## INDEPENDENT AUDITORS' REPORT

The Board of Directors and Participants  
of the Asian Americans for Equality, Inc. 403(b) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Asian Americans for Equality, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that are identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The Supplemental Schedule of Assets (held at end of year) and the Schedule of Delinquent Participant Contributions, as of December 31, 2022, are presented for purposes of additional analysis are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by Principal and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ASIAN AMERICANS FOR EQUALITY, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of Asian Americans for Equality, Inc. 403(b) Plan (the “Plan”) provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- A. **General** — The Plan is an elective deferral contributory defined contribution plan covering all employees of Asian Americans for Equality, Inc. and Subsidiaries (the “Company” or “Sponsor”) that adopted the Plan. It was established January 1, 2016 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2020, the Plan was amended and restated as required by the Internal Revenue Service (“IRS”). The description of the Plan that follows has been updated to reflect any changes.
- B. **Eligibility** — The Plan covers all employees, as defined, employed by Asian Americans for Equality, Inc. or any affiliate who has adopted the Plan. In order to receive Matching Contributions, and Non-Elective Contributions, a participant must have attained the age of 21. For non-elective contributions and matching contributions, there is a service requirement of 3 consecutive months.
- C. **Contributions** — Each year, participants of the Plan may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan, up to the amount allowed under the Internal Revenue Service (“IRS”) rules. Participants who have attained age 50 before the end of the Plan year, and who are making regular contributions, are eligible to make catch-up contributions. The Plan does accept rollovers and transfers from other qualified plans, but only for those employees eligible to participate in the Plan and in accordance with federal rules. Effective January 1, 2016, the Plan was amended to allow Roth contributions to the Plan by the employees.

The Plan has an automatic deferral feature – if an employee does not respond to the deferral election request – the employee is deemed to have made an elective deferral election in the amount of 6% of eligible compensation to be increased in the following manner: 1% increase each year beginning the second year up to a maximum of 10%. These contributions are invested in a Fixed Income Guaranteed Option Fund until changed by the participant. The employee will have 90 days to withdraw automatic contributions which will be adjusted for any gain or loss and subject to federal income tax.

If participants are employed by the Company and are making elective deferrals, the Sponsor, at its own discretion, makes a matching contribution on participants’ behalf in an amount determined by the Sponsor. Matching contributions are allocated to participants’ accounts each pay period.

The Plan has a discretionary match, which is a maximum of 2% for those employees contributing a minimum of 2% to the Plan. In addition, the Plan provides a 1% employer annual contribution for each participant that has worked at least 1000 hours for the year, as of January 1, 2021. Previously, the requirement was 500 hours.

- D. **Participant Accounts** — Each participant's account is credited with the participant's contributions and allocations of (a) the employer's contribution and (b) Plan earnings. Participants' accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment in the Plan, a participant may direct contributions to a variety of investment options offered by the Plan. Participants may change their investment options at any time.

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

- E. **Vesting** — The total value of an employee contributions balance is fully and immediately vested. The employer matching and non-elective employer contribution vests as follows:

| <b><u>Years of Vesting Service</u></b> | <b><u>% Vested</u></b> |
|----------------------------------------|------------------------|
| Less than One Year                     | 0%                     |
| One Year but less than Two Years       | 20%                    |
| Two Years but less than Three Years    | 40%                    |
| Three Years but less than Four Years   | 60%                    |
| Four Years but less than Five Years    | 80%                    |
| Five or More Years                     | 100%                   |

- F. **Forfeitures** — Participants who terminate employment before they are fully vested will forfeit their interest in the employer's contribution portion. Forfeited accounts are generally used to reduce future employer contributions. Forfeitures amounted to \$16,678 and \$2,730 for the years ended December 31, 2022 and 2021, respectively, and were used to reduce employer contributions and/or administrative expenses. Employer contributions were reduced by \$10,507, and administrative expenses were reduced by \$6,171 for the year ended December 31, 2022.
- G. **Notes Receivable from Participants** — Participants may obtain loans from the Plan. The maximum loan is the lesser of \$50,000 or 50% of the participant's vested account balance. Loan repayments are made through payroll deductions over a period that may not exceed five years, unless the loan is used to buy a principal residence for the participant. Participants may only have one loan outstanding at a time.
- H. **Payment of Benefits** — Upon termination of service a participant is entitled to receive a distribution equal to the value of the participant's vested interest in his or her account in one lump-sum payment. When an employee reaches the age of 65 (normal retirement age), the employee may provide the Plan with an election of the timing and the amount of benefits. Benefits due to death may be distributed over a period of time not to exceed the life expectancy of the beneficiary commencing on or before December 31 of the calendar year immediately following the calendar year of the participant's death. If the participant dies after the distributions have begun, the remaining portion of the account will continue to be distributed under the previously elected method of distribution.
- I. **Hardship Withdrawals** — Participants may withdraw all or a portion of their contributions to the extent necessary to meet a "financial hardship" as provided by the Internal Revenue Code ("IRC"). Hardship withdrawals are permitted by the Plan for the purchase of a principal residence, for uninsured medical expenses, for postsecondary education, and for such other safe harbor reasons outlined in the IRC.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. **Basis of Accounting** — The Plan prepares its financial statements using the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** — The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** — Investments, except for fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

- D. **Notes Receivable from Participants** — Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to the participant account. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Sponsor deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Deemed distributions amounted to \$0 and \$5,558 for the years ended December 31, 2022 and 2021, respectively.
- E. **Payment of Benefits** — Benefits are recorded when paid.
- F. **Expenses** — Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. The administrative expenses charged by Principal Life Insurance Company ("Principal"), the custodian of the Plan, amounted to \$39,228 and \$39,336 for the years ended December 31, 2022 and 2021, respectively.

**NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE**

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by Principal and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

Principal has certified to the completeness and accuracy of the investments included in the financial statements as of December 31. The following information, included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified as complete and accurate by the custodian:

**NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (Continued)**

Investment income consisted of the following for the years ended December 31:

|                                                              | <u>2022</u>         | <u>2021</u>       |

Notes receivable from participants of \$36,516 and \$4,250 as of December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$1,194 and \$196 for the years then ended, respectively, have also been certified by the custodian.

**NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan has a fully benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The guaranteed investment contract is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus transfers to the fund and credited interest, less participant withdrawals, transfers out of the fund and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The guaranteed investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Principal may not terminate the contract at any amount less than the contract value. The composite crediting rate for the contract for the years ended December 31, 2022 and 2021, was 1.10% and 0.90%, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value. An employer-level liquidation or employer-initiated transfer of the Plan's interest in the contract will be subject to a five percent surrender charge, whichever the employer chooses. Participant-initiated transfers from the contract may also be subject to the five percent surrender charge when the transfers are requested in anticipation of the employer-level liquidation of the Plan's interest in the contract. If this scenario occurs, the surrender charges will be billed to the employer. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The Plan Sponsor believes that it is unlikely that these events will occur.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 5 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, "Fair Value Measurement," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**ASIAN AMERICANS FOR EQUALITY, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)**

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Mutual Funds**

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") per share and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All of the Plan's financial assets that are reported at fair value are categorized as Level 1 and consisted of mutual funds that amounted to \$3,248,442 and \$3,103,358 as of December 31, 2022 and 2021, respectively.

**Changes in Fair Value Levels**

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2022 and 2021, there were no transfers.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions and the balance of participant accounts will be distributed in a lump sum or by delivery of a fully paid annuity contract as permitted by IRS regulations.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 7 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain of the Plan's investments are products of Principal. Principal is the custodian of the Plan. Fees paid by the Plan to Principal for investment management services and bookkeeping services were included as a reduction of the return on each fund. In addition, the Plan pays certain contract administrator fees to Principal. These transactions qualify as party- in-interest transactions.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9 – TAX STATUS**

On March 31, 2017, the IRS stated that the volume submitter 403(b) adopted by the Plan, as then designed, qualifies under the IRC Section 403(b). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator (and the Plan's tax counsel) believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRS Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS**

In accordance with the Department of Labor's Regulation 2510.3102, an employer is required to segregate participants' contributions and loan repayments from its general assets as soon as practical, but in no event more than the 15th business day following the end of the pay period in which amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the 403(b) Plan.

Contributions for certain payroll periods in 2022 and 2021 amounting to \$18,697 and \$909, respectively, were not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. The Sponsor agreed to absorb all costs incurred by the Plan because of the untimely remittance of the contributions and will correct such delinquency through the Voluntary Fiduciary Correction Program of the Department of Labor.

**NOTE 11 – SUBSEQUENT EVENTS**

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 16, 2023, the date the financial statements were available to be issued.
