## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
the Youth Co-Op, Inc. Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Youth Co-Op, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## 2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(C), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated February 14, 2023, expressed in their opinion—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**YOUTH CO-OP, INC. RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS**

**A. DESCRIPTION OF PLAN**

The following description of the Youth Co-Op, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution pension plan covering all full time employees of Youth Co-Op, Inc. (the "Employer") who have one year of service of at least 1,000 hours and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Contributions**

For 2022, participants may contribute up to 100% of pretax annual compensation up to the annual IRS maximum 401(k) deferral limit of \$20,500 in 2022. Participants who have attained age 50 or over were permitted an additional \$6,500 pretax contribution as "Employee Catch-up Contributions". Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans (rollover).

The Employer contribution is discretionary and will decide after the end of each year how much, if any, they will contribute to the plan. For the fiscal year ended December 31, 2022, the employer contributed a percentage (currently 6.5%) of total eligible salaries to the retirement plan of all eligible staff.

Participants may direct the investments of their contributions in one percentage point increments into the various investment options offered by the Plan. Participants can change investment options daily.

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service in accordance with the following schedule:

| <b><u>Years of Service</u></b> | <b><u>Vested percentage</u></b> |
|--------------------------------|---------------------------------|
| 0-1                            | 0%                              |
| 2                              | 20%                             |
| 3                              | 40%                             |
| 4                              | 60%                             |
| 5                              | 80%                             |
| 6                              | 100%                            |

## **A. DESCRIPTION OF PLAN (CONTINUED)**

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, rollover contributions, the Employer's contributions, and allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Notes Receivable from Participants**

Participants may borrow from their fund accounts an amount up to the lesser of \$50,000 or 50% of their vested account balance. Participants cannot have more than one loan outstanding at any time, and no loan may be for an amount less than \$1,000. The maximum loan term is five years unless the loan is for the purchase of a primary residence for which the maximum loan term is thirty years. The loans are secured by the balance in the participants account and bear interest at a rate commensurate with local prevailing rates as determined from time to time by the Plan Administrator. Principal and interest is paid ratably through payroll deductions or other methods as approved by the Plan Administrator.

### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or have them directly rolled over into another qualified plan or Individual Retirement Account.

### **Hardship Withdrawals**

The Plan allows for withdrawals due to financial hardship. A hardship distribution may only be made for payment of the following:

- expenses for medical care (described in Section 213(d) of the Internal Revenue Code) previously incurred by the participant or his/her spouse, dependents or beneficiaries to obtain medical care.
- costs directly related to the purchase of the participant's principal residence (excluding mortgage payments).
- tuition, related educational fees, and room and board expenses for the next twelve (12) months of post-secondary education for the participant or his/her spouse, dependents or beneficiaries.
- amounts necessary to prevent eviction from the participant's principal residence or foreclosure on the mortgage of the participant's principal residence.
- payments for burial or funeral expenses for the participant's deceased parent, spouse, children, other dependents or beneficiaries.
- expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

**A. DESCRIPTION OF PLAN (CONTINUED)**

**Rollovers**

Rollovers represent transfer of eligible cash distribution from any other qualified plan through a direct transfer from such plan.

**Administration of Plan Assets**

The Employer's and participants' contributions are managed and held by the custodian, Equitable Life Insurance Company ("Equitable"), who invests the contributions and actual earnings as directed by the participant. Equitable also administers the payment of interest and principal on loans granted to a participant. The participant makes loan repayments to the Employer, which then forwards them to Equitable.

**Forfeited Accounts**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$69,598 and \$33,453, respectively. These accounts may be used to offset plan expense or reduce future employer's contributions. Also, in 2022, forfeited non-vested accounts totaling \$35,303 were reallocated to participants.

**B. SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

**Plan Year**

The effective date of the Plan was January 1, 1989 and the Plan reports on a calendar year basis. The Board of Directors of the Employer established the Plan.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for Guaranteed Interest Option contract, which is reports at contract value. See Note D). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accordingly, net appreciation and depreciation in the fair value of investments is recorded in the accompanying financial statements. See Note E for Fair Value Measurement.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Cash**

Cash includes cash on hand and demand deposit. There were no cash equivalents as of December 31, 2022 and 2021.

## **B. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021, as the notes are secured by the balance in the participants account. For participant loans in default which the participant has a distributable event, such as employee termination, death, or disability, the loan would be considered a distribution and the participant loan is removed from the statement of net assets available for benefits and a distribution is recorded. For active participants who have not incurred a distributable event, but have a delinquent loan, the participant loan remains outstanding until the distributable event occurs. As of December 31, 2022, the plan has \$212,347 in delinquent loans for active participants that are included in notes receivable from participants.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless other-wise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Date of Management Review**

The Plan has evaluated subsequent events through October 16, 2023, which is the date that the financial statements were available to be issued.

## **C. FAIR VALUE MEASUREMENT**

Accounting Standard Codification (ASC) 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires a Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

**C. FAIR VALUE MEASUREMENT (CONTINUED)**

*Level 1* - *Unadjusted* quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

*Level 2* - Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly;

*Level 3* - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is the description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

The Plan's investment choices represent pooled separate accounts that are represented by a "unit of account" and per unit value, much like a mutual fund, whose values is the result of the accumulated values of the underlying investments. The Plan's investments are valued at Level 2 because quoted market prices at per unit value are not available. The value of this type of investment is calculated daily by the fund administrator. Its initial pricing input is the quoted share prices obtained for the underlying mutual funds, which is then adjusted to apply any applicable expense factors.

The fair value of assets measured on a recurring basis at December 31, 2022 and 2021 are as follows:

| <u>Assets at Fair Value as of December 31, 2022</u> |                |                |                |               |

|                                                     | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>  |
| Pooled separate accounts                            | \$ -           | \$ 10,759,077  | \$ -           | \$ 10,759,077 |

#### **D. GUARANTEED INTEREST OPTION**

The plan entered into a guaranteed interest option with Equitable Life Insurance Company. Equitable stable value option is a guaranteed interest account provided throughout a group annuity contract. Under the terms of the contract, any amount allocated to the Guaranteed Interest Option ("GIO") becomes part of the Trustee's general account. The Trustee is the owner of the assets in the general account. The GIO does not provide a maturity date but it does, however, provide a minimum guaranteed interest rate of 1.5%. The actual rate of interest credited during the time over which the funds are invested in the GIO is declared periodically and therefore is subject to change. The GIO is not considered to be fully-benefit-responsive.

The GIO is valued at contract value, which is the relevant measurement attribute for that portion of the net assets available for benefits attributed to the guaranteed investment contract. Contract value, as reported to the Plan by the Trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participant withdrawals are permitted as specified in the contract and are not subject to any market value adjustment. The GIO is not included in the fair value schedule in Note C since it is valued at contract value; therefore, is not subject to leveling requirements under ASU 820.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract as of December 31, 2022 and 2021 was \$801,950 and \$708,528, respectively. Interest is credited, based upon the daily balance, at a rate that is the minimum interest rate guaranteed over the life of the contract, the annual minimum guaranteed interest rate for the calendar year, or the current interest rate; according to the procedures in effect at the time. The current interest rate as of December 31, 2022 was 1.50%. The current interest rate will never be less than the lifetime minimum rate.

#### **E. RISK AND UNCERTAINTIES**

The Plan has investments in pooled separate accounts which may or may not invest in registered investment companies, commonly referred to as mutual funds, which invest in a combination of stocks, bonds, government securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in risks, it is reasonably possible that in the near term these uncertainties would materially affect balances and the amounts reported in the statement of plan net assets available for benefits and the statement of changes in net assets available for benefits.

The Plan's cash balance may, at times, exceed federally insured limits. At December 31, 2022, the Plan's uninsured cash balance totaled \$1,718,908. However, the Plan maintains its cash with a high quality financial institution which the Plan believes mitigates this risk.

#### **F. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will immediately become 100% vested in their employer contributions.

## **G. TAX STATUS**

The underlying volume submitter plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS volume submitter plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2022, the Plan does not believe that it has taken any tax position that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would increase or decrease within the next twelve months. The Plan's federal tax returns are currently open for examination by the Internal Revenue Service and applicable state authorities. Statutes of limitation generally range from three to five years.

## **H. RELATED PARTY TRANSACTIONS**

Certain Plan investments are units of pooled separate accounts and collective trust managed by Equitable Life Insurance Company. Equitable Life Insurance Company is the trustee and the recordkeeper, as defined by the Plan, and therefore, these transactions qualify as party-in-interest. During the year ended December 31, 2022, fees paid by the Plan for record keeping services amounted to \$89,250.

## **I. CERTIFIED FINANCIAL DATA**

All financial information contained in the Statements of Net Assets Available for Benefits and the Statement of Changes in Nets Assets Available for Benefits regarding investments and investment income (loss) has been certified by Equitable Life Insurance Company as complete and accurate in accordance with Regulation 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Act of 1974.
