## Independent Auditor's Report

The Plan Administrator  
Crofton Diving Corporation 401(k) Profit Sharing Plan  
Portsmouth, Virginia

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Crofton Diving Corporation 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# Crofton Diving Corporation 401(k) Profit Sharing Plan

## Notes to Financial Statements

---

### 1. Plan Description

The following description of the Crofton Diving Corporation 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document available from the Plan Administrator for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering substantially all employees of Crofton Diving Corporation, Crofton Industries, Inc., and Crofton Construction Services, Incorporated (collectively the Company, Employer or Plan Sponsor) who have completed twelve consecutive months of service. Participants must be age eighteen or older. Employees covered by a collective bargaining agreement, non-resident aliens and residents of Puerto Rico are not eligible for the Plan. Eligible employees may begin participating in the Plan as of the first day of January or July following eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Internal Revenue Service (IRS) requires sponsors of preapproved 401(k), profit sharing, and money purchase plans to restate their retirement plan documents every six years to reflect all legislative and regulatory changes since the last restatement. Fidelity Management Trust Company (Fidelity) completed the restatement of the Plan for the current IRS restatement, known as the Cycle 3 Restatement effective May 20, 2022.

The restatement incorporates an updated listing of participating employers, listing of company's Entity Type, removal of Trustee election from Plan Document, additional required fields for discretionary Employer Matching Contributions, and IRS-required amendments such as the Bipartisan Budget Act. The restatement also adds boilerplate language that the IRS has been requiring in 401k documents. This restatement does not make any substantive design changes to the 401k Plan.

#### *Trustee and Administration of the Plan*

The trustee and recordkeeper of the Plan is Fidelity. The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company. Plan Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Contributions*

Each year participants may contribute up to 100% percent of annual eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company determines the amount of its discretionary matching or discretionary profit-sharing contributions on an annual basis. During 2022, the Company's discretionary match was 25% of the participant's contribution. All participants must complete a minimum of 501 hours of service during each Plan year or be employed by the Company on the last day of the Plan year to be eligible for the Employer matching contribution. There were no profit-sharing contributions in 2022. Contributions are subject to certain Internal Revenue Service (IRS) limits.

## Notes to Financial Statements

---

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's contributions, and allocations of (a) plan earnings (losses), and (b) investment advisor expenses. Allocations are based on participant earnings, account balances, or specific participant requested transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions, and Company contributions made on their behalf, into various investment options offered by the Plan.

### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Participants who retire, die or become totally and permanently disabled are entitled to the full amount in their account. Participants who terminate employment prior to becoming 100% vested are entitled to a percentage of their Employer contributions (matching or profit-sharing) account depending on their years of service. A participant will be vested 20% per year, starting in year two, and is therefore 100% vested after six years of service.

### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The notes receivable are secured by the balance in the participant's account and earn interest at a rate commensurate with local prevailing rates at the inception of the note, as determined by the plan administrator. Participants are limited to two loans outstanding at any given time. Loans are repayable ratably through periodic payroll deductions over a term not exceeding five years at a rate of interest as determined by the administrator based on the prevailing interest rates. Outstanding loans at December 31, 2022 and 2021 all bear interest rates ranging from 4.25% to 8.00%. Payments of principal and interest are credited to the participant's account.

### ***Payment of Benefits***

Upon termination of employment, retirement, disability, or death, participants may elect to receive a distribution of their vested account balance. Distributions may be paid to qualified participants in the form of a lump sum payment or a rollover to a qualified Plan. In-service distributions are not permitted by the Plan, except as otherwise allowed for hardship distributions. The Plan allows for hardship distributions from all vested account balances for certain immediate financial needs as determined by the Plan Document. Participants whose vested interest in their account balance is \$5,000 or less upon termination may automatically receive a lump sum equal to the value of their vested balance. Participants will receive the value of their vested interest in their account balances as soon as administratively feasible following the date of termination.

### ***Forfeitures***

There were \$8,524 and \$1,863 of unallocated forfeited amounts at December 31, 2022 and 2021, respectively. Forfeitures may be used to pay administrative expenses or to reduce Employer contributions. In 2022, no forfeitures were used to reduce the Employer contribution or pay administrative expenses.

### ***Administrative Expenses***

Certain administrative expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment related expenses are included in net depreciation in the fair value of investments on the statement in changes in net assets available for benefits. Investment advisor fees are allocated to certain participants who have elected to participate in an actively managed account based on the participants' account balance at the end of each quarter. For the year ended December 31, 2022, \$33,087 in expenses were charged for investment advisor fees and \$21,310 in expenses were charged for participant requested transactions and recordkeeping fees.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan have been prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ materially from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Fidelity and the investment advisor. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value includes gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at the unpaid principal balance plus unpaid accrued interest. Related fees are recorded as administrative expenses and expensed when they are incurred. The Plan classifies all notes receivable from participants in default if any scheduled

repayment remains unpaid by the end of the calendar quarter following the calendar quarter in which the missed payment was due. Defaulted notes receivable from participants are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded at December 31, 2022 or 2021.

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Subsequent Events***

The Plan has evaluated subsequent events through October 16, 2023, the date which the accompanying financial statements were available to be issued.

## **3. Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The level in the fair value hierarchy within which a fair measurement falls is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. Following is a description of the valuation methodologies used for assets measured at fair value.

**Registered investment companies:** represent investments in mutual funds held with various investment managers. The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2022 and 2021 on a recurring basis:

| <i>December 31, 2022</i>               | Total               | Level 1             | Level 2     | Level 3     |

### 4. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedules, including assessing whether the supplemental schedules are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 5. Party-in-Interest and Related Party Transactions

Certain Plan investments are funds managed by Fidelity. Fidelity is the trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Investment management fees were paid to Fidelity in the form of a reduction of net depreciation in the fair value of investments earned by Plan participants. Notes receivable from participants qualify as exempt party-in-interest transactions. Additionally, the Company pays certain

---

administrative expenses on behalf of the Plan and provides certain recordkeeping services at no cost to the Plan, both of which are also considered to be exempt party-in-interest transactions.

Resource 1, Inc. is the investment advisor for the Plan. Transactions with this organization are considered to be exempt party-in-interest transactions.

During the year ended December 31, 2021, Plan management identified certain instances of untimely remittances of participant contributions from participants totaling \$23,422. Amounts totaling \$13,860, \$51,369, \$40,152, and \$9,104 are carried over from 2020, 2019, 2018, and 2016, respectively. Plan management has corrected the errors and deposited the lost earnings in the participants' accounts in 2023. These transactions constitute non-exempt party-in-interest transactions or prohibited transactions as defined by ERISA.

### 6. Tax Status

The Plan Document is a volume submitted document that has an opinion letter dated March 31, 2014, from the IRS that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Effective May 20, 2022, the Plan was restated for regulatory compliance purposes and adopted a pre-approved plan document of Fidelity, which received an opinion letter from the IRS dated June 30, 2020, stating that the restated pre-approved plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since the date of the determination letter, Plan management believes that the Plan and the related trust is currently designed and operated in compliance with the applicable requirements of the IRC and continues to be tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their Employer contributions.

### 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Three investments comprised 44% and 45% of total net assets available for benefits as of December 31, 2022 and 2021, respectively.
