Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of  
ECLC of New Jersey Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ECLC of New Jersey Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ECLC of New Jersey Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ECLC of New Jersey Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ECLC of New Jersey Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ECLC of New Jersey Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ECLC of New Jersey Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# ECLC OF NEW JERSEY RETIREMENT PLAN

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

---

### 1. DESCRIPTION OF PLAN

The following description of the ECLC of New Jersey Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for more complete information.

**General** --- The Plan is a defined contribution retirement plan. The Plan sponsor ("administrator") is a member of a controlled group covering all employees of ECLC of New Jersey, Inc., Community Personnel Services, Inc., ECLC of New Jersey P.R.I.D.E. Day Program and ECLC Foundation (collectively referred to as the "Organization"). The Plan was established on September 1, 1987 and has been through various amendments and restatements, and most recent became effective October 1, 2018. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Reliance Trust Company ("RTC"), the Variable Annuity Life Insurance Company ("VALIC") and TIAA/CREFF Financial Services ("TIAA/CREFF") serve as the custodians for the plan. T. Rowe Price serves as the account administrator for Reliance Trust Company.

**Eligibility** --- All employees of the Organization are eligible to make salary reduction contributions, immediately upon hire. Employees become eligible for employer contributions upon attaining 1,000 hours of service. In order to share in the allocation of non-elective contributions, a participant is required to be employed by the Organization, on the last day of the Plan year. Both the hours and day requirement are waived for employees who have attained the normal retirement age and are retiring.

**Contributions** --- Each year, participants may contribute pre-tax and/or Roth contributions up to the maximum allowable amount as mandated under the Internal Revenue Service (the lesser of 100% of eligible compensation or \$20,500, as defined in the Plan). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants with fifteen years of service may make special long service catch-up contributions as defined under the provisions in the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions made by the Organization are discretionary. Contributions are subject to certain limitations and Plan discrimination testing. Non-elective contribution failures are corrected by adding enough participants to meet the coverage requirements. Effective October 1, 2018, all ongoing contributions from the Plan sponsor is made into T. Rowe Price and no contributions or transfers in are permitted to VALIC or TIAA-CREF.

**Participant accounts** --- Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** --- Participants are fully vested immediately in their contributions plus actual earnings thereon. Employees also become fully vested immediately in employer contributions.

**Notes receivable from participants** --- Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. This amount may be further limited by the provisions of the contract or if participants have other loans under this Plan. Loans are secured by the balance in the participant's account and bear interest rates ranging from 1% to 6% which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid over a five year term by equal payments made at least quarterly.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021 (CONTINUED)

---

#### 1. DESCRIPTION OF PLAN (CONT.)

**Notes receivable from participants (cont.)** --- Loans providing payments on principle residences may exceed the 5 year term and are detailed in the loan document. Principal and interest is paid ratably directly to the trustee. All new loans are paid through automatic payroll deductions. At December 31, 2022 and 2021, amounts borrowed by participants from their accounts amounted to \$169,669 and \$164,580, respectively.

Participants may borrow directly from the insurance entity and use their plan account balance (annuity held by VALIC) as collateral for the loan. The Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000. These loans are not funded with Plan assets. However, Plan loans issued by VALIC are secured by the balance in the participants' accounts and bear interest rates ranging from 3.0% to 4.5%, with maturities through August 2023. Principal and interest is paid by the participant directly to VALIC. Collateral for the loans issued by Plan custodians amounted to \$131,083 and \$127,612 as of December 31, 2022 and 2021, respectively, and are reported in notes receivable from participants. Participants no longer have the ability to borrow from accounts held with VALIC.

**Payment of benefits** --- Normal retirement age to withdraw money from the Plan is the later of age 55 and 5 years of service. The Plan requires distributions on April 1<sup>st</sup> of the calendar year following the later of the calendar year in which the participant attains the age of 70 ½ or retires from the Organization. On termination due to death, disability or retirement, a participant or his or her beneficiary will receive payment equal to the value of the participant's vested interest in his or her account through a lump-sum payment due by the end of the fifth year. For termination of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, an in-kind rollover to an individual retirement account sponsored by either T.Rowe Price or VALIC or under a continuous right of withdrawal pursuant to which a participant may withdraw such amounts at such times as they elect.

**In-service withdrawals** --- The Plan allows for in-service withdrawals of roth amounts. An account must be fully vested for a participant to receive an in-service withdrawal. In-service distributions are permissible once a participant attains the age of 59.5. Payments are made in the form of a lump sum.

**Hardship withdrawals** --- Upon proof, to the satisfaction of the Plan administrator, amounts contributed by the employee, may be withdrawn for a hardship purpose. A participant may withdraw up to 100% of their elective deferral balance (including Roth balances) to pay for a financial hardship.

**Investment options** --- Plan investments are maintained by T. Rowe Price, VALIC and TIAA/CREFF, and are selected by the Plan administrator. Participants direct the investment of their accounts and choose from different investment options offered by the Plan. The accounts are credited proportionately with investment earnings and each account is charged an investment and administrative fee by T. Rowe Price, VALIC and TIAA/CREFF based on total funds in the account. Investments with T. Rowe Price, VALIC and TIAA/CREFF are included in the financial statements at fair value as reported to the Plan by RTC, VALIC and TIAA/CREFF.

Investments offered consist of general accounts held by the insurance company, pooled separate accounts, mutual funds and other securities held by registered investment companies; however underlying funds may be comprised of various other types of investments. Participants should refer to the fund prospectus to obtain details of the underlying funds.

#### 1. DESCRIPTION OF PLAN (CONT.)

**Forfeitures** --- Forfeitures are the non-vested amounts in the accounts of participants who terminate service before attaining the required hours. Amounts forfeited from a participant's account shall be used to restore forfeitures or reduce the Organization's contributions (or reallocate as Company contributions), or to pay reasonable Plan expenses.

**Cares and Secure Act** --- The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** --- The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates** --- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets available for benefit and changes therein, and disclosure of contingent assets and liabilities. Actual results can differ from those estimates.

**Investment valuation and income recognition** --- Investments are reported at fair value (except for the Plan's fully-benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's governing body determines the Plan's valuation policies using information provided by the investment advisors, trustees and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants** --- Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are classified as distributions as reported by the trustees.

**Payments of benefits** --- Benefit payments are recorded when paid.

**Expenses** --- Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2022 and 2021

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Asset allocation funds:* Fixed annuity contracts reported at fair value.

*Pooled separate accounts:* The TIAA Real Estate Account is an insurance company separate account of TIAA investing mainly in real estate and real estate-related investments. The Real Estate Account's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The Real Estate Account sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources. The daily unit values are listed on the NASDAQ.

#### 3. FAIR VALUE MEASUREMENTS (CONT.)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

#### December 31, 2022

#### 4. GROUP ANNUITY CONTRACTS WITH NATIONAL INSURANCE COMPANIES

Among its other types of investments, the Plan has entered into a fully benefit-responsive guaranteed investment contract with TIAA/ CREFF, a national insurance company. During the years ended December 31, 2022 and 2021, the fully benefit responsive contract offered by the Plan totaled \$1,305,710 and \$1,304,300, respectively. TIAA/ CREFF maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is based on a formula established by the contract issuer and provides a guaranteed minimum rate of interest between 1% and 5%. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit responsive investment contracts criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by the Plan by TIAA/ CREFF, represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

# **ECLC OF NEW JERSEY RETIREMENT PLAN**

## **NOTES TO THE FINANCIAL STATEMENTS**

### **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021 (CONTINUED)**

---

#### **4. GROUP ANNUITY CONTRACTS WITH NATIONAL INSURANCE COMPANIES (CONT.)**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plans sponsor or their Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at the contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such event includes (1) uncured violation of the Plan's investment guideline (2) a breach of material obligation under the contract (3) a material misrepresentation, (4) a material amendment to the agreement with the consent of the issuer.

The Plan invests in fixed annuity insurance contracts offered through VALIC, a national insurance company, which are not fully benefit responsive. Certain death benefits and guarantees offered through traditional guaranteed investment contracts are not offered through the fixed annuity insurance contracts offered by VALIC. Therefore, these annuity contracts are included in the financial statements at fair value as reported to the Plan by VALIC. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value.

#### **5. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Certain Plan investments are shares of funds managed by VALIC and TIAA/ CREFF, and therefore these transactions qualify as party-in-interest transactions as defined in ERISA, accordingly VALIC and TIAA/ CREFF are fiduciaries under ERISA with respect to such assets. VALIC and TIAA/ CREFF are also trustees of the Plan and, furthermore, these transactions qualify as party-in-interest transactions.

Purchases and sales of these funds are open market transactions at fair market value. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

#### **6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a Plan termination, participants would become 100% vested in their employer contributions.

#### **7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

# **ECLC OF NEW JERSEY RETIREMENT PLAN**

## **NOTES TO THE FINANCIAL STATEMENTS**

### **FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021 (CONTINUED)**

---

#### **7. RISKS AND UNCERTAINTIES (CONT.)**

The Plan invests in a pooled separate account, of which the underlying investments are comprised of real estate investments. Accordingly, the value of the account fluctuates with general economic conditions; specifically, that of the real estate market.

The Plan invests in various guaranteed insurance company accounts. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The Plan may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

#### **8. TAX STATUS**

The IRS has determined and informed the third-party administrator by a letter dated March 31, 2017, that the Plan, a prototype plan, is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's third-party administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to tax examinations generally three years from its latest filing.

#### **9. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as of December 31, 2022 and 2021 and for the years then ended.

Accordingly, Reliance Trust Company, VALIC and TIAA/CREFF, the custodians of the Plan, have certified to the completeness and accuracy of all investment information reported on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and supplemental schedules as of December 31, 2022 as listed in the accompanying table of contents, and the related investment income reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

#### 10. DELINQUENT PARTICIPANT CONTRIBUTIONS – SELF CORRECTION PROGRAM

For the year ended December 31, 2021, the audits disclosed that contributions were not remitted timely to the Plan. The lost earnings on the late employee contributions amounted to \$20 which was trivial to the Plan in the aggregate. The receivable of \$20 is included in the employer contributions on the Statements of Net Assets Available for Benefits.

#### 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and additions per the financial statements at December 31, 2022 and 2021 to Form 5500:
