To the Trustees  
Dalby, Wendland, and Company, P.C.  
Salary Reduction Profit Sharing Plan  
Grand Junction, Colorado

In planning and performing our audit of the financial statements of Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan (the Plan), as of and for the year ended December 31, 2022, we considered its internal controls to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal controls.

This letter provides comments and suggestions concerning internal controls, financial accounting and other matters identified during our audit that are opportunities to strengthen the Plan's internal controls and operating efficiency. We believe these matters would be of interest and concern to management, those charged with governance and others within the Plan. This letter does not affect our report dated October 16, 2023 on the financial statements of Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan.

We would like to thank management and the Trustees for giving us the opportunity to provide professional services to Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan. We would also like to thank the team that prepared the necessary information in order for us to conduct the audit. We look forward to serving you in the future.

Cordially,

## **GOVERNING BOARD MATTERS**

### **Our Responsibility under Generally Accepted Auditing Standards**

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated June 26, 2023. Professional standards also require that we communicate to you and the Audit Committee or group formally designated with oversight of financial reporting the following information related to our audit.

As stated in our engagement letter, our responsibility as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

This information is intended solely for the use of the Trustee and management of the Plan and it is not intended to be and should not be used by anyone other than those specified parties.

### **Significant Accounting Policies**

Management has the responsibility of selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in the notes to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the fiscal year ended December 31, 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

### **Accounting Estimates**

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Fair value of investment contracts

We evaluated the key factors and assumptions used to develop this estimate in determining that it is reasonable to the financial statements taken as a whole.

Dalby, Wendland, and Company, P.C.  
Salary Reduction Profit Sharing Plan  
Required communication with those charged with governance

### **Financial Statement Disclosures**

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements, which are included in the notes to the financial statements were:

- Investments
- Fair value measurements
- Related party transactions

### **Corrected and Uncorrected Misstatements**

For purposes of this letter, professional standards define a misstatement as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. A misstatement may or may not indicate matters that could have a material effect, both individually and in the aggregate, on the Plan's financial reporting process. No misstatements were corrected as a result of our audit procedures.

### **Management Consultations with Other Independent Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### **Management Representations**

We have requested certain representations from management that are included in the management representation letter dated October 16, 2023.

### **Disagreements with Management**

For the purpose of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### **Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management while performing and completing our audit.

### **Other Matters**

We generally discuss with management each year, prior to retention as the Plan's auditors, a variety of matters, including but not limited to the application of accounting principles and auditing standards. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the  
Dalby, Wendland, and Company, P.C.  
Salary Reduction Profit Sharing Plan  
Grand Junction, Colorado

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of

America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Management's Responsibility for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibility for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **2022 Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DALBY, WENDLAND, AND COMPANY, P.C.  
SALARY REDUCTION PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

NOTE A - DESCRIPTION OF PLAN

The following description of the Dalby, Wendland, and Company, P.C. Salary Reduction Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

Dalby, Wendland, and Company, P.C. (the Company), established the Plan on July 28, 1987. The Plan is a defined contribution plan. Employees who are not considered interns are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The most recent plan restatement was effective in January 2022 and has subsequently been amended to comply with current law, including an automatic enrollment.

CONTRIBUTIONS

*Employee Contributions*

Participants are permitted to contribute up to 100% of their annual compensation, as defined in the Plan document, to the Plan on a pre-tax or after-tax (Roth) basis. Contributions may not exceed dollar limits set by the Internal Revenue Code (IRC). Rollover contributions from qualified plans are also allowed under provisions of the Plan.

The Plan also includes an automatic enrollment feature. The automatic enrollment feature is a mechanism under which an eligible employee who does not make an affirmative election to make pre-tax or Roth after-tax contributions to the Plan is automatically enrolled in the Plan to make a 6% pre-tax contribution, unless the eligible employee specifically elects not to participate in the Plan or the eligible employee makes an affirmative election to defer a different percentage of their compensation.

*Employer Contributions*

The Company contributes a safe harbor matching contribution equal to 100% of each participant's deferrals up to 1% of eligible compensation, and 50% of each participant's deferrals that exceed 1% of eligible compensation but do not exceed 6% of eligible compensation.

PARTICIPANT ACCOUNTS

The Plan provides for participant-directed investments. Participants may direct all or any portion of their investments to any of the investment choices offered. In addition, participants may borrow from the vested portions of their accounts in accordance with Plan guidelines.

Each participant's account is credited with the participant's contributions and allocations of, (a) the Company's contribution and, (b) the account's earnings and administrative fees charged.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

NOTE A - DESCRIPTION OF PLAN (continued)

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a participant-directed investment. Loan terms range from one to five years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through bi-weekly or monthly payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service, a participant will receive a lump-sum payment equal to the value of his or her account, provided the account does not have a value greater than \$1,000 and an election has not been made to directly rollover the balance to an IRA. Participants with account values of at least \$1,000 but less than \$5,000 may receive a lump-sum payment, elect to rollover the balance to another plan or IRA, or if no other option is selected, the balance will be rolled over to an IRA on behalf of the participant. If a participant's account value is \$5,000 or more, the participant may elect to (1) receive a single lump-sum payment, (2) receive installment payments over a period of time commensurate with their assumed life expectancy, or (3) receive partial withdrawals.

Participants may also make certain voluntary in-service withdrawals after age 59 ½ or if a participant experiences financial hardship for which certain conditions are met.

VESTING

Participants are immediately vested in their contributions to the Plan plus actual earnings.

Vesting in the Company's safe harbor matching contributions is based on an employee's number of years of continuous service. A year of service is defined as at least 1,000 hours of service during a Plan year. A participant vests with each continuous year of service based on the schedule below:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 2             | 0%                |
| 2                       | 100%              |

FORFEITURES

At December 31, 2022, there were forfeited nonvested accounts totaling \$19,887. For the year ended December 31, 2022, all forfeitures were used to offset employer contributions.

NOTE A - DESCRIPTION OF PLAN (continued)

ADMINISTRATIVE EXPENSES

The Company has adopted a policy of paying for certain administrative expenses of the Plan, including in-house personnel record keeping and telecommunication charges, and fees for trust accounting and annual audits. For the year ended December 31, 2022, administrative expenses totaled \$1,746, which are included in other expenses.

TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan documents to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, all amounts credited to participants' accounts will be one hundred percent (100%) vested and non-forfeitable.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual basis of accounting.

ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities as of the date of the financial statements. Accordingly, actual results may differ from those estimates.

INVESTMENTS

The Plan's mutual fund investments are stated at fair value. Purchases and sales of investments are reflected on a trade-date basis. The plan's fully benefit-responsive investment contract is stated at contract value (see Note C). Interest and dividend income are recorded as earned on an accrual basis.

The difference between the fair value and the cost of investments is reflected as net appreciation/depreciation in value of investments in the accompanying statement of changes in net assets available for benefits.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments and the uncertainty related to the changes in their value, it is at least reasonably possible that changes in values in the near term could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE C - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that items recorded at fair market value be valued as level one, two or three based on the various inputs and methodologies used to value the holdings as summarized below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may result in a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets as of December 31, 2021:

|              | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|--------------|----------------------|----------------|----------------|----------------------|
| Mutual funds | \$ <u>14,279,622</u> | \$ <u>-</u>    | \$ <u>-</u>    | \$ <u>14,279,622</u> |

INVESTMENT CONTRACT WITH CUSTODIAN

The Plan entered into a fully benefit-responsive guaranteed investment contract with Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Voya Retirement Insurance and Annuity Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed for resetting on a quarterly basis.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE D - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than by direct payment. The Plan did not make direct payments to Voya Retirement Insurance and Annuity Company for the year ended December 31, 2022. The Plan Sponsor directly pays any other fees related to the Plan's operations.

Administrative fees incurred by the Plan and paid to the custodians for the year ended December 31, 2022 amounted to \$1,746 and are considered as party-in-interest transactions.

NOTE E - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated July 28, 1987, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by a plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE F - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Voya Institutional Trust Company for the period from February 1, 2022 through December 31, 2022 a Fidelity Management Trust Company, the trustee of the Plan for the period from January 1, 2022 through January 31 2022, have certified to the completeness and accuracy of all investments reflected one accompanying statement of net assets available for benefits as of December 31, 2022, the supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

NOTE G - SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Company recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before financial statements are available to be issued.

The Plan's management has evaluated subsequent events through October 16, 2023, which is the date through which the financial statements were available to be issued, and no events were identified impacting the accompanying financial statements and disclosures.
