Independent Auditors' Report

To the Administrative Committee of
Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Description of Plan

General

Laufer Group International, Ltd. (the "Company") established the Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust (the "Plan") on January 1, 2005. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a participant-directed defined contribution plan covering substantially all employees of the Company who are twenty-one years or older and who have completed at least three consecutive months of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated effective August 15, 2022.

Contributions

The Plan provides each participant with an opportunity to make elective deferrals and Roth contributions to the Plan, subject to the limitations of the Internal Revenue Code. Each participant may contribute up to 100% of the participant's eligible compensation each year. Employees are automatically enrolled at a 3% pre-tax deferral percentage, unless the employee elects not to participate in the Plan.

The Company is not required to make any matching contributions to the Plan. The Company may choose to make a discretionary matching employer contribution in accordance with the Plan document. The Company may also make a discretionary nonelective employer contribution in accordance the Plan document. For the 2022 Plan year, the Company made matching contributions at the lower of 25% of the participant's total annual contribution or \$4,500.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participant vesting in the Company's matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service, 40% vested after three years of service, 60% vested after four years of service, 80% vested after five years of service, and 100% vested after six years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

The portion of a participant's balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. Forfeiture balances of terminated participants' non-vested accounts can be used to pay allowable administrative expenses or to reduce employer matching contributions, in accordance with the Plan document. There were additions to forfeitures in the amount of \$15,883 and \$32,446 during the years ended December 31, 2022 and 2021, respectively. The Company applied \$26,756 of forfeitures towards Plan expenses during the year ended December 31, 2022. The balance of forfeitures was \$13,717 and \$24,590 at December 31, 2022 and 2021, respectively.

Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to two outstanding loan at any one time. Loans must be fully repaid through after-tax payroll deductions within 5 years, unless the loan is for the purchase of a primary residence, which must be repaid within a period of no more than 10 years. Loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest on the loans are determined by the Plan Administrator and is based on the prevailing interest rate charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate is remained fixed throughout the duration of the loan. As of December 31, 2022 the interest rate on the outstanding loans ranged from 4.25% to 8.00%.

Payment of Benefits

Upon death, retirement, disability, or termination of employment, the participant will become entitled to the total vested value of his or her account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants. Distributions will be paid by either lump-sum or a systematic withdrawal plan (installments), based upon the election of the participant or the Plan, as defined in the Plan or the Internal Revenue Code ("IRC").

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in the fair value of its investments includes the Plan's gains and losses on investments bought and sold as well as held during the year ended December 31, 2022.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued interest, if any. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

The Company pays all significant administrative costs of the Plan, unless paid with forfeited funds in the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is as least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

3. Information Certified by the Trustee

The following is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021 and for the years then ended, included in the Plan's financial statements, that was prepared or derived from information provided by Mid Atlantic Trust Company and Fidelity Management Trust Company, the custodians of the Plan, and furnished to the plan administrator. Mid Atlantic Trust Company served as the custodian of the Plan for the 2021 Plan year and from January 1, 2022 to August 15, 2022. Fidelity Management Trust Company served as the custodian of the Plan from August 15, 2022 through December 31, 2022. The plan administrator has obtained a certification from the custodians that such information is complete and accurate.

Notes receivable from participants	136,730	

The following was also certified by the custodians for the 2022 Plan year:

Net depreciation in fair value of investments	\$ (1,307,049)	\$ (568,554)
Dividend and interest income	96,503	303,227

4. Fair Value of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust

The following is a description of the valuation methodologies used for assets measured at December 31, 2022 and 2021:

- Money market fund – valued at cost plus accrued interest which approximates fair value.
- Mutual funds – valued at quoted prices reported in an active market at year-end.
- Common collective trusts – The common collective trusts (CCTs) are stated at fair value using the NAV practical expedient. The NAV of the CCTs is determined using the market price of the underlying securities and the contract value of investment contracts held by the CCTs, as determined by the Trustee of the CCTs. There are no restrictions on the redemption of these investments and no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value at December 31, 2022 and 2021 are as follows:

Investments at fair value at December 31, 2022, are as follows:

Investment Type	Balance at December 31, 2022	(Level 1)	(Level 2)	(Level 3)
Mutual funds	\$ 11,487,078	\$ 11,487,078	\$ -	\$ -
Cash	27	-	-	-
	<u>\$ 11,487,105</u>	<u>\$ 11,487,078</u>	<u>\$ -</u>	<u>\$ -</u>
Common collective trusts*	<u>\$ 819,771</u>			
Total investments	<u>\$ 12,306,876</u>			

Investments at fair value as of December 31, 2021, are as follows:

Investment Type	Balance at December 31, 2021	(Level 1)	(Level 2)	(Level 3)

	<u>\$ 13,715,922</u>	<u>\$ 13,715,922</u>	<u>\$ -</u>	<u>\$ -</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Laufer Group International, Ltd. 401(k) Profit Sharing Plan and Trust

6. Tax Status

On June 30, 2020, the Internal Revenue Service stated that the prototype plan adopted by the Plan, as then designed, qualifies under Section 410(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, however, the Plan management believes that the Plan, as currently amended, is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress..

7. Related-Party Transactions

Fees paid during the year for record-keeping services to Paychex, Mid Atlantic Trust Company and Fidelity qualify as party-in-interest transactions; fees amounted to approximately \$37,500 for the year ended December 31, 2022.

These amounts for 2021, were paid back to participants in the form of distributions or re-characterized as catch-up contributions in June of 2022.

10. Subsequent Events

Management evaluated subsequent events for the Plan through October 16, 2023, the date the financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
