520,871	N/A	Daily	None
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 6,497,007	N/A	Daily	None

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – INCOME TAX STATUS

The Plan adopted a prototype plan and received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that the document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

WEBSTER DENTAL CARE GROUP LLC 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 7 – RELATED-PARTY TRANSACTIONS**

Various investments are managed by the Custodian. These transactions are allowable party-in-interest transactions under ERISA and the regulations promulgated thereunder.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for investing in numerous funds, which invest in various types of investment securities and in various companies within various markets. Investment securities, generally, are exposed to several risks, such as interest rate, market, and credit risks. Due to the level risk associated with the funds, it is reasonably possible that changes in the values of the funds will occur in the near term and such changes could materially affect the amounts reported in the financial statements and supplementary schedules.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Employer remitted certain 2022 participant contributions to the Custodian later than required by the Department of Labor (“DOL”) Regulation 2510.3–102, totaling \$54,753. The Employer will correct these late remittances including crediting participant accounts with the amount of investment income which would have been earned had the participant deferrals been remitted on a timely basis.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2022 through October 16, 2023, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
