Independent Auditors' Report

To the Administrative Committee of the
G and E Healthcare Services, LLC 401(k) Plan
Pasadena, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of G and E Healthcare Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of G and E Healthcare Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of G and E Healthcare Services, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about G and E Healthcare Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of G and E Healthcare Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about G and E Healthcare Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of

the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the G and E Healthcare Services, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement (the Adoption Agreement) for more complete information on the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2022. The Plan covers substantially all employees of G and E Healthcare Services LLC dba Astoria Nursing and Rehab Center (the Company) and its Affiliated Companies. Affiliated Companies are defined as members of a controlled group of companies or other entities that are under common control. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code (IRC), and has been amended at various dates through December 31, 2022 to comply with applicable laws and regulations.

Plan Administration

The Company is the plan administrator and is responsible for managing the day-to-day operations of the Plan. John Hancock Life Insurance Company U.S.A. (John Hancock) is the custodian and recordkeeper of the Plan and is responsible for custody and management of the Plan's assets and for administering all investment transactions directed by the Plan participants.

Contributions

Employees who are at least 21 years old are eligible to participate upon completion of one year of service. All eligible employees are automatically enrolled to defer 4% of their eligible compensation as pre- and/or post-tax contributions. Employees may elect not to defer or choose a different percentage of deferral up to 90% of compensation, subject to the IRC limitations, by submitting a new enrollment form. Plan participants over age 50 may defer catch-up contributions, subject to the IRC limitations. Participants may also contribute rollovers representing distributions from other qualified plans into the Plan.

As defined in the Plan, the Company makes safe harbor match of the participant's pre-tax and/or Roth elective contributions, dollar for dollar, up to 4% of eligible compensation. Total matching contributions amounted to \$110,455 for the year ended December 31, 2022.

The Company may also elect to make other matching and profit sharing contributions to the Plan. During the year ended December 31, 2022, the Company did not make other matching and profit sharing contributions to the Plan.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Contributions – Continued

Participants direct the investment of their contributions and their share of the Company's contributions into various investment options offered by the Plan, which consist of pooled separate accounts (PSAs) with underlying investments in mutual funds.

Vesting

Participants are 100% vested in their salary deferral contributions and in the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's other matching and profit sharing contributions and earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant Accounts

Separate accounts are maintained for each participant, which are adjusted to reflect the participant's and Company's contributions, as well as the participant's share of the Plan's income and any related administrative expenses.

Notes Receivable from Participants

Participants are permitted to borrow from their fund accounts as defined by the Adoption Agreement, subject to certain limitations. All notes receivable are adequately secured by the participant's account balance, bear interest as defined by the Adoption Agreement, and generally repaid on an installment basis through payroll deductions over a period not to exceed five years, except when borrowed funds are used to acquire a principal residence.

Payment of Benefits

Upon termination of service due to death, disability or retirement, the participant or beneficiary may receive a lump-sum payment. The Plan's normal retirement age is defined by the Plan document.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits – Continued

If the vested account balance of a terminated participant is \$5,000 or less, the entire balance will be paid out. For mandatory distributions in excess of \$1,000, the participant may elect to either directly transfer the vested account balance to an Individual Retirement Account (IRA) or another qualified plan or receive the vested benefits in a lump-sum payment. If no election is made, vested benefits are transferred to a separate IRA established by the Plan.

Forfeitures

Forfeitures of the unvested balance of terminated participants' accounts are used to reduce the Company's future contributions. There were no forfeitures as of and for the year ended December 31, 2022.

Administrative Expenses

All reasonable expenses related to Plan administration are paid from Plan assets, except to the extent expenses are paid by the Company.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. The most important of these estimates and assumptions relate to fair value measurements of the Plan's investments. These and other estimates and assumptions are based on the best available information but actual results could be materially different from those estimates.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statement of net assets available for benefits.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Risks and Uncertainties – Continued

The extent to which the COVID-19 pandemic may materially impact the Plan's investment values in subsequent periods is highly uncertain.

Valuation of Investments

Plan assets invested in pooled separate accounts are stated at fair value, which is determined based on the fair value of the underlying mutual funds. Pooled separate accounts have the characteristics of a structure similar to a mutual fund; therefore, as clarified by Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-10, *Technical Corrections and Improvements*, its value is considered readily determinable as each account publishes a daily price at the end of each day. There are no imposed redemption or liquidation restrictions on participants, and the Plan has no further contractual obligations to further invest in these accounts. As such, investments in pooled separate accounts are classified in Level 2 of the fair value hierarchy.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned.

Recognition of Income

Sales and purchases are accounted for on a trade date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Change in Fair Value of Investments

Net change in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Recent Accounting Pronouncements

In the normal course of business, the Plan evaluates all new accounting pronouncements to determine the potential impact they may have on its financial statements. Based upon this review, the Plan does not expect any of the recently issued accounting pronouncements, which have not already been adopted by the Plan, to have a material impact on its financial statements.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Subsequent Events

The Plan evaluated for recognition or disclosure in these financial statements the subsequent events through report issuance date, and except for the fidelity bond insurance coverage disclosed in Note 8, no such events were identified.

NOTE 3 - INCOME TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing plan that received its latest favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the underlying pre-approved plan document is qualified under Section 401 of the IRC, and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes that the Plan operates in accordance with applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In accordance with GAAP, Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there were no uncertain positions taken or expected to be taken. As a result, the Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to amend or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested for any portion of their accounts not fully vested previously.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN – CONTINUED

Accordingly, the custodian of the Plan has certified to the completeness and accuracy of all investments reflected in the accompanying statement of net assets available for benefits as of December 31, 2022, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

Completeness and accuracy of investments certified by the custodian of the Plan is as follows at December 31, 2022:

Investments:

Pooled separate accounts	\$	358,048
--------------------------	----	---------

Completeness and accuracy of related investment activity certified by the custodian of the Plan is as follows for the year ended December 31, 2022:

Investment income (loss):

Net change in fair value of investments	\$	(831)
---	----	-------

NOTE 6 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an exit price). The fair value hierarchy prioritized the inputs to valuation techniques used to measure fair value into three levels, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one level to another. In such instances, the transfer is reported at the end of the reporting period. There have been no changes in the valuation methodologies used to value the Plan's assets at fair value during the year ended December 31, 2022, and there were no significant transfers in or out of Levels 1, 2, or 3.

G AND E HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS – CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022:

	Fair Value Measurement at December 31, 2022 Using Input Type			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ <u>358,048</u>	\$ <u>-</u>	\$ <u>358,048</u>	\$ <u>-</u>
Total investments at fair value	\$ <u>358,048</u>	\$ <u>-</u>	\$ <u>358,048</u>	\$ <u>-</u>

During the year ended December 31, 2022, the Plan's investments measured at fair value (including dividends, gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$831.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock, the custodian, as defined by the Plan document. Therefore, these transactions qualify as party-in-interest and are denoted as such on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022. However, these party-in-interest transactions are exempt pursuant to ERISA regulations.

NOTE 8 - CONTINGENCY

During the year ended December 31, 2022, the Plan did not have a fidelity bond insurance coverage, as required by ERISA. The plan administrator is not aware of any potential losses that arose during that period. The potential loss, if any, which could result from lack of an insurance coverage cannot be determined, and therefore, no accrual has been recorded in the accompanying statement of net assets available for benefits.

Fidelity bond insurance coverage was obtained effective September 1, 2023.
